Subject: Fw: Lambda Alpha new member initiation banquet

Good morning Steve,

I'm reporting to you that I attended this Lambda Alpha International (LAI) event last Wednesday evening at the invitation of the host, LAI. This organization helps foster the study of land economics and members include architects, engineers, real estate developers, planners, government officials, professors, bankers, attorneys, and other related consultants.

I was invited to attend this event following a panel discussion last month that I participated in as a speaker to present the planning work that my team at DPD has been doing in the central area.

Please let me know if you have any questions.

Thanks,

Cindy Chan Roubik | Deputy Commissioner
City of Chicago | Department of Planning and Development (DPD)
