Disclosure of Retained Parties

A. Definitions and Disclosure Requirements

1. As used herein, the term "Contractor" means a person or entity who has any contract lease with the City of Chicago.
2. Pursuant to Executive Order 97-1, every city contract and lease must be accompanied by a disclosure statement providing certain information and attorneys, lobbyists, accountants, consultants, subcontractors, and other persons whom the contractor has retained or expects to retain with respect to the contract or lease. In particular, the contractor must disclose the name of each such person, his or her business address, the nature of the relationship, and the amount of fees paid or estimated to be paid.
3. The Contractor is not required to disclose employees who are paid solely through the Contractor's regular payroll.
4. "Lobbyist" means any person (a) who for compensation or on behalf of any person other than himself undertakes to influence any legislative or administrative action, or (b) any part or whose duties as an employee of another includes undertaking to influence any legislative or administrative action.

B. Certification

Subject: Job Order Contract - Department of Water Management
Project Description: Impermeable Sealant, Transfer Station 3901 S. Ashland Ave.
Project No: S-07-033.A-6
Contract No: 9911
Spec. No: 26936
Estimated Cost: \$115,310.00
Funding No.: 004-0380-0882005-0551220551-6609200

Dear Ms. Lumpkin:

This Department is requesting that the Contractor perform the following work at the 39th and Ashland Avenue Transfer Station. In the waste bays, all concrete surfaces shall be cleaned in accordance with manufacturer recommendations in preparation for the application of a water and chloride-ion repellent concrete sealant. In addition, cracks in exposed concrete surfaces greater than or equal to .013" shall be injected with an epoxy bonding compound prior to application of the sealant.

Estimated duration of this Project is (2) two Weeks.

Enclosed is the preliminary estimate of cost for the work involved and a project description. Funding for this work is in place.

If you concur with this request, please notify this office as soon as possible and forward a copy of the approved memorandum of authorization. For any further information concerning this matter, contact Richard Patrick, Bureau of Engineering Services at 744-5067.

Yours Truly

Utilizing JOC For City Construction Projects

Project No: S-07-033.A-6
Impermeable Sealant, Transfer Station 3901 S. Ashland Ave.

For all Proposed JOC Projects, Please complete Items 1 and 2 below. As appropriate, Complete items 3,4 and 5. Attach to MOA (JOC Approval Letter)

1. Please describe the major features of this project.

In the waste bays all interior concrete surfaces to be cleaned and have a water and chloride-ion repellent sealant applied. In addition, cracks in exposed concrete surfaces greater than 0.013" in width shall be injected with an epoxy bonding compound prior to application of the sealant.

2. Please explain why this project could not be bid using the city's traditional bid process and the need to use JOC Procurement system.

The concrete sealing is emergency work in order to comply with transfer station permit. The work needs to be performed quickly and has been clearly defined by a written SOW. There is not sufficient time to develop detailed plans and specifications, then bid the project.

3. If the project is a one trade project, please provide additional explanation of why it would not be in the city's best interest to do the project under JOC.

N/A.

4. If it is anticipated that over 25% of the project will consist of Non-prepriced items, please provide an explanation on why JOC should be used.

N/A.

5. If some elements of the proposed JOC Project scope of work are covered by city term agreements, these elements should be removed from the JOC Project.
