453 W BRIAR PLACE - PROJECT NARRATIVE

January 13, 2023

The goal for the proposed development at 453 W Briar Place is to provide a new 5-story multi-unit residential that matches the character and quality of the existing historic building stock found throughout the Lakeview neighborhood. In order to provide the appropriate scale and quality of unit on this site, a zoning change from RM-5 to RM-6 was pursued to increase the building height and area. The south side of the 400 block of W Briar Place does not have access to an alley, which requires vehicular access from the street at the front of the building. The extra building height permitted by the zoning change allows the vehicular and pedestrian access to be provided at grade, as opposed to a sunken drive and lobby, which is a safer condition for pedestrians and improves accessible access to the building. The design of the building was influenced by several buildings in the neighborhood, but the immediate context was the most important reference. Bay windows projecting from the front façade are the signature features observed in nearby multi-unit residential buildings, so we incorporated a pair of bay windows that are capped by a material change and 5th floor setback to emphasize their prominence. The project will feature high-quality waterstruck brick, arched openings, a rusticated base, and limestone accents that align with the elements of traditional architecture found throughout Lakeview.

We have had several meetings with Alderman Tunney and two community meetings with the Southeast Lakeview Neighbors group (SELVN). Over the course of these meetings several design variations were presented to the alderman and SELVN and ultimately the building was reduced from 6 stories to 5 stories. Multiple members of SELVN commented that they liked the design and think the building would be a nice addition to the block.

PART FOUR

I. Fourteen Basic Policies

1. Complete the publicly owned and locally controlled park system the entire Chicago lakefront.

RESPONSE: This project is a little more than one thousand feet of the lakeshore park and will provide nearby housing for families to enjoy and utilize the park's many facilities.

2. Maintain and enhance the predominantly landscaped, spacious and continuous character of the lakeshore parks.

RESPONSE: This development's landscape plan will extend and continue the lakeshore park's verdant character into the nearby neighborhood.

3. Continue to improve the water quality and ecological balance of Lake Michigan.

RESPONSE: This project is too small to have any significant impact on the water quality or ecological balance of Lake Michigan.

4. Preserve the cultural, historical, and recreational heritage of the lakeshore parks.

RESPONSE: The families who will inhabit the residence created by this development will add to and participate in the lakeshore parks cultural, historical and recreational heritage.

5. Maintain and improve the formal character and open water vista of Grant Park with no new above-ground structures permitted.

RESPONSE: This development is close to Lincoln Park but will have no effect on the vistas of Grant Park.

6. Increase the diversity of recreational opportunities while emphasizing lake-oriented leisure time activities.

RESPONSE: Because of their proximity, the families from this facility will naturally be drawn to taking the advantage of the recreational opportunities provided by the lake-oriented leisure time activities.

7. Protect and develop natural lakeshore park and water areas for wildlife habitation.

RESPONSE: The nearby lakeshore park does help protect and develop park and water areas for wildlife habitation but because of its small **size** this development should neither help nor hurt that habitation.

8. Increase personal safety.

RESPONSE: Because it will put additional eyes on the ground, this development will incrementally increase public safety.

9. Design all lake edge and lake construction to prevent detrimental shoreline erosion.

RESPONSE: This development will have no effect on the design of the lake edge construction.

10. Ensure harmonious relationship between the lakeshore parks and the community edge, but in no instance will further private development be permitted East of Lake Shore Drive.

RESPONSE: This development will be west of Lake Shore Drive and will enhance the harmonious relationship between the community at the edge of the lakeshore parks by increasing the edge communities diverse use of the parks with people of all ages.

11. Improve access to the lakeshore parks and reduce through vehicular traffic on secondary park roads.

RESPONSE: This development should help reduce vehicular traffic in the lakeshore parks because its residents will have on-site parking and with walking distance to the parks.

12. Strengthen the parkway characteristics of Lake Shore Drive and prohibit the roadway of expressway standards.

RESPONSE: The development should have no effect on any of the characteristics of Lake Shore Drive.

13. Ensure that all port, water supply, and public facilities are designed to enhance lakefront character.

RESPONSE: Since this is a small private development it will have no effect on the design of port, water supply or public facilities.

14. Coordinate all public and private development within the water, park, and community zones.

RESPONSE: By participating in this lakefront protection process this development is helping to coordinate public and private development in one of the community zones near the water and parks.

II Thirteen Purposes

1. To promote and protect the health, safety, comfort, convenience and the general welfare of the people, and to conserve our natural resources;

RESPONSE: The families who become residents of this development will add to the safety and general welfare by adding eyes on the ground in and around the lakeshore parks and their proximity will create a comfortable and convenient place for them to enjoy the natural resources of the park and lake.

2. To identify and establish the Lake Michigan and Chicago Lakefront Protection District and to divide that District into several zones wherein any and all development or construction, as specified in Article V hereinafter, shall be specifically restricted and regulated.

RESPONSE: This development is at the western edge of a designated portion of the Chicago Lakefront Protection District and will comply with the restrictions and regulations of the District.

3. To maintain and improve the purity and quality of the waters of Lake Michigan.

RESPONSE: This development will comply with all ordinances and regulations of the City of Chicago but is too small to directly effect the purity and quality of the waters of Lake Michigan.

4. To insure that construction in the Lake or modification of the existing shoreline shall not be permitted if such construction or modification would cause environmental or ecological damage to the Lake or would diminish water quality; and to insure that the life patterns of fish, migratory birds and other fauna are recognized and supported.

RESPONSE: This development is located at the outer western edge of the District and should have no effect on the environmental or ecological well being of the Lake, its water quality or its fish or wildlife.

5. To insure that the Lakefront Parks and the Lake itself are devoted only to public purposes and to insure the integrity of and expand the quantity and quality of the Lakefront Parks.

RESPONSE: The residents of this development will benefit from their proximity to the public purposes and quality of the nearby lakeshore park.

6. To promote and provide for continuous pedestrian movement along the shoreline.

RESPONSE: The residents of this development will become some of the pedestrians which will use the established continuous accessible pathways along the Lakefront.

7. To promote and provide for pedestrian access to the Lake and Lakefront Parks from and through areas adjacent thereto at regular intervals of one-fourth mile and additional places wherever possible, and to protect and enhance vistas at these locations and wherever else possible.

RESPONSE: The residents of this development will become some of the pedestrians which will need and demand access to the nearby lakeshore park.

8. To promote and provide for improved public transportation access to the Lakefront.

RESPONSE: The residents of this development will have the luxury of being within walking distance to the lakeshore parks which will free up space on existing public transportation to allow others from further away access to the amenities of the Lakefront Parks.

9. To insure that no roadway of expressway standards, as hereinafter defined, shall be permitted in the Lakefront Parks.

RESPONSE: This development will have no effect on any expressway standards involving the Lakefront Parks.

10. To insure that development of properties adjacent to the Lake or the Lakefront Parks is so defined as to implement the above-stated purposes, provided, however, that with respect to property located within the Private Use Zone as established by Article V, VI, and IX of this Ordinance, the permitted use, special use, lot area per dwelling unit, and floor area ratio provisions of the Chicago Zoning Ordinance, Chapter 194A of the Municipal Code of Chicago, shall govern except where such provisions are in substantial conflict with the purposes of this Ordinance of the Fourteen Basic Policies of the Lakefront Plan of Chicago.

RESPONSE: This development will be compliant with all ordinances of the City of Chicago.

11. To achieve the above-stated purposes, the appropriate public agency should acquire such properties or rights as may be necessary and desirable.

RESPONSE: This development will have no effect on any public agency's ability to acquire properties or rights except insofar as it contributes to the tax base of such agency.

12. To define and limit the powers and duties of administrative body and officers as provided herein.

RESPONSE: This development cannot define nor limit the powers or duties of any administrative body or its officers.

13. Nothing contained in the Lake Michigan and Chicago Lakefront Protection Ordinance shall be deemed to be a waiver or consent, license or permit to use any property or to locate, construct or maintain any building, structure or facility or to carry on any trade, industry, occupation or activity which may be otherwise required by law.

RESPONSE: This development will comply with all applicable laws.

A. CERTIFICATION REGARDING LOBBYING

1. List below the names of all persons or entities registered under the federal Lobbying Disclosure Act of 1995 who have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter: (Begin list here, add sheets as necessary):

(If no explanation appears or begins on the lines above, or if the letters "NA" or if the word "None" appear, it will be conclusively presumed that the Disclosing Party means that NO persons or entities registered under the Lobbying Disclosure Act of 1995 have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter.)

2. The Disclosing Party has not spent and will not expend any federally appropriated funds to pay any person or entity listed in Paragraph A.1. above for his or her lobbying activities or to pay any person or entity to influence or attempt to influence an officer or employee of any agency, as defined by applicable federal law, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress, in connection with the award of any federally funded contract, making any federally funded grant or loan, entering into any cooperative agreement, or to extend, continue, renew, amend, or modify any federally funded contract, grant, loan, or cooperative agreement.

3. The Disclosing Party will submit an updated certification at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the statements and information set forth in paragraphs A.1. and A.2. above.

If the Matter is federally funded and any funds other than federally appropriated funds have been or will be paid to any person or entity for influencing or attempting to influence an officer or employee of any agency (as defined by applicable federal law), a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the Matter, the Disclosing Party must complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions. 5. If the Disclosing Party is the Applicant, the Disclosing Party must obtain certifications equal in form and substance to paragraphs A.1. through A.4. above from all subcontractors before it awards any subcontract and the Disclosing Party must maintain all such subcontractors' certifications for the duration of the Matter and must make such certifications promptly available to the City upon request.

SECTION VII -- ACKNOWLEDGMENTS, CONTRACT INCORPORATION, COMPLIANCE, PENALTIES, DISCLOSURE

The Disclosing Party understands and agrees that:

A. By completing and filing this EDS, the Disclosing Party acknowledges and agrees, on behalf of itself and the persons or entities named in this EDS, that the City may investigate the creditworthiness of some or all of the persons or entities named in this EDS.

B. The certifications, disclosures, and acknowledgments contained in this EDS will become part of any contract or other agreement between the Applicant and the City in connection with the Matter, whether procurement, City assistance, or other City action, and are material inducements to the City's execution of any contract or taking other action with respect to the Matter. The Disclosing Party understands that it must comply with all statutes, ordinances, and regulations on which this EDS is based.

C. The City's Governmental Ethics and Campaign Financing Ordinances, Chapters 2-156 and 2-164 of the Municipal Code, impose certain duties and obligations on persons or entities seeking City contracts, work, business, or transactions. The full text of these ordinances and a training program is available on line at www.cityofchicago.org/Ethics, and may also be obtained from the City's Board of Ethics, 740 N. Sedgwick St., Suite 500, Chicago, IL 60610, (312) 744-9660. The Disclosing Party must comply fully with the applicable ordinances.

D. If the City determines that any information provided in this EDS is false, incomplete or inaccurate, any contract or other agreement in connection with which it is submitted may be rescinded or be void or voidable, and the City may pursue any remedies under the contract or agreement (if not rescinded, void or voidable), at law, or in equity, including terminating the Disclosing Party's participation in the Matter and/or declining to allow the Disclosing Party to participate in other transactions with the City. Remedies at law for a false statement of material fact may include incarceration and an award to the City of treble damages.

E. It is the City's policy to make this document available to the public on its Internet site and/or upon request. Some or all of the information provided on this EDS and any attachments to this EDS may be made available to the public on the Internet, in response to a Freedom of Information Act request, or otherwise. By completing and signing this EDS, the Disclosing Party waives and releases any possible rights or claims which it may have against the City in connection with the public release of information contained in this EDS and also authorizes the City to verify the accuracy of any information submitted in this EDS.

F. The information provided in this EDS must be kept current. In the event of changes, the Disclosing Party must supplement this EDS up to the time the City takes action on the Matter. If the Matter is a contract being handled by the City's Department of Procurement Services, the Disclosing Party must update this EDS as the contract requires.

The Disclosing Party represents and warrants that:

G. The Disclosing Party has not withheld or reserved any disclosures as to economic interests in the Disclosing Party, or as to the Matter, or any information, data or plan as to the intended use or purpose for which the Applicant seeks City Council or other City agency action.

For purposes of the certifications in H.1. and H.2. below, the term "affiliate" means any person or entity that, directly or indirectly: controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of another person or entity. Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members; shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with the federal government or a state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity.

H.1. The Disclosing Party is not delinquent in the payment of any tax administered by the Illinois Department of Revenue, nor are the Disclosing Party or its affiliates delinquent in paying any fine, fee, tax or other charge owed to the City. This includes, but is not limited to, all water charges, sewer charges, license fees, parking tickets, property taxes or sales taxes.

H.2. If the Disclosing Party is the Applicant, the Disclosing Party and its affiliates will not use, nor permit their subcontractors to use, any facility on the U.S. EPA's List of Violating Facilities in connection with the Matter for the duration of time that such facility remains on the list.

H.3 If the Disclosing Party is the Applicant, the Disclosing Party will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in H.1. and H.2. above and will not, without the prior written consent of the City, use any such contractor/subcontractor that does not provide such certifications or that the Disclosing Party has reason to believe has not provided or cannot provide truthful certifications.

NOTE: If the Disclosing Party cannot certify as to any of the items in H.1., H.2. or H.3. above, an explanatory statement must be attached to this EDS.
