Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 81-04 Grid Garbage Savings

The attached information is in response to questions posed at our department's hearing on November 1, 2018 to discuss the proposed 2019 budget.

Alderman O'Shea asked for the amount saved by the switch to grid-based garbage collection.

As of 2018, DSS has saved over \$50 million since completing the Grid 2.0 conversion to the grid-based collection system.

As always, please let me know if you have any further questions.

Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 81-05 Garage Demolition

The attached information is in response to questions posed at our department's hearing on November 1, 2018 to discuss the proposed 2019 budget.

Alderman Mitts asked for the number of garage demolitions completed by the department in 2018, and the number of hi-lifts used per job.

As of November 1, 2018, DSS has completed 64 garage demolitions. A standard garage demolition (a one-story structure without a basement or crawlspace) requires one hi-lift.

As always, please let me know if you have any further questions.

ID#: 81-07 Sale of Tree Debris

The attached information is in response to questions posed at our department's hearing on November 1, 2018 to discuss the proposed 2019 budget.

Alderman Thompson asked for information regarding the sale of wood chips and other wood debris.

DSS does not currently sell any wood debris. Most of the wood chips produced by the Bureau of Forestry are given to the Metropolitan Water Reclamation District for use in clean water treatment. A small portion of the chips produced are used for mulch on city-owned property.

As always, please let me know if you have any further questions.
