15. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises ("M/WBEs") and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of (i) 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant's proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant's submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may

request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

16. The Applicant acknowledges and agrees that the rezoning of the Property from BPD No. 1292 to C2-5 and then to RBPDP No. 1292, as amended, for construction of the Project triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or the "ARO"). The Applicant further acknowledges and agrees that the Property is located in the Near North/Near West Pilot Area, pursuant to Section 2-45-117 of the Municipal Code (the "Near North/Near West ARO Pilot Area Ordinance" or the "Pilot"). The Near North/Near West Pilot Area is divided into two zones: the Near North Zone and the Near West Zone; the Property is located in the Near North Zone. In the Near North Zone, pursuant to ARO, the percentage of units in a residential housing project required to be affordable for a period of 30 years, whether rental or for-sale, is increased from 10 % to 20 %. Any developer of a residential housing project in the Near North Zone must provide the first 10 % of units required to be affordable (the "First Units") either: (i) in the residential housing project, or (ii) with the approval of the Commissioner of the Department of Housing (the "Commissioner"), in an off-site location within two miles of the Property and in the same or a different higher income area or downtown district, or (iii) any combination of (i) and (ii). In addition, the developer must provide the (second) 10 % of units required to be affordable (the "Additional Units") either: (i) in the residential housing project, or (ii) with the Commissioner's approval, in an off-site location anywhere within the Near North/Near West Pilot Area, regardless of distance from the project or income area, or (iii) any combination of (i) and (ii). The project has a total of 487 housing units. Applying the incentive for family-sized units pursuant to Section 2-45-117(G)(6) of the ARO, sixty-six (66) ARO units are required. The Applicant has agreed to satisfy its affordable housing obligation by providing sixty-seven (67) ARO units, of which thirty-four (34) are First Units and thirty-three (33) are Additional Units as set forth in the Affordable Housing Profile. The First Units will be constructed in the Sub-Area B building as for-sale condominium units. The Additional Units shall be for-sale townhome units to be located within a development located on South Francisco between W. Congress and W. Harrison. If the Applicant subsequently reduces (or increases) the number of housing units in the project, or elects to build a for-sale project instead of a rental project, or (with the Commissioner's approval) elects to construct off-site units instead of on-site units, the Applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval. DPD may adjust the requirements to reflect any such change without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement

will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner may enforce remedies for any breach of this Statement 16, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

17. This Planned Development shall be governed by Section 17-13-0612. Should this Planned Development ordinance lapse, the Zoning Administrator shall initiate a Zoning Map Amendment to rezone the property to a C2-5 Commercial, Manufacturing, and Employment District.
