Good morning,

I have finally had a chance to inventory some items donated to CPL by CityYear, as their teachers were unable to continue using them.

Materials include:

8 medium travel cases, each containing:

- 10 view master style headsets
- 10 Asus cellphones (disconnected)
- 1 router
- 1 charging station
- 1 tablet

1 large case containing: 24 view master style headsets

Thank you!
