Subject: Cake gifted to the City

Hello Steve,

On Thursday, August 25th 2022, AIS-IT participated in a celebration recognizing the go-live of ServiceNow Asset Management. AIS-IT accepted a cake as a gift to the City from ServiceNow and CDW; which was placed out in a public area for consumption.

Please let me know if you have any questions.

Regards,

Mario Morales | City of Chicago | AIS - Bureau of Innovation & Technology | Enterprise Support Manager
