### Independent Auditor's Report

To the Commissioners of  
Special Service Area 17  
Managed by Lakeview East Chamber of Commerce

#### ***Opinion***

We have audited the accompanying financial statements of Special Service Area 17, (SSA17) (a taxing district authorized by the City of Chicago) which comprise the SSA17 basic financial statements as listed in the table of contents as of and for the years ended December 31, 2022 and 2021, and the related notes to the financial statements. In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of SSA17 as of December 31, 2022 and 2021, and the changes in its fund balance/net position for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis of Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SSA17 and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SSA17's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we: Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SSA17's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SSA17's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Other Matters***

***Required Supplementary Information***

Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of revenues and expenditures - budget and actual on page 11 and 12, are presented for comparison and analysis purposes only. The supplementary information is not a required part of the basic financial statements. We have not performed any auditing procedures on the budget amounts and therefore, express no opinion on them.

NOTE 1 – Organization and Nature

Nature of Activities and Reporting Entity

Special Service Area 17 is a taxing district authorized by City of Chicago located in Chicago, Illinois. Its scope of services is to fund various activities to improve and enhance the Lakeview East commercial district. The SSA is funded by property tax levied on properties within the SSA boundaries, which are collected by the Cook County Treasurer, and then distributed by the City of Chicago to the SSA.

Special Service Area 17 is governed by a Commission whose members are appointed by the Mayor of Chicago. The City of Chicago contracted with Lakeview East Chamber of Commerce to perform administrative duties as the service provider for this SSA during the reporting period. Lakeview East Chamber of Commerce (the Chamber) is an Illinois not-for-profit corporation, exempt from federal taxes under Section 501c(6) of the Internal Revenue Code.

Special Service Area 17 boundaries are defined as follows: both sides of Sheffield from the north side of Diversey to the south side of Irving Park, Diversey on the north side only from 916 W. Diversey to 1012 W. Diversey, Clark Street from Fletcher to Irving Park, Belmont from Halsted to Racine, Addison from 835 W Addison to 1117 W. Addison, and the south side of Irving Park from the east side of Clark Street up to and including the parking lot just east of Fremont. The expansion areas are the south side of Irving Park from the east side of Clark Street up to and including the parking lot just east of Fremont, Sheffield south of Irving Park to just north of Waveland, Diversey on the north side only from 1012 W. Diversey to 916 W. Diversey and Addison from 1117 W. Addison to Reta. Special Services authorized in the establishment ordinance include, but not limited to: recruitment and promotion of new businesses in the area, rehabilitation activities, maintenance and beautification activities, new construction, security, coordination of promotional and advertising activities, strategic planning for the area, and other technical assistance activities to promote commercial and economic development.

NOTE 2 – Summary of Significant Accounting Policies

a. Governmental-Wide and Fund Financial Statements

The financial statements of the SSA have been prepared in conformity with accounting principles generally accepted in the United States of America as applied to governmental units, hereinafter referred to as GAAP (generally accepted accounting principles). The accepted standard-setting body for establishing governmental accounting and financial reporting principles is GASB (the Governmental Accounting Standards Board).

Government-wide financial statements (statement of net position and statement of activities) are prepared using the economic resources measurement focus and the accrual basis of accounting for all of the SSA's activities. The fund financial statements, which focus on the SSA's governmental funds current financial resources measurement focus, are prepared on the modified accrual basis.

The SSA accounts for its activities in one fund, its general fund.

b. Measurement focus, basis of accounting and financial statement presentation

The government-wide financial statements are reported using the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year in which they are levied. The governmental fund financial statements are prepared on the modified accrual basis of accounting with only current assets and liabilities included on the balance sheet. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual, i.e., both measurable and available to finance expenditures of the current period. Available means collected within the current period or soon enough thereafter to be used to pay liabilities of the current period. Property taxes are susceptible to accrual and recognized as a receivable in the year levied. Revenue recognition is deferred unless the taxes are received within 60 days subsequent to year-end. Expenditures are recorded when the liability is incurred.

NOTE 2 – Summary of Significant Accounting Policies – (Continued)

c. Measurement focus, basis of accounting and financial statement presentation  
– (Continued)

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures/expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Assets, Liabilities and Net Position

Cash and Cash Equivalents

The SSA's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition. The SSA maintains its cash account in what it believes is a high-quality bank. Nevertheless, there is exposure when the balance exceeds the federally insured limits. The SSA does not believe that it is exposed to any significant credit risk related to its cash balance.

Receivables

All property tax receivables are shown net of allowance. As of December 31, 2022, and 2021, the allowance is estimated between 1% and 3% of the outstanding property taxes, respectively.

Fund Equity/Net Position

Governmental fund equity is classified as fund balance. Fund balance is further classified as non-spendable, restricted, committed, assigned, or unassigned. Non-spendable fund balance cannot be spent because of its form. Restricted fund balance has limitations imposed by enabling legislation or an outside party. Committed fund balance is a limitation imposed by the SSA board through approval of resolutions. Assigned fund balances is a limitation imposed by a designee of the SSA board.

---

NOTE 2 – Summary of Significant Accounting Policies – (Continued)

Unassigned fund balance is the net resources in excess of what can be properly classified in one of the above four categories. When both restricted and unrestricted fund balances are available for use, it is the SSA's policy to use restricted fund balance first, then unrestricted fund balance. Furthermore, committed fund balance is reduced first, followed by assigned amounts, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of those unrestricted fund balance classifications can be used. For the government-wide financial statements, net position is reported as invested in capital assets net of related debt, restricted or unrestricted. Invested in capital assets, net of related debt, if applicable, is comprised of the net capital asset balance less, any related debt. Restricted net position is when restrictions are placed on net assets from 1) externally imposed by creditors, grantors, contributors, or laws or regulations of other governments or 2) imposed by law through constitutional provisions or enabling legislation. The remaining net position is classified as unrestricted.

Subsequent Events

Subsequent events have been evaluated through April 26, 2023, which is the date the financial statements were available to be issued.

NOTE 3 – Cash and Cash Equivalents

SSA 17 maintains its cash balance in a financial institution located in Chicago, IL. The balance is insured by the Federal Deposit Insurance Corporation up to \$250,000. The SSA's cash balance may have exceeded the insurance level from time to time during the year ending December 31, 2022 and 2021

NOTE 4 – Deferred Inflows of Revenue

A deferred inflow of property tax revenue represents an acquisition of fund balance that applies to a future period and therefore will not be recognized as an inflow of revenue until that future time.

**Special Service Area 17**  
**Managed by Lakeview East Chamber of Commerce**  
**Notes to Financial Statements**

---

NOTE 5 – Property Taxes

Property taxes become an enforceable lien on real property on January 1 of the year it is levied. Taxes are payable in two installments in the subsequent year. The first installment is an estimate based on the prior year billed levy (55%) and is due in March. The second installment is due on August 1, or 30 days from the mailing of the tax bills if issued later than July 1. The second installment is based on the remaining amount of the levy on file with the County. Bills are issued and collected by Cook County who remits the SSA's share to the City who then remits the monies to the SSA.

NOTE 6 – Accounts Payable

Accounts payable balance at December 31, 2022 and 2021, is \$13,602 and \$8,281, respectively. These balances consist of expenses and services received during the respective year paid in the subsequent year.

NOTE 7 – Fund Equity / Net Position

The SSA is required to present information regarding its financial position and activities according to the Agreement for Special Service Area 17 between the City of Chicago and Lakeview East Chamber of Commerce. As of December 31, 2022, and 2021, the SSA had carryover fund balances of \$257,754 and \$255,849, respectively. These funds will be utilized in this special service area during future years.

NOTE 8 – Related Party Transactions and Due to Lakeview East Chamber

SSA 17 is affiliated with Lakeview East Chamber of Commerce as its service provider. Special Service Area 17 shares office space, equipment, and employees through this affiliation. Special Service Area 17 has no employees of their own, but reimburses Lakeview East Chamber of Commerce for payroll and related costs of the individuals working on the SSA programs. It also reimburses Lakeview East Chamber of Commerce for a portion of its operating expenses, rent and utilities. At December 31, 2022 and 2021, due to Lakeview East Chamber is \$95,063 and \$25,008, respectively.

**Special Service Area 17**

---

NOTE 9 – Risks and Uncertainties

COVID-19, a worldwide pandemic, has continued to present significant effects on global markets, supply chains, businesses, and communities. Specific to the SSA, COVID-19 may impact various parts of its 2022 operations and financial results, including potential reduction and delays in the collectability of property tax levies.

Management believes the SSA is taking appropriate actions to mitigate the negative impact. However, the full impact of COVID-19 outbreak continues as of the date the SSA's financial statements were issued. Given the uncertainty related to the pandemic, the SSA is not able to estimate the effects of the COVID-19 outbreak on its operations, financial condition and liquidity for the year ended December 31, 2023.

Summary Schedule of Findings

As part of our audit and request by the Special Service Area Annual Audited Financial and Accounting Guide, prepared by the City of Chicago Department of Planning and Development, we have read and understand the requirements contained in the Agreement for Special Service Area 17, between the City of Chicago and Lakeview East Chamber of Commerce.

The auditor's report expresses an unmodified opinion on the financial statements of Lakeview East Chamber of Commerce Special Service Area 17, for the year ended December 31, 2022. No significant deficiencies or material weaknesses were disclosed during the audit of the financial statements.

CURRENT YEAR FINDING

We noted that the carryover of unspent funds from 2022 to 2023 are in excess of 25% of the 2022 budget.

We noted one expenditure category for which actual expense exceed budgeted amount.

MANAGEMENT RESPONSE:

The Commission and management will focus diligently on reducing the carryover in 2023, so as to be under the 25% limitation, as well as keeping expenditures within the budget.

PRIOR YEAR FINDING

We noted that the carryover of unspent funds from 2021 to 2022 are in excess of 25% of the 2021 budget.

MANAGEMENT RESPONSE:

The Commission and management will focus diligently on reducing the carryover in 2022, so as to be under the 25% limitation.
