I. All of the Project Site lies wholly within the boundaries of the Near South Redevelopment Area (as hereinafter defined).

J. To induce certain redevelopment pursuant to the Act, the City Council adopted the following ordinances on November 28, 1990, and published in the Journal of Proceedings of the City Council of the City of Chicago (the “Journal”) for such date at pages 25969 to 26047: (1) An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the Central Station Redevelopment Project Area; (2) An Ordinance of the City of Chicago, Illinois

L. The TIF Ordinances contemplate that tax increment financing assistance would be provided for public improvements, such as the Project, within the boundaries of the Near South Redevelopment Area.

M. The Park District is a taxing district under the Act.

**NOW, THEREFORE,** in consideration of the mutual covenants and agreements contained herein, the above recitals which are made a contractual part of this Agreement, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

### TERMS AND CONDITIONS

#### **SECTION 1. THE PROJECT.**

1.1 The Park District will purchase the City Property in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto, including but not limited to 70 ILCS 1505/0.01 et seq. Upon the City's request, the Park District shall provide evidence satisfactory to the City of such compliance

1.2 No later than 6 months after the Closing Date, or later as the Commissioner of DPD (the "Commissioner") may agree in writing, the Park District shall let one or more contracts for the construction and/or development of the Project in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

1.3 The Project shall at a minimum meet the requirements set forth in the Project Description in Exhibit C attached hereto and hereby made a part hereof, and comply with plans and specifications to be provided to and approved by DPD prior to the commencement of the Project ("Plans and Specifications") in order for the Park District to qualify for the disbursement of City Increment funds. No material deviation from the Plans and Specifications may be made without the prior written approval of the City. The Park District shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

1.4 The Park District shall also provide the City with copies, if any shall apply, of all governmental licenses and permits required to construct the Project and to use, occupy and operate the Project Site as a public park from all appropriate governmental authorities,

1.5 The Park District shall include a certification of compliance with the requirements of Sections 1.2, 1.3, and 1.4 hereof with each request for City Increment funds hereunder and at the time the Project is completed. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Park District shall provide evidence satisfactory to the City of such compliance.

**SECTION 2. FUNDING.**

2.1. The City shall, subject to the Park District's satisfaction of the conditions precedent for disbursement described in this Section 2 and such other conditions contained in this Agreement, disburse the Project Assistance to the Park District.

2.2. The Park District may request that a certificate(s) of expenditure in the form of Exhibit D attached hereto and hereby made a part hereof ("Certificates of Expenditure") be processed and executed periodically. The City shall not execute Certificates of Expenditure in the aggregate in excess of the actual costs of the Project that are TIF-Funded improvements. Prior to each execution of a Certificate of Expenditure by the City, the Park District shall submit documentation regarding the applicable expenditures to DPD. Delivery by the Park District to DPD of any request for execution by the City of a Certificate of Expenditure hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that:

- (a) the total amount of the request for the Certificate of Expenditure represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;
- (b) all amounts shown as previous payments on the current request for a Certificate of Expenditure have been paid to the parties entitled to such payment;
- (c) the Park District has approved all work and materials for the current request for a Certificate of Expenditure, and such work and materials conform to the Plans and Specifications previously approved by DPD; and
- (d) the Park District is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

2.3. The City shall have the right, in its discretion, to require the Park District to submit further documentation as the City may require in order to verify that the matters certified to in Section 2.2 are true and correct, and any execution of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Park District.

2.4. The current estimate of the cost of the Project is \$2,650,000. The Park District has delivered to the Commissioner a project budget for the Project attached as Exhibit E attached hereto and hereby made a part hereof. The Park District certifies that it has identified sources of funds (including the Project Assistance) sufficient to complete the Project. The Park District agrees that the City will only contribute the Project Assistance to the Project and that all costs of completing the Project, including, but not limited to, costs relating to the Project Site, over the Project Assistance shall be the sole responsibility of the Park District. If the Park District at any point does not have sufficient funds to complete the Project, the Park District shall so notify the City in writing, and the Park District may narrow the scope of the Project (the "Revised Project") as agreed with the City in order to complete the Revised Project with the available funds.

2.5. Exhibit E contains a preliminary list of capital improvements and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of the Project Assistance. To the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Park District acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the Plan. Prior to the expenditure of Project Assistance on the Project, the Commissioner, based upon the project budget, may make such modifications to Exhibit E as he or she wishes in his or her discretion to account for all of the Project Assistance to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the Act, (ii) qualify as eligible costs under the Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of Project Assistance, subject to the terms of this Agreement.

2.6. The Park District hereby acknowledges and agrees that the City's obligations hereunder with respect to the Project Assistance are subject in every respect to the availability of funds as described in and limited by this Section 2.6 and Section 2.1. If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements of the Project Assistance, then the City will notify the Park District in writing of that occurrence, and the City may terminate this Agreement on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for disbursement under this Agreement are exhausted.

2.7. If the aggregate cost of the Project is less than the amount of the Project Assistance contemplated by this Agreement, the Park District shall have no claim to the difference between the amount of the Project Assistance contemplated by this Agreement and the amount of the Project Assistance actually paid by the City to the Park District and expended by the Park District on the Project.

### SECTION 3. TERM, CONVEYANCE AND RIGHTS OF ENTRY.

3.1 The term of this Agreement shall commence on the Closing Date and shall expire on the date on which the Near South Redevelopment Area is no longer in effect, or on the date of termination of this Agreement according to its terms, whichever occurs first.

3.2 The Park District shall complete the construction and development of the Project within one (1) year following the Closing Date.

3.3 The City shall convey the City Property to the Park District by quitclaim deed for the sum of One Dollar (\$1.00) on such date and at such place as the parties may mutually agree to in writing, but in no event earlier than the Closing Date. The City shall prepare all necessary transfer documents and cause the conveyance of the parcels agreed to be transferred to the Park District. Without limiting the generality of the quitclaim nature of the City's deed, such conveyance and title shall, in addition to the provisions of this Agreement, be subject to:

- (a) the Redevelopment Project and Plan for the Near South Redevelopment Project Area;
- (b) the standard exceptions in an ALTA title insurance policy;

- (f) any liens thereon;
- (g) such other title defects as may exist; and
- (h) any and all exceptions caused by the acts of the Park District or its agents.

3.4 Subject to the terms and conditions set forth herein, the City hereby grants to the Park District a right of entry to the Property for the sole purpose of allowing the Park District to commence, manage, perform, and, after completion, but before conveyance of the Property from the City to the Park District, maintain the Project pursuant to this Agreement. The right of entry granted hereunder extends to, and the Park District shall be responsible for, its agents, employees, contractors, subcontractors and consultants. This right of entry is non-assignable.

3.5 The Park District agrees to notify the City at least five (5) days prior to commencing the Project. The Park District further agrees to notify the City promptly upon completing the Project. The Park District shall require its contractor to provide the City evidence of the types and amounts of insurance as shall be determined by the City and to indemnify the City against all liabilities resulting from the commencement, management, performance, and, after completion, but before conveyance of the Property from the City to the Park District, maintenance of the Project.

3.6 The City shall use reasonable efforts to obtain the waiver or release of any delinquent real estate taxes or tax liens on the City Property prior to the Closing Date, to the extent such taxes or tax liens can be waived or released through submission of an abatement letter to the Cook County Treasurer, a motion to vacate a tax sale or a petition for exemption, but shall have no further duties with respect to any such taxes. Furthermore, the Park District shall be responsible for all taxes accruing on the City Property after the Closing Date.

#### SECTION 4. ENVIRONMENTAL MATTERS AND "AS IS, WHERE IS" CONDITION.

4.1. The Park District shall, in its sole discretion, determine if any environmental remediation is necessary, and any such work that the Park District determines is necessary shall be performed using the Project Assistance funding provided herein. The City's financial obligation shall be limited to an amount not to exceed \$2,500,000 with respect to the matters contained in this Agreement, including this Section 4. The City makes no covenant, representation or warranty as to the environmental condition of the City Property or the suitability of the City Property as a park or for any use whatsoever.

4.2. The Park District agrees to carefully inspect the City Property prior to commencement of any remediation or development on the City Property to ensure that such activity shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The Park District shall be solely responsible for the safety and protection of the public. The City reserves the right to inspect the work being done on the City Property. The Park District agrees to keep the Project Site free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Park District.

4.3. The Park District or its contractor must obtain all necessary permits, and applicable insurance as described in Section 5 hereof.

4.4 In addition, the City Property shall be conveyed to the Park District in its "as is, where is" condition, with no warranty, express or implied, by the City as to the condition of the soil, its geology, or the presence of known or unknown faults. It shall be the sole responsibility of the Park District to investigate and determine the soil and environmental condition of the City Property. If the soil conditions are not in all respects entirely suitable for the use or uses to which the City Property is intended to be utilized for under this Agreement, then it shall be the sole responsibility and obligation of the Park District to take such action as may be necessary to place the soil and environmental condition of the City Property in a condition entirely suitable for the intended uses under this Agreement. After the City's conveyance of the City Property to the Park District, the Park District shall have no recourse whatsoever against the City under any Environmental Laws or any other laws, rules or regulations for the environmental, soil or other condition of the City Property. For purposes of the foregoing, "Environmental Laws" shall mean any and all federal, state or local statutes, laws, regulations, ordinances, codes, rules, orders, licenses, judgments, decrees or requirements relating to public health and safety and the environment now or hereafter in force, as amended and hereafter amended, including but not limited to (i) the Comprehensive Environmental Response, Compensation and Liability Act (42 U.S.C.
