The Organization was formed to revitalize the 95<sup>th</sup> Street Beverly Hills business district. The Organization is located within the boundaries of the City of Chicago.

**Basis of Presentation**

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 226, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 116, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets. Cash and cash equivalents is defined as short term liquid investments such as cash in banks, money markets, and other financial instruments that can be reduced to cash in thirty days or less. The Organization maintains its cash in bank accounts, which, at times, may exceed the federally insured limits. The Organization has not experienced any losses in such accounts. The Organization believes it is not exposed to any significant credit risk on cash and cash equivalents. The Organization has established a separate checking account at the Suburban Bank & Trust in Chicago, Illinois and all tax revenue funds are automatically deposited into this checking account. **Revenue Recognition**

The Organization's financial statements are presented on the accrual basis of accounting. Revenues are recognized when the amount can be readily estimated or committed, and the payment is reasonably certain. Expenses are recorded when incurred. Accounts receivable represent amounts earned, but not received at year end.
