Creating a New Permit

To create a new permit:

- Click the **Create New** drop-down
- Select **Permit Application**

The screenshot shows the City of Chicago website interface. At the top, there is a navigation bar with the City of Chicago logo, the text "The City of Chicago's Official Site", and "Inspections, Permitting & Licensing". Below this is a user profile bar for "CGN Tester1" with a dropdown arrow, and buttons for "Documentation" and "Cart (0)".

The main content area has two tabs: "Permit" and "Digger". Below the tabs is a "Create New" dropdown menu. A callout box points to the "Create New" dropdown with the text "1. Click Create New". The dropdown menu is open, showing options: "Permit Application" (highlighted in blue), "Dig Ticket", "Hit Report", and "Joint Meet". A second callout box points to "Permit Application" with the text "2. Select Permit Application".

Below the dropdown menu, there is a search section with the text "Set your filters and click search to update your dashboard." and a "Search" button. There is also a "Filter by Search" section with a search input field and a "Sort by Date" section with a dropdown menu set to "Later Intake Date".

At the bottom of the page, there is a footer with the text: "If you need assistance, please contact [support](#) for the appropriate department. If your question is about an existing permit application, please include your application number or the address of your application."

On the **Select Application Type** screen:

- Select **Opening in the Public Right of Way**

The screenshot shows the 'Select Application Type' page on the City of Chicago's official site. The page header includes the City of Chicago logo, the text 'The City of Chicago's Official Site', and 'Inspections, Permitting & Licensing'. Below the header, there is a navigation bar with 'Home' and 'Permits'. The main content area is titled 'Select Application Type' and includes a sub-header: 'Select the type of permit application you would like to complete. If you do not see the permit type you are looking for, please [click here for additional information](#).' The page lists several permit types, each with a brief description. A callout box with a purple background and white text points to the 'Opening in the Public Right of Way' option, which is highlighted in blue. The callout text reads: 'Select Opening in the Public Right of Way'. The permit types listed are: CDPH Air Quality Permit, CDPH Asbestos / Demolition NOI, Opening in the Public Right of Way, Occupy the Public Right of Way, Construction Dumpsters, Building Canopies, Truck Travel, Other Transportation and Public Way Permits, and Events.

Note: You may not have as many options of permits dependent on the types of licenses you have.
