MEETING MINUTES

PERMIT REVIEW COMMITTEE COMMISSION ON CHICAGO LANDMARKS

The Permit Review Committee (PRC) met on June 6, 2019, at 1:45 p.m. The meeting was held at 121 N. LaSalle St., in Room 201-A.

Present: Ernest Wong, Chair
Gabriel Ignacio Dziekiewicz
James Houlihan
Mary Ann Smith

Staff: Dijana Cuvalo
Kandalyn Hahn
Larry Shure
Emily Barton

The following projects were reviewed by the PRC:

**1. 500 W. Jackson
Chicago Union Station**

42nd Ward

Proposed new canopy, new windows, alterations to window openings along Clinton Street, and a proposed new balcony within the Great Hall.

Action: Approved unanimously (4-0) with the following conditions:

1. Alteration of the 7 window openings, 3 for new entrance doors and 4 with lowered sills for storefront windows, along Clinton Street is approved as proposed.;
2. Existing and proposed dimensioned window and door details, for the ground floor and the 2nd floor monumental windows, shall be included in the permit plans and any new frame, glass, and stone finishes shall match existing finishes;
3. The proposed canopy along Clinton façade is approved in concept, with more developed details to be included in the permit plans to show proposed lighting, and specific signage size and details.;
4. The two 36" x 60" digital signs next to the new Clinton Street entrances are approved provided they will be limited to static screens with no flashing lights/graphics or full-motion imagery (static screens will not be changed more than (1) time within a 24-hour period, except to the extent necessary to correct typographical or other rhetorical errors);
5. Option 1 with no new balcony within the western niche of the Great Hall is approved as proposed. The new plaster finish shall match the historic plaster in color, texture, and finish; and,
6. The proposed balcony option within the western niche of the Great Hall is not approved at this time. The applicant may come back to the PRC at a future date with more information on the specific tenant needs and could also look to mitigate the impact of a new balcony by

reconstructing the two columns within this area consistent with the original configuration.

2. 1743 N. Sedgwick **43rd Ward**
Old Town Triangle District

Renewal of expire approval for a proposed new rear, one-story, masonry, two-car, detached garage utilizing an existing curb-cut.

Action: Approved unanimously (4-0) with the following conditions:

1. As proposed the garage will be clad with brick and limestone consistent with the colors and textures found on the main house. Historic Preservation staff shall review and approve material samples and garage-door cut-sheets/details prior to permit submittal; and,
2. Should the project as proposed require a zoning variation and/or adjustment, the Commission takes no position regarding any requested variance/adjustment relative to the zoning code requirements.

3. 1041-1043 W. Fulton Market **27th Ward**
Fulton-Randolph Market District

Proposed new construction of six-story masonry and glass commercial building at corner of Fulton market and Carpenter and a new twelve-story masonry and glass hotel building at corner of Fulton Market and Aberdeen.

Action: Approved unanimously (4-0) with the following conditions:

1041 W. Fulton Market

1. The proposed 6-story office building as shown on drawings dated 5/6/19 is approved as submitted. The quality of materials and design details (brick and curtain wall) as approved are important features in meeting the Commission's guidelines. Any significant changes to the approved design, details and materials will require further review by the Permit Review Committee;
2. Permit drawings shall include dimensioned details for all windows and storefronts as well as brick patterns and mullion details;
3. Historic Preservation staff shall view for approval all material samples prior to permit application; and,
4. Any signage, including any exterior lighting, shall be permitted separately and reviewed and approved by Historic Preservation staff prior to order and installation.

1043 W. Fulton Market

1. The proposed 12-story hotel as shown on drawings dated 5/6/19 is approved as submitted. The quality of materials and design details (brick and curtain wall) as approved are important features in meeting the Commission's guidelines. Any significant changes to the approved design, details and materials will require further review by the Permit Review Committee;

2. Permit drawings shall include dimensioned details for all windows and storefronts as well as brick patterns and mullion details;
3. Historic Preservation staff shall view for approval all material samples prior to permit application; and,
4. Any signage, including any exterior lighting, shall be permitted separately and reviewed and approved by Historic Preservation staff prior to order and installation.

**4. 1822 S. Throop
Proposed Pilsen District**

25th Ward

Proposed new construction of three-story, three-unit, masonry, residential building.

Action: Approved unanimously (4-0) with the following conditions:

1. As proposed, front and side elevations are to be clad in brown, standard size, modular, face brick. The color of the mortar shall match the color of the brick. Historic Preservation staff shall review and approve all material samples with permit application; and,
2. The rooftop metal stair enclosure cladding shall be dark with a non-reflective finish.
