PROCUREMENT HISTORY

Trent Hinkle has provided shoeing and hoof care for Police Horses since 1993 as an assistant to Stanley Ahrens. He is available 24 hours a day, 365 days a year in case of emergency. He is familiar with the Department's horses. It takes up to six months to determine the correct shoeing method for an individual horse. Changing Farriers could result in lame horses. Farriers are experts in their field and their work requires special training.

ESTIMATED COST

Contract will not exceed \$60,000 for a *one year period*. \$300,000. for a 5 year contract.

SCHEDULE REQUIREMENTS

EXCLUSIVE OR UNIQUE CAPABILITY

Mr. Hinkle has provided his services to the unit since 1993. He has been a farrier for thirty years. His work is excellent and he is intricately familiar with the unit's operational needs. The art of horseshoeing involves much more than replacing or resetting horse shoes. It involves an evaluation of the particular needs of each horse based upon its conformation. This skill can only be developed through job knowledge and familiarity of the horse. Quite often it involves corrective shoeing to address a problem. Mr. Hinkle's expertise has helped cure lameness problems in our horses that would have otherwise resulted in the loss of those horses for an extended period of time. Persons familiar with horses are aware of how critical a service; a competent, experienced farrier provides.

Re: Request for a 5 year Sole Source contract for Horse Ferrier, Trent Hinkle
Req #: 59457

Ms. Rhee,

The Chicago Police Department is requesting a 5 year Sole Source contract for Horse Ferrier services with Trent Hinkle. This service is required in order to shoe CPD's horses. Without said service CPD's horse will be become lame and not be able to perform duties as required.

Mr. Hinkle has provided his services to the unit since 1993. He has been a Ferrier for thirty years. He is the only one in the area that can shoe police horses. He has shod horses for State police, County and Rosemount police. Chicago is the only remaining municipality that has a mounted unit. His work is excellent and he is intricately familiar with the unit's operational needs. The art of horseshoeing involves much more than replacing or resetting horse shoes. It involves an evaluation of the particular needs of each horse based upon its conformation. This skill can only be developed through job knowledge and familiarity of the horse. Quite often it involves corrective shoeing to address a problem. Mr. Hinkle's expertise has helped cure lameness problems in our horses that would have otherwise resulted in the loss of those horses for an extended period of time. Persons familiar with horses are aware of how critical a service; a competent, experienced Ferrier provides.

We respectfully ask that you approve our request.

Att: Richard Butler

Subject: Full Waiver request for MBE and WBE
Spec.: 90548, Horse Ferrier

The Chicago Police Department respectfully requests that a full MBE waiver (25%) and full WBE waiver (5%) be granted to Trent Hinkle, Horse Ferrier. The said contractor is an extremely small business, employs none. He does not own any facility of which could give them some opportunities for outside/MBW/WBE sub contracts to do maintenance, repairs etc. The only materials that are required are tools and supplies of which are very specialized and do not have manufacturers or brokers that are MBE/WBE at this time.

Unfortunately there is no opportunity for MBE or WBE at this time. He has every intension to continue to review the list on the City's website for future participation.

Please find attached memo from contract requesting full waiver.

Your attention to this matter is greatly appreciated.

Sincerely,

A handwritten signature in black ink, appearing to read "Marvin J. Shear".

Re: Chicago Mounted police Unit

To: Lt. Paul Bauer

This letter is in reference to the shoeing of the Mounted police horses. I feel that the services I provide are a uniquely qualified service and or specialized. It is important to know the Horses and the specialized shoes that they require. Without the proper knowledge of shoe size and some of the corrective shoeing that certain horses need it will result in problems and interruption in service of your Horses.

It is also dangerous without the best traction shoe on your streets for Horse and mounted officer. I have been working with the previous Farrier for a number of years and coming to your barn since about 1993.

Trent Hinkle

Molly,

I am writing this letter to request for a full Waiver regarding my participation in the Minority and Woman's owned Business procurement Program (M/WBE) required by city of Chicago.

As Farrier (Horseshoer) for the Mounted Police unit I am a one man operation and my tools and supplies are specialized and most likely would not be able do business with anyone enrolled in the program.

In the future I may plan to take on an employee but it would have to be someone familiar with horses. It is not easy to fill the need for an apprentice or someone established in the business.

Sincerely
