Subject: Gift Received

Steve & Reshma,

Today we received an gift from Edible Arrangements (see contact info below). We have not had any meetings with or requests from the company. I have made a best faith effort to look up the price for their Holiday Sample Tray, but was unable to find that arrangement on their website. Similar trays on the website are priced at \$49.99 and a 15% discount is advertised. Attached to the tray was a card soliciting our office to consider them for our business and holiday party needs. We accepted the gift on behalf of the City. Please let me know if you need any more information.
