---

The attached information is in response to questions posed at our department's hearing on Thursday October 18, 2012 to discuss the 2013 Budget.

Alderman Ervin, 28<sup>th</sup> Ward asked for:

1. RAPS – Any statistic by District of Ward to see how certain parts of the City look?

The acronym RAP stands for Radio Assignments Pending.

It is a situation that occurs when there are events (calls) waiting to be dispatched, but no available police units in a district.

As always, please let me know if you have any further questions.

Attachment.
