JOC MEMO OF AUTHORIZATION**

**UTILIZING JOC FOR CITY CONSTRUCTION PROJECTS**

For all JOC. project requests, complete items 1 and 2 below. Then as appropriate, complete items 3, 4 and 5 accordingly. Attach to J.O.C. Memo of Authorization.

JOC #:                    **JUP725.B**  
Project #:               **K3047**  
Project Name:           **Fire Engine Company 96**  
                              **Unforseen Parapet Tuckpointing**  
Project Location:       **441 N. Waller Av**

**1. Please describe the major features of this project:**

*Tuckpointing of the building exterior, done under separate contract did not include the interior parapet walls . This oversight needed to be addressed prior to the roof installation so that flashings can be properly fastened..*

**2. Please explain why this project could not be bid using the City's traditional bid process and the need to use JOC procurement system:**

*FH Paschen is best suited to complete the work due to their familiarity with the pending roof resurfacing project #JUP725.A.*

**3. If this project is a one trade project, please provide additional explanation of why it would be in the City's best interest to do the project under JOC.**

*The additional tuckpointing needs to be done prior to roof installation to ensure that the wall can be flashed and the roof made watertight.*

**4. If it is anticipated that over 25% of the project will consist of Non-prepriced items, provide an explanation on why JOC should be used instead of a city-wide term agreement:**

*All items shall be found in the Unit Price Book.*

**5. If some elements of the proposed JOC scope of work are covered by City Term Agreements, list the elements that should be removed from the JOC project. Attach additional pages if needed.**

*No elements apply .*
