Description: Emergency Tree Removal Services

06 OCT 11 11:26

The Department of Streets and Sanitation is requesting Emergency Contracts for Emergency Tree Removal Services for the Bureau of Forestry.

Due to the storm Monday October 2nd, the Department had to respond to thousands of emergency calls to remove fallen trees. We have one contract in place for this type of service, PO 1393 with Winkler's Landscaping. Due to the magnitude of the storm, Winkler's could not handle the removal on their own. Therefore, we needed to contract with other private companies to assist us in the emergency response.

We are asking for contacts with the following companies:

- SGS Disaster Services
- Nels Johnson Tree Experts
- McGinty Brothers, Inc
- Bartholomew Tree Service
- Brown Tree Service
- Glenwood Tree Experts
- Heneghan Wrecking Company

Please contact Lisa Clark at 744-4667 if you have any questions.

I certify that this emergency poses a clear and imminent danger, requiring immediate procurement of services, supplies or equipment to prevent or mitigate the loss or impairment of life, health, property, or essential public services and would not have been avoided by due care and diligence.

Thank you for your assistance
