Dear Director Berlin,

This correspondence is to inform you that I have accepted a gift on behalf of the city of Chicago, which entails the use of approximately 120 square feet of space for use as a 29th ward satellite service office. The use of the space is donated by and located at 4807 W. Harrison Avenue and will serve as a location where my constituents may come for community-based services and requests for services. All utilities will be paid through my Aldermanic Expense Account. The office will be open on Wednesday and Saturday's only from 9am until 12pm and is utilized for constituent services only.

Also, Jerry Cairo, a constituent of the 29th ward, has donated a new Weber gas grill to the 29th ward office to be used by my office to serve my constituents during ward night, community block representative meetings, and other summer events held at my ward office. The Weber gas grill is kept and stored at the ward office. The value of the donation exceeds \$50.00

If you have any questions, please feel free to contact me at my office at (773) 237-6460

Sincerely,

Chris Taliaferro
