**REGULATIONS GOVERNING THE ADMINISTRATION OF THE
CLASSIFICATION PLAN AND EMPLOYEE BENEFITS FOR
CLASSIFIED POSITIONS SET FORTH IN THE ANNUAL
APPROPRIATION ORDINANCE.**

A. Purpose.

These regulations contain provisions governing compensation administration, and benefits for all positions which are subject to control and regulation by and for which compensation is required to be fixed by the Mayor and the City Council of the City of Chicago.

B. Adoption And Definition Of The Compensation Plan.

(1) Adoption Of The Compensation Plan.

(a) The salary schedules, including a range of pay for each class grade as set forth in the Graded Position Salary Schedules for all City positions, except positions with single rates, and positions in the exempt offices not provided for in the salary schedules, shall constitute the compensation plan for the City employees in departments which are subject to the control of the Mayor and the City Council. The class grade for each class of positions in Schedule A as on file with the Department of Human Resources shall determine the salary range applicable to all positions of the class. The Title Bargaining Unit Table as on file with the Department of Human Resources shall determine the salary schedule applicable to bargaining unit and non-bargaining unit employees.

(b) The Commissioner of Human Resources will maintain complete class specifications including minimum education and/or experience requirements for all positions in the Technical Service Salary Plan. Before an employee may be appointed to a position in the Technical Service Salary Plan, he must be recommended by the appointing authority and his education and/or experience must be approved by the Commissioner of Human Resources as meeting the minimum requirements of the class specification.

The salary schedule for Physicians and Dentists shall be as set forth in Schedule M. Additional compensation may be paid to each Medical Specialist based on years of residency, Board Certification and supervisory responsibilities as set forth in the schedule.

(2) Salary Schedules.

Each salary range in the Graded Position Salary Schedules includes an entrance rate, intermediate rate and a top rate. Except as otherwise provided herein, the salary upon initial appointment to any position shall be at the entrance rate and advancement by successive steps from a specified salary rate to the next higher rate shall be made on the basis of satisfactory service for at least the periods specified in the schedules.

(3) Longevity Salary Schedule.

Each longevity salary range in the Graded Position Salary Schedules includes longevity pay rates. Advancement by successive steps to the next higher rate or rates shall be made on the basis of satisfactory continuous service for at least the periods specified in the schedules.

(4) Salary Schedules For Uniformed Firefighters And Sworn Police Personnel.

The Salary Schedules for Uniformed Fire Personnel and Sworn Police Personnel shall be as set forth in Schedules F, D and E.

(5) Salary Rates Based Upon Full-Time Employment.

The salary rates prescribed in the salary schedules are fixed on the basis of full-time service for normal workweeks of 35 to 40 hours, except as indicated otherwise for certain classes in Schedule A on file with the Department of Human Resources for positions which are professional, supervisory and executive in character, the normal workweeks of 35 to 40 hours generally apply, but the compensation is intended to be appropriate for the class regardless of variations in the time that may be required to satisfactorily fulfill the responsibilities of the positions.

(6) Computation Of Salaries Of Part-Time Employees.

Any employee who is employed on a part-time schedule shall be paid for hours actually worked at an appropriate hourly rate equivalent to the entrance salary rate of the position or the hourly rate set forth in the Annual Appropriation Ordinance at the number of hours set forth in the Annual Appropriation Ordinance.

(7) Continuity Of Service.

Service requirements for advancement within the salary ranges and for other purposes as specified in this resolution shall have the implication of continuous service with the City of Chicago, including the positions which are exempt from the jurisdiction of the Commissioner of Human Resources. This means continuously paid employment without a break in service. A break in service occurs when an employee quits, is discharged, retires, does not actively work for the City for 12 months (except for approved leaves of absence, or absence in individual cases adjudged eligible for duty disability), or is on layoff for more than twelve consecutive months if the employee has less than 5 years of service at the time of the layoff, or is on layoff for more than 2 years if the employee has 5 or more years of service at the time of layoff. A person who returns to City employment within 12 months after a break in service shall receive credit for continuous service earned prior to such break in service. Absence from City service on leave without pay for periods in excess of 30 days, all suspensions, time after layoffs for more than 30 days and all absences without leave shall be deducted in computing total continuous service. Personnel who were paid by voucher shall receive no credit for continuity of service for the period they were paid by voucher.

Uniformed Fire Personnel may receive credit only for service with the Chicago Fire

Department, and Sworn Police Personnel may receive credit only for service with the Chicago Police Department for the purpose of advancement within the salary schedules.

Any employees of the City, except Uniformed Fire Personnel and Sworn Police Personnel, and except employees appointed to City service after September 8, 1986, who have rendered service to the County of Cook, the Chicago Park District, the Forest Preserve District, the Chicago Housing Authority, the Metropolitan Sanitary District of Greater Chicago, the State of Illinois, the Chicago Board of Education, City Colleges of Chicago, Community College District 508, the Chicago Transit Authority, Public Building Commission of Chicago, Chicago Urban Transportation District, and the Regional Transportation Authority shall have the right to have the period of such service credited and counted for the purpose of advancement within longevity salary schedules, provided that the above interpretation of continuous service shall apply.

Seasonal employment of less than 120 calendar days in any year shall not be credited toward continuity of service.

Non-seasonal employees who work a minimum of eighty (80) hours per month shall be credited with continuity of service for the time worked.

“The Chicago Police Department Lateral and Rehire Agreement” is incorporated into this “Regulations Governing the Administration of the Classification Plan and Employee Benefits for Classified Positions set forth in the Annual Appropriation Ordinance” (“the Salary Regulations”) and made as part hereof. A copy of the “Chicago Police Department Lateral and Rehire Agreement” is on file with the City Clerk.

“The Chicago Police Department Lateral and Rehire Agreement” allows for the re-employment of former sworn Chicago Police Department members, as well as adjusted salary schedules for lateral hires from other sworn law enforcement agencies.

Notwithstanding any provision in the Salary Regulations to the contrary, all terms of the “Chicago Police Department Lateral and Rehire Agreement,” shall apply only to former sworn police officers who resigned from the Chicago Police Department who are seeking to be rehired by the Chicago Police Department and lateral hires from other law enforcement agencies seeking to be hired by the Chicago Police Department.

(8) Health and Welfare Coverage.

The term "health and welfare coverage" includes, but is not limited to, medical benefits, prescription benefits, dental benefits, vision benefits, mental health and substance abuse benefits, health care flexible spending account benefits, dependent care benefits, disability benefits, life insurance benefits, accidental death and dismemberment benefits, wellness benefits and transit benefits, as well as the related claims administration, utilization review, case management, consulting and actuarial services, and any other ancillary administrative services needed to provide such benefits.

In providing for single, employee plus one dependent, or family health and welfare coverage as set forth in the Annual Appropriation Ordinance under codes .0029, .0042, .0043, and .0056, each company and Health Maintenance Organization (HMO) that provides health and welfare coverage shall be approved by a majority of the Budget Director, City Comptroller, Benefits Manager, Commissioner of Human Resources and Chairmen of the Committee on Finance and the Committee on Workforce Development and Audit. Plan provisions and rates shall all be approved by the Mayor or his designee the City Comptroller on the recommendation of a majority of the Budget Director, Benefits Manager, Commissioner of Human Resources and Chairmen of the Committee on Finance and the Committee on Workforce Development and Audit. The Mayor or his designee the City Comptroller is authorized to enter into and execute such agreements, amendments and documents, subject to review as to form and legality by the Corporation Counsel, as are required or necessary to implement the health and welfare coverage, which agreements, amendments and documents shall be kept on file with the Budget Director and the City Comptroller. Such agreements, and those agreements provided in Paragraphs (10) and (12) of this Section B, may include authorization for the third-party administrator to initiate, pursue and resolve claims for financial recovery on the City's behalf and for the City's benefit. The City Comptroller, in that officer's sole discretion, is authorized to include in the agreements provided for in this Subsection (8), or any amendments thereto, coverage for medications for individuals receiving medical care from the Department of Public Health.

Notwithstanding the preceding paragraph, in the case of insured health and welfare coverage, including a fully insured HMO, the City Comptroller or his designee is authorized to enter into and execute such applications for any related insurance policies or contracts provided that such policies and contracts have been filed with and approved by the appropriate state department of insurance or other regulatory authority with jurisdiction over such matters, as and to the extent such filing and approval are required by applicable law or regulation.

The open enrollment period (that time when an employee can change coverage, carriers or HMO programs) shall be designated by the City Comptroller except for new full-time employees who shall be eligible for coverage on the first of the month following date of commencement of employment. Coverage shall terminate on the last day of employment, subject to any legally required extensions. In compliance with the Public Health Service Act (PHSA), 42 USCS 88 300bb-1-8, a terminated employee shall be offered the opportunity to elect continuation coverage beginning as of the date that coverage is terminated. With respect to an employee whose last day worked is other than the last day of the month, if such employee or the employee's dependents timely elect continuation coverage under the Public Health Services Act, the premium that the employee or any such dependents shall pay for such continuation of coverage through the remainder of the month shall be the balance due for that month at the regular active employee rate, taking into account any amounts the employee has already paid through payroll deductions. Thereafter, starting the first day of the following month, the required premium shall be the maximum amount permitted under the PHSA.

Where more than one member of a family is employed by the City, no duplication of coverage shall be allowed, including for dependents. An employee or dependent

can be covered by only one City-paid health and welfare coverage plan.

(9) Term Life Insurance Coverage.

In providing eligible employees with \$25,000 term life insurance and \$1,000 (\$5,000 for sworn police and uniform fire) Accidental Death and Dismemberment insurance as set forth in the Annual Appropriation Ordinance under code .0045, each carrier that provides said insurance shall first be approved by the Mayor on the recommendation of the Budget Director, City Comptroller, Benefits Manager, Commissioner of Human Resources and Chairmen of the Committee on Finance and the Committee on Workforce Development and Audit. The Mayor is authorized to enter into and execute such agreements, amendments and documents, subject to review as to form and legality by the Corporation Counsel, as are required or necessary to implement the coverage, which agreements, amendments and documents shall be kept on file with the Budget Director and the City Comptroller. Employees will be eligible for such insurance coverage on the first of the month following employment, and such insurance coverage will terminate as provided in the plan.

Each eligible employee will be provided with the option to purchase additional group term life insurance up to six times the amount of his or her annual salary, not to exceed one million dollars, under the terms set forth in the policy. Through the first 31 days of employment the additional insurance will be available on the first of the month following receipt and approval of the enrollment form. After the first 31 days of employment, such insurance will be available only with evidence of insurability satisfactory to the insurance company.

(10) Dental Care Coverage.

In providing for single, employee plus one dependent and family dental care coverage as set forth in the Annual Appropriation Ordinance under code .0056, each company that provides such coverage shall first be approved by the Mayor on the recommendation of Budget Director, City Comptroller, Benefits Manager, Commissioner of Human Resources and Chairmen of the Committee on Finance and the Committee on Workforce Development and Audit. Plan provisions and rates shall all be approved by the Mayor on the recommendation of the Budget Director, City Comptroller, Benefits Manager, Commissioner of Human Resources and Chairmen of the Committee on Finance and the Committee on Workforce Development and Audit. The Mayor is authorized to enter into and execute such agreements, amendments and documents, subject to review as to form and legality by the Corporation Counsel, as are required or necessary to implement the plans, which agreements, amendments and documents shall be kept on file with the Budget Director and the City Comptroller.

Eligible employees will be provided choice of coverage on the first of the month after their first year.

(11) Deferred Compensation Plan.

The City will provide all eligible employees with the opportunity to participate in a deferred compensation plan.

Plan provisions and rates shall all be approved by the Mayor on the recommendation of the Budget Director, the City Comptroller, the Benefits Manager, Commissioner of Human Resources, Chairmen of the Committee on Finance and the Committee on Workforce Development and Audit. The Mayor is authorized, subject to review as to form and legality by the Corporation Counsel, to enter into and execute such agreements, amendments and documents as are required or necessary to implement the plan, which agreements, amendments and documents shall be kept on file with the Budget Director and the City Comptroller.

Eligible employees will be provided vision coverage at the same time medical coverage is effective unless coverage is provided as a separate benefit, wherein coverage will be effective on the first of the month after the eligible employee's first year.

(13) Earned Wage Access.

The Comptroller is authorized to enter into and execute such agreements, amendments and documents, subject to review as to form and legality by the Corporation Counsel, as necessary or useful to implement a program to allow eligible employees access to their earned but unpaid wages.

(14) Non-Represented Senior Manager Employees

An employee in a position assigned by the Department of Human Resources to the SALARY SCHEDULE for NON-REPRESENTED SENIOR MANAGEMENT EMPLOYEES set forth in Schedule X shall be placed on Step 1 of the relevant grade, unless the appointing authority recommends that the employee be placed on a higher step based on their education or experience related to the position and the recommendation is approved by both the Commissioner of Human Resources and the Budget Director.

C. Application And Interpretation Of The Employee Benefit And Compensation Plan.

(1) Starting Rate On Initial Employment.

Initial appointments to any positions shall be made at the entrance rate of the salary range prescribed for the applicable class grade. In exceptional cases for special rate positions, upon recommendation by the department head and approval of the

Commissioner of Human Resources, the Budget Director and the Chairman of the Committee on the Budget and Government Operations of the City Council, initial appointment may be made at a rate above the normal entrance rate. Entrance above the normal entrance rate shall be based on the outstanding and unusual character of the applicant's education, experience and training over and above the minimum qualifications specified for the class.

(2) Starting Rate On Return To Duty.

When an employee returns to duty in a position of the same class grade after a separation from the City service which separation was not due to discharge or resignation for cause, such employee shall receive the rate in the applicable salary range of the step corresponding to the step at which paid at the time of separation, and shall subsequently serve thereat for at least such additional period as required for advancement to the next higher step; provided, that such employee has returned to City service within one year of a break in service and receives prior continuous service credit in compliance with Section B-(7) of this resolution.

(3) Starting Rate Following Promotion.

When an employee is promoted from one position to a position in a higher class grade, except in Schedules D, E and F, such employee shall be paid at a rate that will provide an increase in salary of up to 5.0% over the last salary paid, except that such employee shall be paid at least the entrance rate of the new position, even though this may produce an increase in excess of the aforementioned limitation. This action shall be effective on the first day of a pay period and shall not precede the receipt of the Personnel Action Report (PER 14) at the Department of Human Resources.

(4) Starting Rate Of Reclassification Of Position.

In the event that a position is reclassified from one class of positions to another class of positions in the same class grade the incumbent of such position when appointed to the new position by proper authority shall retain the salary he received in the former position.

In the event that the class grade for a class of positions is changed to a higher class grade by the appropriate authority, the incumbent of such positions shall retain the rate of pay received in the former grade, and shall receive such rate of pay for such additional period as may be required for advancement to the next higher rate of pay, provided that such employees shall be paid at least the entrance rate for the new grade.

In the event that the class grade for a class of positions is changed to a lower class grade by the appropriate authority, the incumbents of such positions shall retain the salary received in the higher salary range.

(5) Starting Rate On Appointment To A Position Of A Lower Class Grade.

In the event that an employee is appointed to a position of a lower class grade than that of his former position; such employee shall be paid at the same step in the

lower class grade as he had been paid in the higher class grade, provided that when an employee receives a career service promotion which is of a lower class grade than the position in which he is employed, the salary of said employee in the new position shall be based upon the length of service in the position from which he is being promoted plus the length of service in the higher class grade position.

(6) Anniversary Dates And Salary Schedule Advancement Following Salary Adjustment.

After initial appointment to a classified position under the jurisdiction of the Commissioner of Human Resources or to a position in the exempt offices, the anniversary date for an employee for purposes of advancement within a salary range shall be adjusted to coincide with the date of any action which increases the pay of employee. Such action may be in the form of pay advancement within a salary range, promotion, reclassification of the position or change of class grade of the position.

(7) Limitation Of Salary Adjustments.

Personnel actions which result in increases in pay by means of advancement within a salary range, reclassification of position, or change of class grade or position shall be made as set forth herein, provided that no employees shall receive the benefit of more than two such actions in any calendar year, unless a supplemental action is recommended by the department head and is approved by the Commissioner of Human Resources, the Budget Director and the Chairman of the Committees on the Budget and Government Operations of the City Council.

(8) Accumulation Of Service In One Class Of Positions.

Whenever an employee accepts work of the same or of a higher level under a different class of positions and later returns to his former same or lower position, his term of employment under such different class of positions shall apply on and be added to his term of service in the same or lower level class upon his return to same, for the purpose of determining the appropriate rate of pay within the range appropriate for the class; provided his employment in the City service has been continuous as herein before defined.

(9) Recommendations For Pay Advancement Within A Salary Range.

The department head concerned shall recommend to the Commissioner of Human Resources the advance in salary of each employee whose performance merits a step increase and who, in addition has met the requirements for salary advancement within the range for the position in accordance with the service requirement specified in Section B dealing with the various salary schedules. The recommendation should include a certification that the employee has at a minimum a performance rating that falls within the range characterized as "Good" as described in the Performance Rating Guide issued by the Department of Human Resources.

The effective date of any advancement within the Compensation Plan shall be at the first day of the next pay period following the date advancement is recommended and

authorized as provided herein and approved by the Commissioner of Human Resources or by the appointing authority for positions in the exempt offices.

D. Prevailing Rate Positions.

A prevailing rate (PR) position is defined as one for which the rate is established under acceptable evidence of the wage prevailing in industry. Such positions are usually craft, labor or trade positions, and are not paid under the provisions of the Compensation Plan.

In the event that the pay basis for a position is changed from a prevailing rate basis to a salary schedule in a class grade, the incumbent shall receive the lowest rate in the salary schedule that will not result in a decrease in salary. The Compensation Plan provisions shall thereafter govern.

In the event that an employee is appointed from a position paid on a prevailing rate basis to another position classified and paid under the Compensation Plan, such employee shall be given credit for the time served in the former position in determining the salary rate, provided, that any increase in salary shall not exceed 5.0%, and provided further that the employee shall in no case receive less than the minimum rate of the salary range of the new position. The applicable Compensation Plan provisions shall thereafter govern.

E. Application Of The Compensation Plan.

(1) This Compensation Plan is applicable to positions indicated in Schedule A on file with the Department of Human Resources.

(2) Limitations Of Available Funds.

All ordinary and special compensation provisions herein shall be effective only in the event sufficient funds for the respective positions have been appropriated and are available.

The daily mileage report shall be on the form prescribed by the Budget Director and shall be kept on

file by the department head subject to audit by the Budget Director and the Chairmen of the Committees on the Budget and Government Operations and Finance and Workforce Development and Audit of the City Council.

Vacation leave earned will be determined by dividing the number of months worked in the current calendar year by twelve and then multiplying by the number of yearly vacation days based on service. Any fraction will be rounded off to the nearest whole number of days. Vacation days may be advanced to an employee subject to department head approval as permitted in the Personnel Rules.

Each salaried employee or hourly rate employee with less than six years of service will be granted two calendar weeks and three days (13 working days) vacation leave in each calendar year.

Each salaried employee or hourly rate employee who has served the City for six years or more prior to July 1st shall be granted a vacation of three calendar weeks and three days (18 working days) in each calendar year.

Each salaried employee or hourly rate employee who has served the City for fourteen years or more prior to July 1st shall be granted a vacation of four calendar weeks and three days (23 working days) in each calendar year.

Each salaried or hourly rate employee who has served the City for twenty-four years or more prior to July 1st shall be granted a vacation of four calendar weeks and four days (24 working days) in each calendar year.

Each salaried or hourly rate employee who has served the City for twenty-five years or more prior to July 1st shall be granted a vacation of five calendar weeks (25 working days) in each calendar year.

Each Deputy District Chief of the Chicago Fire Department who works a platoon schedule and who has served the City for less than twenty-five years prior to July 1st shall be granted a vacation of 10 platoon working days in each calendar year.

Each Deputy District Chief of the Chicago Fire Department who works a platoon schedule and who has served the City for twenty-five years or more prior to July 1st shall be granted a vacation of 12 platoon working days in each calendar year.

Each Assistant Deputy Chief Paramedic of the Chicago Fire Department who works a platoon schedule and who has served the City for less than twenty-five years prior to July 1st shall be granted a vacation of 8 platoon working days in each calendar year.

Each Assistant Deputy Chief Paramedic of the Chicago Fire Department who works a platoon schedule and who has served the City for twenty-five years or more prior to July 1st shall be granted a vacation of 9 platoon working days in each calendar year.

Each uniformed member of the Chicago Fire Department (for purposes of this paragraph, "CFD") who is granted a leave of absence from a career service position within CFD after December 1, 2018, in order to be appointed to an exempt rank position within CFD shall retain up to one year's work of accrued unused vacation leave earned while in that career service position. Such accrued unused vacation leave shall be made available to that uniformed member when he or she returns to their career service position within CFD from the exempt position appointment or, if that uniformed member's employment terminates, the retained accrued unused vacation leave will be paid out in accordance with the collective bargaining agreement or state law, whichever is applicable.

Part-time employees who have worked at least 50% of full-time in the prior calendar month shall be granted vacation leave on a prorated basis.

(b) No employee while on leave of absence or leave without pay status may earn vacation credit except where such leave was adjudged eligible for duty disability. Vacation leave will be reduced in proportion to the length of leave (excluding leave of absence for duty disability) during the current calendar year. Any calendar month in which the employee was in a paid status for at least 50% of work time in that month shall be credited for purposes of computing vacation leave on the basis described in paragraph (a).

(c) Up to five days of vacation leave may be carried over from the calendar year in which such vacation was due to the next calendar year for employees with less than 10 years of service. Starting with the vacation carryover process from 2023 to 2024, seven days' vacation leave may be carried over from the calendar year in which such vacation was due to the next calendar year for employees with 10 years of service or more. Carryover vacation leave is to be on file subject to audit by the Budget Director and/or the Commissioner of Human Resources.

(d) In the event an employee has not taken his or her vacation as provided for herein by reason of separation from City service, he or she, or in event of death the widow or widower or estate, shall be entitled to receive his or her prevailing salary for any such earned, unused vacation. Vacation earned and accrued pursuant to Section G(2)(a) and Section G(2)(b) for service in the current year and any unused vacation leave carried over pursuant to Section (G)(2)(c) shall be paid on a

supplemental payroll as soon as is practicable following the last day worked. The designated payrolls shall be verified by the Commissioner of Human Resources, the Budget Director and be approved by the City Comptroller.

Seasonal employment of less than 120 calendar days in any year shall not be credited for vacation.

(e) In case a holiday as defined in Section G(1) is observed on any work day during a full week of an employee's regularly scheduled vacation, an additional day off with pay shall be allowed for each such holiday.

(f) The department head shall designate when the vacation shall be taken.

(g) Any employee of the City of Chicago who has rendered service to the County of Cook, the Chicago Park District, the Chicago Housing Authority, the Forest Preserve District, the Metropolitan Sanitary District of Greater Chicago, the State of Illinois, the Chicago Board of Education, the City Colleges of Chicago, Community College District 508, the Chicago Transit Authority, the Public Building Commission of Chicago, the Chicago Urban Transportation District, and the Regional Transportation Authority, shall have the right to have the period of such service credited and counted for the purpose of computing the number of years of service as an employee of the City for vacation credit, provided that such service has been continuous as defined in this resolution. However, vacation time accrued while working for another public agency shall not be transferable.

(3) Sick Leave.

Each salaried employee in a classified position under the jurisdiction of the Commissioner of Human Resources may be allotted sick leave with pay, as provided below, on account of sickness or related cause of absence which may be considered by the department head a sufficient and legitimate excuse for the employee's failure to be present and in attendance upon his or her duties. The reason for the absence and the good faith of the employee in making the application for such leave shall be shown to the department head by such reasonable evidence as may be required by the Commissioner of Human Resources. Such employees shall be credited with one (1) day of paid sick leave on the first day of each month. In the event an employee, or a member of employee's immediate family, experiences a serious health condition within the meaning of the Family and Medical Leave Act, upon request of the employee, the City will advance to said employee up to the full amount of sick time the employee would normally be credited with for the remainder of that calendar year. Should the employee's, or his/her immediate family member's serious health condition require the employee to be absent into the next calendar year, upon request of the employee, the City will advance to said employee up to the full amount of sick time the employee would normally be credited with for the remainder of that calendar year. The City shall require an employee to provide documentation that a serious illness, which would qualify for family and medical leave under the FMLA, exists.

(4) Accumulation Of Sick Leave Credit.

Sick leave credit earned by a salaried employee in the City service subsequent to January 1, 1959 shall accrue to a maximum of two hundred (200) workdays at the rate of 12 days per year less days of sick leave used. Sick leave records shall be maintained by each department head subject to examination and audit by the City Comptroller, the Commissioner of Human Resources, the Budget Director, and the Chairmen of the Committees on the Budget and Government Operations and Finance and Workforce Development and Audit of the City Council.

Severance of employment prior to the use of all or any part of such sick leave terminates all rights for compensation. Sick leave accrued while working for another public agency shall not be transferable.

(5) Extended Sick Leave.

Vacation and sick leave may be combined in the event of a long continued sickness. In the unusual case of an employee whose continued sickness extends beyond the amount of vacation and sick leave earned and accumulated by the employee, the department head may request approval for the extended sick leave with pay, of the Chairmen of the Committee on Finance and the Committee on Workforce Development and Audit. Such request shall be submitted in the manner designated by said Chairmen.

Extended sick leave shall be granted on the basis of calendar days and shall be construed for payroll purposes.

(6) Working Group

The Chairman of the Committee on Finance and the Mayor, each personally or through a designee, and two designees selected by the Chairman and three designees selected by the Mayor (for a total of seven people) shall convene as a working group from time to time to consider and resolve questions pertaining to workers' compensation and return to work for the City of Chicago.

(7) Authorized Leaves Of Absence.

Leave with pay as a result of death in the immediate family or domestic partner may be granted to employees on the basis of not to exceed three consecutive days following the death of a member of the immediate family or domestic partner, provided that the employee has registered the name of the employee's domestic partner with the Department of Human Resources. Where death occurs and the funeral is to be held out of Illinois and beyond the states contiguous thereto, the employee may be granted up to five consecutive days. A member of the immediate family shall be defined to be any member who is the mother, father, husband, wife, brother or sister (including blood, step or half), son or daughter (including blood, step or half), father-in-law, mother-in-law, daughter-in-law, son-in-law, brother-in-law, sister-in-law, grandparents and grandchildren, court appointed legal guardians and a person for whom the employee is a court appointed legal guardian.

Domestic partners are defined as two persons regardless of their gender, who have a close personal relationship, sharing the same regular and permanent residence for at least six months; are each eighteen years of age or older; not married to anyone;

not related by blood closer than would bar marriage in the State of Illinois; and are each other's sole domestic partner, responsible for each other's common welfare and jointly sharing their financial responsibilities.

(8) Unauthorized Absence.

Deductions will be made for unauthorized absence by monthly or annual employees on the basis of a daily rate as determined by the Budget Director and the City Comptroller.

(9) Jury Duty.

Each salaried or hourly rate employee who is required to serve on a jury or is subject to a proper subpoena (except if the employee is a party to a non-work related litigation) shall receive full pay, based on the regular work week, for such time on jury duty, contingent upon deposit with the City Comptroller of the payment received for jury duty or as a witness fee.

(10) Any employee who is a member of a reserve force of the United States or of the State of Illinois, and who is ordered by the appropriate authorities to attend a training program or perform other duties under the supervision of the United States or the State of Illinois, shall be granted a paid leave of absence during the period of such activity, but not to exceed fourteen (14) calendar days in any calendar year, provided that employees hired after September 8, 1986, shall, as a condition precedent to payment, deposit his/her military pay for all days compensated by the City with the City Comptroller.

(11) Voluntary Unpaid Furlough Days.

Due to budget requirements, the Budget Director and Comptroller may offer City employees, or groups of employees, the option of taking one or more unpaid furlough days. Such furlough days may only be taken with the permission of the applicable department or agency head and shall be subject to such procedures and limitations as may be prescribed by the Budget Director and Comptroller. Consent of the department or agency head may be withdrawn based on operational needs at any time.

For the purposes of this Subsection, the term "base salary" means:

(a) for salaried employees, the annual rate of compensation, exclusive of overtime and final vacation, appropriated for service in the employee's position; and,

(b) for other employees, the regular or straight time rate of compensation appropriated and payable for a normal work week in the employee's position, exclusive of overtime and final vacation.

The opportunity to take voluntary unpaid furlough days may be offered to such groups of employees as the Budget Director and Comptroller deem appropriate. Provided, however, that voluntary unpaid furlough days may not be offered to sworn police personnel or members of the uniformed service of the Fire Department.

If an employee who desires to take voluntary unpaid furlough hereunder receives Health Insurance Coverage, Dental Coinsurance Coverage and Optical Care Coverage, the employee shall authorize deductions from his or her pay on forms supplied by the City in the amount that would have been deducted from base salary for such benefits had the employee worked during the voluntary unpaid furlough. Such coverage shall not be affected by taking voluntary unpaid furlough.

If an employee who desires to take voluntary unpaid furlough participates in one of the annuity and benefit funds established under Articles 8 or 11 of the Illinois Pension Code, the employee shall authorize deductions from pay on forms supplied by the City in the amount that would have been deducted from base salary for the employee contribution had the employee worked during the voluntary unpaid furlough. Any amounts so deducted shall be paid to the appropriate annuity and benefit fund in the same manner as other employee contributions.

Notwithstanding the provisions of Subsection G (1)(d), an employee will not be denied pay for a holiday because he or she takes a voluntary unpaid furlough day immediately before or after the holiday, or because the employee's scheduled furlough day falls on a holiday.

An employee taking voluntary unpaid furlough hereunder shall be treated as having worked during such furlough for the purposes of accrual of vacation and sick leave. Under no circumstances may an employee perform services for the City of Chicago while on voluntary unpaid furlough hereunder.

H. Administration And Maintenance Of The Employee Benefit Compensation Plan.

(1) Responsibilities Of The Mayor And The Commissioner Of Human Resources For Compensation Administration.

The Mayor shall have overall responsibility for and the Commissioner of Human Resources shall direct the work of administration and maintenance of the Compensation Plan for all City positions, except as herein otherwise provided. The Commissioner of Human Resources shall have overall responsibility for the work of verifying the certification as to legality of employment to assure that the classification and compensation of all City employees is in strict accord with the Compensation Plan as contained in these regulations in the Classification Plan of the Department of Human Resources. The Commissioner of Human Resources will conduct such verification as required by ordinance. The Commissioner of Human Resources will periodically report to the Mayor with recommendations for change in the Compensation Plan based on a survey of market conditions.

(2) Responsibilities Of The Budget Director For Compensation Administration.

regulations.

The Budget Director shall assure that all forms of compensation paid during each fiscal year are in accordance with the Annual Appropriation Ordinance therefore and shall interpret and explain the provisions of the Compensation Plan.

(3) Grievances Of Employees.

I. Effective Date Of Resolution.

This resolution shall be effective on and after its passage, and until amended by action of the City Council. (Adopted by the City Council on November 15, 2023.)
