Certification by Occupant Performing Plumbing Work

By signing below, I certify that:

- I am named in the permit application as primary applicant.
- The building where plumbing work is to be done under this permit is a detached single-family residence.
- I am a resident of the building where plumbing work is to be done, or it is being built as my residence.
- I will personally be doing all the plumbing work under this permit without assistance from any person who is not: (1) another resident of the building; (2) another individual who intends to reside in the building; or (3) a plumber licensed by the City of Chicago or State of Illinois.
- The plumbing work performed by me will conform to the permitted construction documents and the requirements of the Chicago Plumbing Code. I will correct known deficiencies in the plumbing work before competition.
- I am responsible for ensuring that required plumbing inspections are scheduled and completed.

Instructions

Form 401-PC must be completed when the primary applicant listed in the building permit application intends to perform plumbing work without a plumbing contractor license. The primary applicant is required to certify eligibility and acknowledge applicable requirements of the Municipal Code of Chicago. A Department of Buildings employee may ask to verify residency based on a government-issued photo ID.

Digital, electronic, and facsimile signatures are acceptable. If this form is submitted to the City of Chicago by a person other than the signer, that person must keep records establishing the authenticity of all electronic and facsimile signatures and make those records available to the City of Chicago upon request.

Fields and sections marked with a red star (*) are required. Where a section is applicable, all fields in that section are required.
