**Subject:** Acknowledgment of Attendance: IEC Dinner and Reception

[Warning: External email]

Hi Steve,

Tuesday evening I attended the Illinois Environmental Council's Environmental Leadership Gala. I stayed for the first hour - my wife wasn't feeling well back at home - before departing. Had one drink and spoke with staff from Elevate Energy, IEC, the plumbers union, and several other alders and state level electeds.

Please let me know if you need any other information.
