Utilizing JOC For City Construction Projects

Project No: S-11-023.A-4
Lexington Pumping Station Reservoir Inspection

For all Proposed JOC Projects, Please complete Items 1 and 2 below. As appropriate, Complete items 3,4 and 5. Attach to MOA (JOC Approval Letter)

1. Please describe the major features of this project.

Assist with Structural Engineering inspections of the Lexington PS reservoir, make specified minor repairs, and disinfect before returning to service.

2. Please explain why this project could not be bid using the city's traditional bid process and the need to use JOC Procurement system.

This project needs to be completed quickly during low water usage time period. A written SOW can be prepared without the need for detailed plans and specifications as required for the traditional bid method. JOC will place the Contractor and Engineers on site more quickly.

3. If the project is a one trade project, please provide additional explanation of why it would not be in the city's best interest to do the project under JOC.

N/A.

4. If it is anticipated that over 25% of the project will consist of Non-prepriced items, please provide an explanation on why JOC should be used.

N/A.

5. If some elements of the proposed JOC Project scope of work are covered by city term agreements, these elements should be removed from the JOC Project.
