1 PRESIDENT FOREMAN: Good evening. My name
2 is Ghian Foreman, President of the Chicago
3 Police Board, and I am calling the meeting to
4 order.

5 Is there a motion to approve the
6 minutes of the September 19th public meeting?

7 BOARD MEMBER SWEENEY: So moved.

8 BOARD MEMBER EADDY: Second.

9 PRESIDENT FOREMAN: All in favor?

14 Is there a motion to close a
15 series of executive sessions for the purposes
16 of considering personnel matters in litigation,
17 as authorized by Sections 2(c)(1)(3)(4) and
18 (11) of the Illinois Open Meetings Act?

19 BOARD MEMBER FLORES: So moved.

20 BOARD MEMBER DELGADO: Second.

21 PRESIDENT FOREMAN: All in favor?

22 (CHORUS OF AYES.)

23 PRESIDENT FOREMAN: Motion passes.

24 Going a little bit out of order

1 today. The general orders issued by the
2 Superintendent during the previous month are
3 listed in the blue books and posted on the
4 Police Department's website.

5 Next up we have the
6 Superintendent's report. Superintendent?

7 SUPERINTENDENT JOHNSON: Thank you, sir. I
8 just want to give you an overview of the crime
9 statistics for the summer months.

10 Murder right now is down 11
11 percent year to date from the 13th of October
12 of the same time frame as 2018.

13 Robberies are down 18 percent
14 year to date as of the 13th of October compared
15 to the same period.

16 Burglaries are down 19 percent.
17 Vehicular hijacking is down 22 percent.

18 Robbery, burglaries and motor vehicle thefts
19 are at a 20-year low in the City of Chicago.

20 Overall violent crimes down 10
21 percent year to date.

22 Shooting incidents are down 11
23 percent year to date compared to the same time
24 in 2018.

1 Additional highlights for the
2 month of September. September of '19 had the
3 lowest number of murders and shootings in the
4 City since 2015.

5 The Police Department recovered
6 more than 1,000 guns in the month of September,
7 and thus far the Police Department has
8 recovered more than 8600 -- 8,600 guns.

9 Also on pace to recover more than
10 10,000 guns in the year of 2019.

11 In terms of the consent decree
12 progress, in the first 180 days, includes
13 training for school resource officers,
14 employing a new policy in the introduction on
15 the use-of-force dashboard.

16 Use-of-force incidents are near
17 record lows thus far this year, and a lot of
18 that is due to the fact that we've had
19 enforcement training and deescalation training
20 and the accountability aspect.

21 Since 2016, the Department has
22 grown by more than 1,000 officers. The total
23 now is 13,400, and that includes replacing
24 officers who retired and moved on from the

1 Department. So we actually hired 2,352
2 officers over this period. Thank you, sir.

3 PRESIDENT FOREMAN: Thank you.

4 A report of disciplinary actions
5 taken by the Board during the previous month
6 has been made available at this evening's
7 meeting and is posted on the Board's website.

8 Next, disciplinary cases. The
9 Police Board, as authorized by the Open
10 Meetings Act, has considered in closed meeting
11 several disciplinary cases. The Board will now
12 take final action on these cases.

13 Regarding case numbers
14 16PB280 -- pardon me. Regarding case number
15 16PB2908 and 19PB2958, the Superintendent filed
16 charges to discharge Jason Van Dyke from the
17 Chicago Police Department for conduct related
18 to the fatal shooting of Laquan McDonald. The
19 Superintendent subsequently moved to withdraw
20 the charges because Jason Van Dyke has resigned
21 from the Chicago Police Department.

22 Is there a motion to grant the
23 Superintendent's motion to withdraw the
24 charges?

1 BOARD MEMBER SWEENEY: So moved.

2 BOARD MEMBER EADDY: Second.

3 PRESIDENT FOREMAN: All in favor by show of
4 hand.

5 (SHOWING OF HANDS.)

6 PRESIDENT FOREMAN: Any opposed?

7 (NO RESPONSE.)

8 PRESIDENT FOREMAN: Voting in favor are
9 Board Members Wolff, Crowe, Delgado, Eaddy,
10 Flores, O'Malley, Sweeney, Zopp and myself.
11 The motion passes.

12 Regarding case number 19PB2954,
13 in April of 2019, the Superintendent filed
14 charges to discharge Police Officer Durand Lee
15 from the Chicago Police Department for making
16 false reports to 911 about criminal activity.

17 In September, documentation
18 relating to the charges was provided to the
19 Superintendent's counsel and they moved to
20 withdraw the charges.

21 Is there a motion to approve
22 withdrawing the charges with prejudice?

23 BOARD MEMBER SWEENEY: So moved.

24 BOARD MEMBER EADDY: Second.

1 PRESIDENT FOREMAN: All in favor by show of
2 hands.

3 (SHOWING OF HANDS.)

4 PRESIDENT FOREMAN: Any opposed?

5 (NO RESPONSE.)

6 PRESIDENT FOREMAN: Voting in favor are
7 Board Members Wolf, Crowl, Delgado, Eaddy,
8 Flores, O'Malley, Sweeney, Zopp and myself.
9 The motion passes.

10 Regarding case number 18PB2950,
11 is there a motion to find Police Officer Robert
12 Rialmo guilty of violating the Police
13 Department's general orders on use of deadly
14 force when he fired his weapon in the direction
15 of Bettie Jones, hitting her and causing her
16 death, and to discharge him from the Chicago
17 Police Department?

18 BOARD MEMBER SWEENEY: So moved.

19 BOARD MEMBER EADDY: Second.

20 PRESIDENT FOREMAN: All in favor by show of
21 hands.

22 (SHOWING OF HANDS.)

23 PRESIDENT FOREMAN: Any opposed?

24 (NO RESPONSE.)

1 PRESIDENT FOREMAN: Voting in favor are
2 Board Members Wolf, Crowl, Eaddy, Flores,
3 Sweeney, Zopp and myself. The motion passes.

4 Board members Delgado and
5 O'Malley recused themselves from this case.

6 Is there a motion to adopt the
7 written findings and decisions that have been
8 reviewed by all Board members who participated
9 in the case?

10 BOARD MEMBER EADDY: So moved.

11 BOARD MEMBER SWEENEY: Second.

12 PRESIDENT FOREMAN: All in favor?

13 (CHORUS OF AYES.)

14 PRESIDENT FOREMAN: Any opposed?

15 (NO RESPONSE.)

16 PRESIDENT FOREMAN: The motion passes. I
17 will now read excerpts from the Board's written
18 decisions.

19 In the early morning of December
20 26th, 2015, Officer Robert Rialmo shot and
21 killed Bettie Jones in her home at 4017 West
22 Erie Street in Chicago.

23 Officer Rialmo did not intend to
24 kill Ms. Jones, and Ms. Jones did nothing to

1 warrant her fate. Instead, Ms. Jones was shot
2 with a bullet intended for Mrs. Jones' upstairs
3 neighbor, Quintonio LeGrier, who had threatened
4 Officer Rialmo with a baseball bat.

5 Ms. Jones was present in the
6 scene, and in close proximity to Mr. LeGrier
7 as he was shot, only because she had assisted
8 officers as they responded to a domestic
9 disturbance occurring in the upstairs apartment
10 in the two-flat building in which she lived.

11 This tragic case raises difficult
12 but important questions about when a police
13 officer may use deadly force, specifically in
14 this instance in which he knew or reasonably
15 should have known that an innocent bystander
16 was in his line of fire.

17 As explained in more detail in
18 the decision, the Police Board finds that the
19 Chicago Police Department's general orders
20 require an officer to consider the presence of
21 an innocent bystander when deciding whether to
22 use deadly force.

23 This finding recognizes that an
24 officer has a duty first and foremost to

1 protect the public, and that the most critical
2 mission of the Chicago Police Department is to
3 prevent the loss of innocent life.

4 With those basic principles in
5 mind, and upon examination of the facts of this
6 case, the Board finds that when Officer Rialmo
7 fired his gun into the direction of Bettie
8 Jones, he had the ability to safety reposition
9 himself even farther than he already had from
10 Mr. LeGrier. Had Officer Rialmo done so, he
11 could have neutralized the threat posed by
12 Quintonio LeGrier and Bettie Jones would be
13 alive today.

14 Officer Rialmo had an obligation
15 to reexamine his options in light of the
16 presence of Ms. Jones and take all reasonable
17 precautions to avoid shooting her, as all
18 officers have an obligation to act in a manner
19 to protect innocent persons around them.

20 To be perfectly clear, the Board
21 does not believe Officer Rialmo intended to
22 harm Bettie Jones, but his use of deadly force
23 was objectively unreasonable, under the
24 totality of the circumstances he faced,

1 inconsistent with his training and violated the
2 Department's general orders.

3 Given the loss of Mrs. Jones'
4 life that ensued, the Board finds that Officer
5 Rialmo must be discharged from the Chicago
6 Police Department.

7 In addressing the question of the
8 June 28th verdict in the civil case brought by
9 the estate of Quintonio LeGrier, the Board
10 found: It is true that a civil jury determined
11 that Officer Rialmo reasonably believed that it
12 was necessary to use deadly force against
13 LeGrier to prevent death or great bodily harm
14 to himself or his partner. The jury's finding,
15 however, does not end the Board's analysis
16 here, as the jury was asked a question that is
17 distinctly different than that asked of this
18 Board. Specifically, the jury in the LeGrier
19 civil case was only asked whether the use of
20 force was reasonable as to LeGrier, not Bettie
21 Jones, and the jury was not asked to determine
22 whether the force was necessary based on the
23 totality of the circumstances.

24 Copies of the written decision

1 are available here at the meeting, and the
2 decision will be available tonight on the
3 Police Board's website, ChicagoPoliceBoard.org.

4 At this time, I'll call on
5 members of the public who signed up in advance
6 to speak.

7 The first speaker is Maria
8 Falcone. I'm going to call up Israel Falcone.

9 We have a lot of speakers
10 tonight, so we are going to adhere to the two
11 minutes. We have a timer that we will -- and
12 I'm going to do this a little bit different
13 because of the interpreter. I'll keep the time
14 here rather than do this.

15 THE INTERPRETER: So our rights as citizens
16 have been violated. We were assaulted on
17 October 14th and hospitalized. And we've been
18 attempting to get some help from District 8.
19 We have surveillance video that shows the
20 assault from their home. There are ten people
21 involved -- or ten suspects, but they only
22 arrested one and charged him with simple
23 battery. We would like those involved to be
24 arrested and we -- we would like to know who we

1 can go for help so that the police report
2 is -- is revised or corrected.

3 We fear for our lives and we
4 would like an order of protection. That's all.

5 PRESIDENT FOREMAN: Superintendent, is
6 there someone we can direct her to?

7 SUPERINTENDENT JOHNSON: Yes. That young
8 lady, give the sergeant your information. And
9 make sure somebody contacts them, probably
10 detectives, to do a follow-up and we'll go from
11 there.

12 THE INTERPRETER: Thank you.

13 PRESIDENT FOREMAN: Israel, do you want an
14 opportunity to speak as well?

15 MR. FALCONE: No, that's okay.

16 PRESIDENT FOREMAN: Next speaker, Nicholas
17 Sposato.

18 ALDERMAN SPOSATO: Good evening. I was
19 coming here for a happy day in my life, but
20 it's a sad day for Bobby Rialmo and the Rialmo
21 family.

22 He dedicated his life to our
23 country, City. Served as a Marine for years.
24 Served as a police officer on the west side.

1 Just can't believe your decision.

2 The ultimate authority in the
3 Police Department said it was a justified
4 shooting, but I'm not sure what the vote was,
5 was it six to three -- I'm sorry, you don't
6 respond. I understand. I didn't mean to ask a
7 question.

8 PRESIDENT FOREMAN: It was unanimous.

9 ALDERMAN SPOSATO: Unanimous? Okay. So
10 unanimous decision, in your infinite wisdom you
11 guys felt that Rialmo went there and
12 intentionally shot this lady. I'm guessing you
13 would all be happier to be at a funeral with
14 some guy bashed in the head with a baseball
15 bat.

16 The kid's own father
17 was -- excuse me. Excuse me.

18 (SHOUTING FROM AUDIENCE.)

19 The kid's own father was scared
20 to death of him. But a police officer that
21 goes to an intense scene, we think that was not
22 justified. So I'm extremely disappointed in
23 this decision.

24 Obviously, Rialmo is a friend of

1 mine. I've known his father and parents for
2 years. I've known Bobby since he was five or
3 six years old. I want to have my say. I was
4 hoping to come here to say thank you for having
5 the courage to make the right decision, but
6 that's obviously not the case here.

7 So maybe you folks should be
8 doing ride-alongs every once in a while. I
9 don't know if you ever do that. That would be
10 my suggestion, to do some ride-alongs, see the
11 intense situations these people get in.

12 And, once again, the ultimate
13 authority, I don't mean to keep throwing you
14 under the bus, Supe, but, you know, you're the
15 leader of this Department, and you felt it was
16 justified. Unanimous decision here is just
17 unbelievable.

18 And I just want to have my say.
19 Thank you for listening to me. Appreciate it.

20 But in my opinion it was a
21 terrible decision.

22 PRESIDENT FOREMAN: Thank you. I would
23 strongly encourage you to take a look at our
24 decision. I welcome, you know, after your --

1 come back next month. I would love to hear
2 after you read our careful decision. It was a
3 well thought-out decision. Take a look at it
4 and give us your thoughts.

5 ALDERMAN SPOSATO: Thank you, sir.

6 PRESIDENT FOREMAN: Next speaker, Debbie
7 McBound.

8 Okay. We got it. Thank you.

9 (SHOUTING FROM AUDIENCE.)

10 POLICE OFFICER: We are maintaining order
11 today.

12 PRESIDENT FOREMAN: Ms. McBound.

13 MS. McBOUND: I apologize that I have to
14 come down here and bring you this bad news.

15 I was asked to be a court
16 advocate. I joined. I care about my community
17 and I do all I can to help out.

18 I've been tormented by the Latin
19 Kings gang, coming from Indiana, Blue Island
20 with dark-colored windows. These guys are very
21 dangerous. They come with 30 to 40 guys. I
22 have been to my police station in the 5th
23 District, the commander there. I talked to
24 him. He's been on my block. Neighbors had

1 them -- when the police come down the block,
2 they have scanners. They have lights that they
3 flash, do codes. Now they sit in the back of
4 my garage where I can't get in my house. I
5 have to flag down state troopers so I can get
6 home. I've been talking to the commander in my
7 district saying, Look, I need help. They going
8 to abandoned houses with guns. You know, it's
9 really bad. I worked hard and I shouldn't have
10 to live like this. I do a lot of good. I try
11 to serve the community, and this guy is really
12 powerful. He stands with two guys on both
13 sides of him. It is a couple of houses that
14 let them run on they property. And it's bad
15 and I need help.

16 And if you all can't help me,
17 please let the National Guards come to Chicago
18 and help us, because we living in fear. And I
19 worked hard for that wooden-frame house. I
20 worked like a Hebrew slave, and I shouldn't be
21 scared to walk out my door. Let them come in
22 to assist the police officers if they need
23 help.

24 PRESIDENT FOREMAN: Thank you. Excuse me,

1 Superintendent?

2 SUPERINTENDENT JOHNSON: Sorry for the
3 grief you're experiencing. Give that
4 information to -- your information to that
5 officer over there and I will contact you.

6 PRESIDENT FOREMAN: Thank you. Nataki
7 Rhodes. Nataki Rhodes.

8 Phyllis Gill.

9 MS. GILL: Good evening. What I wanted to
10 discuss with the consent decree training that
11 the officers have been taking during the
12 session, one of the things is talking about how
13 the City will provide annual training for the
14 Police Board members. One of the training that
15 I would like to recommend, if you guys have a
16 recommendation, is LEMR training, and that's
17 Law Enforcement Medical Rescue training that
18 the officers have to take. And by 2021,
19 January the 1st, all officers are supposed to
20 be qualified in the LEMR training. So that
21 might be something, because it's supposed to
22 be -- any officer-involved incidents, they're
23 supposed to be able to aid prior to emergency
24 services coming.

1 Another thing with the consent
2 decree training, it talks about promotion. And
3 apparently they're going to start having more
4 captains now in the districts and on each
5 watch. And based on what the captain has to do
6 and what he or she dealing with the community
7 and law enforcement, that that should not be
8 meritorious, as much as back to civil service,
9 because you're dealing with all your TRRs,
10 you're dealing with all your reports that have
11 to be done, and it's not so much who you know,
12 who recommended you to be captain, but what you
13 know. And civil services should go all the way
14 up at least to the commander, because you're
15 dealing with patrol and you're dealing with the
16 community.

17 The last thing is, I know a lot
18 of people have issues with the officers and
19 everything with going on with their mental
20 health and what's been going on with the
21 suicide rate and things with the officers
22 around the country.

23 One of the things the private
24 industry does that we don't do is a mental

1 health day. It's not dealing with the medical
2 day where you have to give a reason why you're
3 taking off, it's just you are calling up and
4 saying, I am taking a mental health day. No
5 questions asked. And that might be something
6 that might behoove the Department, and you guys
7 can consider it.

8 Last thing is community policing.
9 A lot of new sergeants are coming in as
10 community policing sergeants, and they don't
11 really have anybody to actually guide or be a
12 liaison. I know each area has a community
13 person. I don't know what the official title
14 is, but with that, I think they need to
15 actually -- sorry. Seek out the officers and
16 new sergeants and work with them versus having
17 them come out. A lot of things going on.

18 PRESIDENT FOREMAN: Thank you. If I
19 ask -- so, John, I'm going to let you speak
20 about the first part. John O'Malley is
21 handling our training, so if you can share your
22 information with Max, he's in the back. Share
23 your information with him.

24 Superintendent, as far as some of

1 the training, as far as the promotions, is that
2 something that you would like to take back to
3 the monitor or would you like us to take it
4 back? How would you like to handle that as far
5 as the recommendation?

6 SUPERINTENDENT JOHNSON: So, yeah,
7 regarding the consent decree, there are some
8 recommendations in there that we are looking
9 at. Because of the consent decree, there are
10 paragraphs in there that talk about the
11 promotion, the merit promotion, and things of
12 that nature. So we are exploring that right
13 now. And things may change.

14 PRESIDENT FOREMAN: And the mental health
15 day?

16 SUPERINTENDENT JOHNSON: Of course mental
17 health is a priority for us right now because
18 we've been dealing with suicides here in
19 Chicago and across the country. And mental
20 health is also in the consent decree, for us to
21 get more funding to give the officers the tools
22 they need.

23 PRESIDENT FOREMAN: Thank you. Next
24 speaker, Kevin Graham.

1 MR. GRAHAM: Good evening. My name is
2 Kevin Graham. I'm the president of the
3 Fraternal Order of Police here in Chicago.
4 Thank you for allowing me to speak to you
5 today.

6 I hate to say this, but you got
7 this one wrong on Rialmo. And there are
8 consequences to getting things wrong.

9 The problem is that Officer
10 Rialmo is not a super hero. He is not
11 clairvoyant. He doesn't have the ability to
12 know what is going to happen. He does know
13 that someone is coming at him with a baseball
14 bat. He is in fear for his life and he
15 discharges his weapon.

16 One of the things that was said
17 tonight was that Bettie Jones -- who I want to
18 add, that is a tragedy. She should not have
19 died; however, it was said here tonight that
20 the police enlisted her help. That was not
21 accurate. What was enlisted in her help was
22 the offender's father who wanted her to open
23 that door. The offender -- I will repeat that.
24 The offender precipitated the circumstances

1 that led up to Bettie Jones' death, not Officer
2 Rialmo.

3 If you are sending a message to
4 the Chicago Police Department that when they
5 are in fear of their life, the law and the
6 policies that were adhered to in this case are
7 not being followed, then you're telling them
8 that they're on their own.

9 You need to back up the police
10 officers for doing their job. What happened
11 here happened in so many cases where the
12 offender has failed to obey the lawful commands
13 of the police officer. And that's what we're
14 talking about today. And you're sending a
15 terrible message to the Chicago police
16 officers, the men and woman who protect this
17 City, and you are not backing them up. Thank
18 you.

19 PRESIDENT FOREMAN: Thank you. I would
20 also encourage you to take a look at our
21 decision.

22 Next speaker, Reverend James
23 Frazier.

24 Are there other speakers with

1 you?

2 REVEREND FRAZIER: They're just coming to
3 stand with me.

4 PRESIDENT FOREMAN: Okay.

5 REVEREND FRAZIER: Thank goodness we don't
6 have to stand alone.

7 PRESIDENT FOREMAN: That's okay.

8 REVEREND FRAZIER: Good evening. My name
9 is Reverend Jamie Frazier, and I serve as
10 pastor of Lighthouse Church UCC and also the
11 board president of Lighthouse Foundation, which
12 advances justice for black LGPTQ+ folks across
13 Chicagoland through education, entertainment
14 and empowerment.

15 On November 29th, 2013, Officer
16 Thomas Walsh, star number 11214, physically
17 assaulted a black security guard at Lucky
18 Horseshoe named James Matthews.

19 On March 18th, 2015, the
20 Independent Police Review Authority sustained
21 three of the four allegations against Officer
22 Thomas Walsh. They found, number one, that he
23 unjustifiably physically assaulted James
24 Matthews. Number two, that he called him the N

1 word repeatedly during the assault. And number
2 three, that he brought discredit upon the
3 entire Chicago Police Department. And all of
4 this is contained in log number 1066452.

5 Now, we came here last month and
6 Superintendent Eddie Johnson told us that he
7 had not heard about this case before.

8 Well, now a month has passed, so
9 we've come here again to ask what is the status
10 of this case? Who is it before? And in case
11 Superintendent Johnson doesn't have the facts,
12 I would appreciate it if the sergeant would
13 take this binder to him because this contains
14 all of the depositions, all of the findings of
15 IPRA that have spanned years and years of
16 investigation. So if you don't have the facts,
17 I'm happy to provide them for you today.

18 The last thing that I want to say
19 is that six years have elapsed between Officer
20 Walsh attacking James Matthews and today. For
21 six years we have faced a miscarriage of
22 justice.

23 So the question that I put before
24 Superintendent Johnson, the question that I put

1 before the entire Chicago Police Board, what is
2 the status of this case? And we'll be back
3 next month.

4 PRESIDENT FOREMAN: Thank you.
5 Superintendent?

6 SUPERINTENDENT JOHNSON: So right now it is
7 my understanding that the status of the case is
8 in arbitration. So we still have to wait until
9 that process is completed. Once it is, we will
10 be able to give you an idea where the case
11 actually is.

12 REVEREND FRAZIER: Do we have a timeline of
13 this arbitration?

14 SUPERINTENDENT JOHNSON: I can't answer
15 that.

16 REVEREND FRAZIER: Who is conducting the
17 arbitration?

18 SUPERINTENDENT JOHNSON: An independent
19 arbitrator is handling the case.

20 REVEREND FRAZIER: Is this being conducted
21 through the internal police bureau?

22 SUPERINTENDENT JOHNSON: Not through us.

23 REVEREND FRAZIER: Whose auspices does it
24 fall under? Because COPA said they released it

1 last year. So who has the case?

2 SUPERINTENDENT JOHNSON: That's part of the
3 officer's contractual rights, to be able to
4 request arbitration, so that, I guess, parties
5 get together and request an arbitrator. So we
6 don't control who the arbitrator is. That's
7 not under our --

8 REVEREND FRAZIER: Who has oversight of the
9 process? COPA is telling me they don't. You
10 are telling me you don't have it. Who has
11 oversight of the arbitration process?

12 SUPERINTENDENT JOHNSON: We're going to
13 have to find out and we'll let you know.

14 REVEREND FRAZIER: We'll be back next
15 month.

16 SUPERINTENDENT JOHNSON: I believe you.

17 PRESIDENT FOREMAN: Thank you. Rich
18 Aguilar.

19 MR. AGUILAR: Good evening. I'm here
20 tonight to let you know that you had an
21 opportunity to make a decision, to tell the
22 police officers exactly what they can and can't
23 do in situations where deadly force is being
24 used against them. You made a decision. You

1 failed miserably tonight.

2 I find it almost comical that
3 you're in a position to make this decision.

4 When an attorney makes a mistake,
5 he's judged by attorneys. When a doctor makes
6 a mistake, he is judged by doctors. There
7 isn't one of you -- any one of you has walked
8 in my shoes. I've been a police officer for 37
9 years. Not one of you has done what I've done
10 for one day. Yet you're going to make a
11 decision on somebody's life.

12 It's pathetic. It's disgusting.
13 You have sent a message to police officers
14 tonight that is going to get somebody hurt or
15 somebody killed, because they're going to
16 hesitate because of your decision. And I hope
17 you can all sleep with that tonight. And I
18 hope you can all sleep with it when one of them
19 does get hurt or get killed.

20 I really hope you're proud of
21 yourselves tonight because all of you should be
22 ashamed of yourselves.

23 (AUDIENCE SHOUTING.)

24 PRESIDENT FOREMAN: Order. Order. Order.

1 Order. So let's have order. Let's have order.

2 Everyone has the ability to express how they
3 feel.

4 We have copies of the order
5 available. So for those who care to really
6 read about how we made a decision, please look
7 into it. Come back next month, tell us, once
8 again, how you feel, but after you've had an
9 opportunity to read how we came up with the
10 decision.

11 Next speaker, Patrick J. Murray.

12 MR. MURRAY: The first thing, my name is
13 Pat Murray. I've been a police officer for 29
14 years on this job. I've worked in some-high
15 crime areas. I've made arrests on Christmas
16 Eve. Mr. Aguilar speaks the truth, so does
17 Kevin, so does the Alderman. I'm speaking to
18 you guys for two minutes. Robert Rialmo had
19 two seconds to make a decision. And you guys,
20 unfortunately, look at what he did when you
21 should look at the person charging out of the
22 house with a baseball bat at 4:00 in the
23 morning. That's the problem.

24 This kid was given up by his

1 mother. Okay? She returned. He had problems
2 in school. He was kicked out of school. He
3 had mental issues. Okay? He went back to his
4 actual-born father because his mother couldn't
5 take care of him. And the father called and
6 said, My son's out here and he is going to kill
7 me with a baseball bat. It's 4:00 o'clock on
8 Christmas night. Okay?

9 (AUDIENCE SHOUTING.)

10 PRESIDENT FOREMAN: Order. Order. Order.

11 MR. MURRAY: So every time I come here --
12 unfortunately, every time I come here, I always
13 have people yelling and screaming. Okay?

14 Officer Rialmo had a right to
15 defend himself. All right? He responded to
16 that call. The only decision that he had was
17 to use his weapon. Okay? Because of this,
18 this Board made a decision to fire him. What
19 you're saying he is negligent.

20 I'll tell you, I've had people
21 come at me with a knife. All you see is that
22 knife. This guy came out of a house with a
23 baseball bat at 4:30 in the morning, swung
24 twice at his head attempting to kill him. You

1 had no other option to use deadly force.

2 Unfortunately, Bettie Jones was
3 behind him. He didn't see her, because, you
4 know what, all you see is that baseball bat
5 coming at your head.

6 It's easy to sit back and judge
7 two or three years later. Okay?

8 Conner versus Graham says that a
9 reasonable officer on the scene would have done
10 the same thing.

11 Until you guys ride in a car -- I
12 agree with the Alderman. Go to Englewood. Go
13 to Harrison --

14 PRESIDENT FOREMAN: Thank you.

15 MR. MURRAY: Bottom line is, you guys made
16 a terrible decision. One last thing --

17 PRESIDENT FOREMAN: Time's up. Mark Preib.

18 (AUDIENCE SHOUTING.)

19 PRESIDENT FOREMAN: Order. Order. Order.

20 MR. PREIB: You know who I am. And start
21 the clock because you're quick on me.

22 I could go on about how --
23 absolutely injustice to police officers once
24 again by this sham of an organization that

1 should be immediately disbanded and an
2 arbitration process set in.

3 But Brother Aguilar said it well.
4 A lot of people are going to get hurt. A lot
5 of people are going to get -- some people are
6 going to get killed, maybe even police
7 officers, because of this Board.

8 What's happening in Chicago and
9 what your impression of against the police and
10 all criminal cases are moving -- the judgment
11 is moving out of the courtroom into trumped-up
12 bodies like this one.

13 You have a lot of nerve to say we
14 should read your report. Many of us sat
15 through the hearings. Many of us were in
16 contact with our attorney. We're familiar with
17 every aspect of the case. Probably even more
18 than you. And we know what this is all about.

19 So this Board is a -- so,
20 Mr. Foreman, you say you read the report. I've
21 watched this board for a long time, and you're
22 turning your back on all the evidence of false
23 allegations against the police and the cottage
24 industry is doing to the police.

1 I believe you had your mind made
2 up long before any evidence came forward.

3 And I think the record when one
4 looks at the evidence in these cases is very
5 clear that that's what you do, Mr. Foreman.
6 And I believe every police officer -- not every
7 one, most police officers believe that. And
8 that's why I think this is such a despicable,
9 depraved and cowardly decision.

10 PRESIDENT FOREMAN: Once again, I encourage
11 you to read our -- I will encourage you to read
12 the findings.

13 Next speaker Crista Noel.

14 MS. NOEL: Good evening, everyone. Eddie,
15 don't let this job kill you, man. We need you.

16 The family was supposed to be
17 here, but they wanted me to read this, if you
18 don't mind. You've heard it before.

19 I speak here tonight -- this was
20 said by Anthony Jones, the son of Bettie Jones.
21 I speak here tonight on behalf of Bettie Jones'
22 family and friends. The family says that
23 they're still struggling with the loss of their
24 mother. No amount of words or even a word can

1 explain the pain that they're enduring on a
2 daily basis. The saying laughing to stop from
3 crying is an understatement that they find
4 themselves facing continuously. Hearing about
5 Mr. Rialmo and his unjustified actions he took
6 on the night of her death has become so
7 repetitive that it's like removing a scab off a
8 sore that's trying to heal.

9 All we ask of you Board members
10 here tonight is to give us some type of justice
11 by firing Mr. Rialmo and doing so in a timely
12 manner.

13 We are not asking for you guys to
14 be biased towards him or looking for favor or
15 sympathy from you, but what we are looking for
16 is for the truth to prevail, and what that
17 looks like and what that sounds like is simply
18 justice for our mother, Bettie Jones.

19 So I say to you guys, thank you,
20 thank you, thank you.

21 PRESIDENT FOREMAN: I would encourage you
22 to read the findings.

23 Next speaker Darva Watkins. Next
24 speaker Jay Blue. Jay Blue.

1 Next speaker Kevin McManus.

2 MR. McMANUS: Good evening, folks. I am
3 here to speak on the potential solution of the
4 arbitration for Officer Thomas Walsh.

5 First of all, I'd like to thank
6 you, Pastor Frazier, for bringing facts to our
7 police chief; however, I do have some facts of
8 my own, and this dates back to when I was
9 living in a park in 2008 when I first met Tom
10 Walsh. I initially approached him and his
11 previous commander, then District 23 Commander
12 Kathleen Bohmer, about potential community
13 relations between black LGBT youth and her
14 command staff.

15 When Tommy found out I was living
16 in a park, he literally took whatever amount of
17 money out of his wallet and drove me to a motel
18 and paid for a motel room for a week.

19 Now, for a white Irish cop to do
20 this for a black bisexual man who was living in
21 a park, two demographics literally conflicting
22 for centuries, said something huge to me. Said
23 something magnificent to me. Did he get me out
24 of the park? No, I got me out of the park;

1 however, Tommy continued to prove his
2 commitment to his community of people, of all
3 communities, especially when he had played on
4 the police youth volleyball team where most of
5 the youth were black African American LGBT
6 young people. Wasn't any good. He was the
7 only person who was sweating profusely on that
8 court, however he came, he played. He
9 entertained us, he entertained himself, and he
10 enjoyed the camaraderie of his fellow man,
11 whether black, white, copper-skinned or
12 purple-skinned.

13 So I just wanted to thank you for
14 having me here today, and I wish you all a good
15 night.

16 PRESIDENT FOREMAN: Thank you. Next
17 speaker, Roy Mancaros.

18 MR. MANCAROS: I'm going to read fast
19 because I have a lot and I only have two
20 minutes.

21 I come today to tell you a story
22 about car 2344 and the officer that drove it.
23 I met this officer around 2007/2008 as a youth
24 experiencing street-based homelessness. Little

1 did I know that this officer ten years later
2 would be a mentor and a friend. When this
3 officer would see me on the streets of
4 Boystown, he would always speak, check on me
5 and sometimes buy me food and a soda. But most
6 importantly, he would treat me like a person.
7 Not just me, but all street youth, especially
8 black and brown youth. Though I'm a
9 white-presenting Latino, when you are homeless,
10 you become labeled and judged by most people,
11 but not by this officer.

12 The officer who played an
13 important role in me getting my life together,
14 having five years of sobriety and becoming a
15 productive member of this society would be
16 Officer Thomas J. Walsh of the 19th District.

17 I attended this meeting last
18 month and heard folks in here telling the Board
19 and Superintendent that Officer Walsh is a
20 racist, anger-fueled officer, and that's just
21 not true.

22 Six years ago Officer Walsh would
23 make a horrible and harmful mistake inside of a
24 Boystown bar breaking up a fight.

1 The language that Officer Walsh
2 used that night was inexcusable and
3 unacceptable.

4 I would like to say from the very
5 beginning, Officer Walsh has taken
6 accountability, owned his mistakes and admitted
7 to IPRA and COPA that the language he used that
8 night was very harmful.

9 I would also ask everyone in this
10 room to ask if you've navigated your adult life
11 and never said something that has been harmful
12 to another person or that you've regretted
13 later.

14 Officer Walsh is not asking to go
15 unpunished because he notes his words and
16 language that night were harmful. But 60 days?
17 That's a bit excessive.

18 Officer Walsh is asking for a
19 fair shake in consequences. Officer Walsh is
20 not a racist. He is not an anger-fueled
21 officer. He is an officer that has helped
22 many, many people of color in the 19th and the
23 23rd District. Thank you.

24 PRESIDENT FOREMAN: Thank you. Next

1 speaker, Nicholas Wingo.

2 MR. WINGO: Hello. How you doing,
3 everybody? Good evening. My name is Nicholas
4 Wingo. Came to speak on behalf of Thomas
5 Walsh. I was stuck in -- I'm a little bit
6 nervous speaking on behalf of Thomas, but
7 Thomas Walsh is a food guy. He's been working
8 in the 19th District for a long time helping
9 out a lot of people in the community,
10 throughout the City of Chicago. I was stuck in
11 the Dominican Republic, and he gave me his
12 business card. I had nobody to call. I'm
13 African American. If he was a racist guy, he
14 would not help me out. He helped me out from
15 the Dominican Republic when I was stuck there.
16 Didn't have no money to get back. I called
17 him. He said, Where you at? He checked to
18 make sure I was okay. Made sure nobody was
19 harming me. He called the hotel. He went way
20 beyond his job. And that says a lot about a
21 person. A racist person would never do
22 something like that.

23 We all have made mistakes in our
24 lives, and we constantly will make mistakes in

1 our lives. But the thing is, he is moving
2 forward and trying to do better, and Thomas
3 Walsh has definitely proved that continuously
4 throughout the years of his life.

5 And for a one-second incident to
6 affect his whole entire life is beyond all of
7 us. It should not be -- that one second should
8 not make his whole life horrible. He
9 apologized for it. I know he's trying his best
10 to do better now.

11 Throughout the time that I have
12 known him, he has helped out a lot of people.
13 I think he continually will help out a lot of
14 people.

15 I'm asking you all to take time
16 out and just give him an opportunity and a
17 chance to make things better. Thank you, guys.

18 PRESIDENT FOREMAN: Thank you.

19 Next speaker, Steven Hayman.

20 MR. HAYMAN: Good evening. My name is
21 Steven Hayman, a/k/a Smiley. I've been knowing
22 Tommie Walsh for ten years.

23 When I got the message that you
24 all tried to say he was a racist, no, I will

1 not allow you to say he is a racist.

2 Tommie Walsh helped me out in so
3 many ways. He gave me money, he fed me, he
4 looked out for me. Just the beginning of this
5 month he paid my phone bill. When my check was
6 very low, he looked out for me every time.
7 Just two weeks ago we just went out to lunch
8 together at the restaurant I work at called
9 Sutters Diner in Boystown.

10 He never been a racist. If he
11 was a racist, he wouldn't even help nobody. He
12 help everybody from Boystown to Lakeview, from
13 everywhere around there.

14 You cannot say he is a racist.
15 He is far from a racist. Because he won't not
16 help nobody out there. Because a lot of black
17 guys in that area and he helped them. He
18 helped people in so many ways. And for them to
19 say, Oh, Tom Walsh is a racist, no, I will not
20 allow that. I'm not going to buy that under
21 any circumstances. Because, really, in my
22 heart when I got the message, that's like my
23 heart is pumping right now. No, I will not
24 accept that in any type of way. I refuse to

1 let you tell me that he is a racist, because if
2 he was a racist, he wouldn't help no African
3 American in that community.

4 There's a lot of homeless people
5 in that community, and he helped some people,
6 put his hand out. He will break his neck to
7 help people. Broke his neck to help me when I
8 was down and out. He helped me -- he broke his
9 neck to help me. When I got into a situation
10 with a person on the street, he grabbed me and
11 said, Hey, Smiley, come here and talk to me. I
12 talked to him. Next thing you know, I leave
13 the scene and go home.

14 All that other stuff you all
15 talking, I'm not on the subject, and I'm not
16 buying it. And we will solve this.

17 PRESIDENT FOREMAN: Debbie McBound. Debbie
18 McBound.

19 Kevin Klena.

20 MR. KLENA: Hi. My name is Kevin Klena,
21 and I work with Tom Walsh. We work in the 19th
22 District together. And I'm here on his behalf
23 because, as far as I know, Tom Walsh is a good
24 guy, a good person. He's friendly. He's not

1 partial like he's being painted. And that's
2 the only reason I'm here. I'm here to speak on
3 his behalf and say that he is a person of good
4 character. And if I had to do it all over
5 again, if he had to ask me to come again, I'd
6 come again each time. Okay? Take care.

7 PRESIDENT FOREMAN: Thank you. David
8 Dewar.

9 MR. DEWAR: Good evening. My name is David
10 Dewar. I'm from the 19th Ward, 22nd District.
11 And I did run for alderman.
12 DavidDewarforalderman.com.

13 I do support good policing.
14 Eddie, I hope you are in good health. God
15 bless you. My case is -- I have a case
16 16CV2287. I was here the last couple of
17 months. It's a false arrest. I'm going to a
18 jury trial on December 2nd. Where I'm
19 frustrated is there was a false police report,
20 which I showed you, against the police
21 officers. That was in the year 2014 where I
22 was falsely arrested. Here is a CR report of
23 the two arresting officers. One of them was
24 asked a question by the investigator if they

1 filed a false police report, they understood
2 they would be terminated, they said yes. And
3 what did they do? They filed a false police
4 report in 2014. The following year in 2015,
5 the police came over and stayed 30 minutes for
6 a basketball and looking to arrest me again.
7 Pattern.

8 In my case, 16CV2287, docket
9 entry 85 and 96 shows that the 22nd District
10 covered for them. This is where I'm concerned.
11 The Chicago Police certification research form,
12 they did not put the CV number and the RD
13 numbers because they switched everything. Very
14 concerning to see these patterns within the
15 Department.

16 So I'm here to say hopefully
17 within the consent decree there could be this
18 watchful eye where the Department, the desk
19 sergeant, the supervisor, the watch commander
20 does not cover for these officers.

21 There are good officers, but the
22 ones that are not should not be covered by the
23 Department.

24 Last thing is here is the mission

1 statement to fulfill our mission drive to
2 attain the highest degree of ethical behavior
3 and conduct at all times. That was not
4 accomplished in my case by no means. And it
5 says here false -- bogus, false police reports
6 cause real harm. Unfortunately, that was the
7 case with me.

8 So as you guys look at these
9 different cases, hopefully this doesn't happen
10 to other people as it has occurred to me.
11 Thank you.

12 PRESIDENT FOREMAN: Thank you. Israel
13 Johnson.

14 MR. JOHNSON: Hello, hello. Serious matter
15 at hand, but I'm here to speak on behalf of
16 Thomas Walsh. When I met Thomas Walsh, I was
17 beating on buckets in front of Cubs stadium.
18 You know what I'm saying? And hanging out with
19 my homies from the low end, you know. What up?
20 All and all, he didn't take me to jail for
21 soliciting and being out there scalping tickets
22 and stuff like that, because I wasn't doing
23 those things. I was just beating on buckets.
24 But most cops, that's what they were trying to

1 insinuate. He looked at me as a black man that
2 was just trying to survive at the time.

3 Ever since then, my creativity
4 from the people that I've met through him has
5 changed. I'm a contractor now. I spent time
6 in the penitentiary. And the people that I
7 know through him helped me stabilize my mind.
8 So I became somebody when I got out. I'm
9 certified. I'm a safety supervisor. I'm an
10 established man. This man cannot be a racist.

11 Now, whatever happened, people
12 get heated. People, they sometimes say things
13 that they don't mean. But him being a racist,
14 I can't see that.

15 Like I said, I was beating on
16 buckets. Young dread-head, blowing them back.
17 They coming back. But I'm just saying he can't
18 be no racist. It is more important matters
19 than him saying something because he got mad.
20 You got these people right here and these
21 people right here and they coming at each other
22 because we need peace. We need peace instead
23 of -- you know, we need peace and order.
24 That's what we need. But that's not -- this

1 should not be a topic. That's all I want to
2 say.

3 PRESIDENT FOREMAN: Thank you. Next
4 speaker, Octavia Mitchell.

5 MS. MITCHELL: Good evening. Hi,
6 Superintendent. I have a question for you.
7 Can you please answer me? From September the
8 27th, I spoke with you on the phone, and you
9 stated to me that Illinois State Police
10 Department do not have to test the DNA from my
11 son from -- where Chicago police officer shot
12 him three times in the back and murdered him.
13 You stated to me that the Illinois State Police
14 is their choice to test that DNA.

15 Were you aware then that the
16 Illinois State Police had already transferred
17 my son's DNA somewhere else without my
18 permission? And were you aware in July it was
19 transferred to an unknown -- what I'm trying to
20 find out, who is it that tested my son's DNA?
21 Because no one notified me or my attorney that
22 it was even being transferred. No one even
23 notified me that it had been tested. But I
24 spoke with you in September -- on September the

1 27th. It had already been transferred in July.

2 Were you aware of that?

3 SUPERINTENDENT JOHNSON: No, I was not,
4 ma'am. You know, I don't know the rules and
5 regulations for the Illinois State Police.

6 MS. MITCHELL: I've been asking you all for
7 how many months what's going on with this DNA.
8 COPA has sat here and told me they hadn't heard
9 anything and the CPD told me they hadn't heard
10 anything. When did -- so telling me that the
11 Illinois State Police never told you all that
12 they were transferring this DNA, they did it on
13 they own?

14 MS. ROBERTS: Ms. Mitchell, we're meeting
15 tomorrow, right?

16 MS. MITCHELL: Yes, we are. But I've been
17 asking this question for so long, why couldn't
18 somebody just tell me like we spoke before when
19 the DNA was being sent to the ISP? You all
20 asked me and my attorney was it okay. Why
21 wasn't me and my attorney notified to see was
22 it okay for the -- to be transferred again?

23 MS. ROBERTS: Ms. Mitchell, when we meet
24 with you tomorrow with you and your attorney,

1 we will be able to answer all your questions.

2 MS. MITCHELL: Mr. Eddie Johnson, can you
3 explain why the ISP don't have to test
4 something?

5 PRESIDENT FOREMAN: I'm sorry. Your time
6 is up. Thank you.

7 The next speaker, George
8 Blakemore.

9 MR. BLAKEMORE: Good afternoon. Good
10 afternoon. To our citizens, institutional
11 racism. Every one of these white people came
12 up and said that they do not agree with the
13 Police Board. I didn't see one black that came
14 up to say that they didn't believe the decision
15 of the Police Board. Institutional racism.
16 And the policemen are scared of the black
17 people they say. They say. So my dream is
18 that these white policemen would not police
19 black areas. Black men and women. That's my
20 dream. Also, that the police department, I
21 hope each one of you advocate for black people
22 to be working high crime. You have an
23 opportunity, you, you, you, and all of you.
24 When it came out this (inaudible) thing, not

1 one black got a contract. That's the way
2 Pookie and Ray Ray can make some money. But
3 you locked them up. So think out of the box.
4 Black people should be employed. Employed.
5 Economic developments in our community. We're
6 entitled to this. It's all black labor and
7 white wealth. We were brought over as slaves
8 for you white folks and we still on the
9 plantation and you say, Get an education. Work
10 your way up. You didn't work your way up when
11 you brought us over here. And we still on the
12 plantation. So all that policemen, what's
13 going on? Institutional racism. Now we not
14 going to put it on the back of these white
15 policemen. It's the system, the fabric of
16 America, institutional slavery. This is just
17 one part. The schools are racist.

18 PRESIDENT FOREMAN: Next speaker is Robert
19 More.

20 MR. BLAKEMORE: Can I talk about my
21 problems with the police department? And I
22 rather talk about racism.

23 MR. MORE: It is October 7th, 2019. Robert
24 J. More speaking on behalf of the institute of

1 St. Michael the Archangel executive committee.
2 I just got hit by a paintball at 4:50 in the
3 afternoon or 4:00 by a drive-by shooter. I got
4 the evidence here. I got to get a police
5 report.

6 But, really, I've been coming to
7 these meetings now for 13 years. The solution
8 is in the Summa Theologica. St. Thomas refers
9 to there's two types of humans, two types of
10 men. One of those type is people who are
11 sufficiently inclined to good. They don't need
12 any external law. I don't need any external
13 law to keep me from not -- to keep me from
14 committing crimes. I'm committed to
15 accommodating all legitimate rights.

16 The solution to these problems is
17 to get the criminality -- all these criminal
18 laws, these mal prohibita laws declared to be
19 unconstitutional as applied.

20 I sent a copy of that document to
21 you, Mr. Superintendent, for myself and
22 similarly situated people, whatever component
23 population that is, so we no longer have the
24 standing armies between us and the members of

1 the Committee of 300 and the upper-level slave
2 tier, slave master class individuals, who push
3 the buttons and pull the strings. The gigantic
4 precipitous cause of all these problems is the
5 Rothschild influence and the influence of the
6 members of other nine families. Read the
7 abomination known as the (inaudible).

8 First thing I got to say, I got
9 to intervene this. There is reports that in
10 January of 2020, martial law is going to be
11 declared in the City of Chicago. So I got to
12 get that issue onto the table so that people
13 can start screaming bloody murder so that won't
14 happen. But that is likely to happen.

15 I got another issue. I never
16 meant to say I was especially targeted. I'm a
17 specifically targeted individual.

18 There's no one on the face of the
19 earth who is less important than me, less
20 prominent, less capable, less talented, but
21 that doesn't mean a person won't end up too
22 close to the mother lode. And when a person
23 ends up too close to the mother lode, which is
24 the Rothschild's interest, those people got to

1 look out for it, because it's coming for them
2 sooner or later. You can't become so
3 unimportant that you're not going to get
4 eliminated. Am I already up, 120 seconds? Out
5 of time.

6 PRESIDENT FOREMAN: At this time, all
7 members of the public who signed up in advance
8 to speak have been called. Is there a motion
9 to adjourn?

10 BOARD MEMBER SWEENEY: So moved.

11 BOARD MEMBER EADDY: Second.

12 PRESIDENT FOREMAN: All in favor?

13 (CHORUS OF AYES.)

14 PRESIDENT FOREMAN: Thank you.
