**Re: Minor change request for PD No. 1006, Subarea's A and B
Parkside of Old Town, W. Division and N. Cleveland, Blocks 1, 5, 6, 7 and 8**

Dear Mr. Friedland:

Please be advised that your request for a minor change to Residential Commercial Planned Development No. 1006 ("PD 1006"), as amended, has been considered by the Department of Planning and Development pursuant to Section 17-13-0611 of the Chicago Zoning Ordinance and Statement No.12 of PD 1006. A minor change was previously granted to PD 1006 in 2014 for Block 3, Building's 2 and 11.

Your law firm represents Parkside Associates, LLC (the "Applicant"), who has built a total of 592 dwelling units in the PD. They would like to make some changes to the original site plan in order to facilitate the development of the remainder of the site. The majority of the PD land is owned by the Chicago Housing Authority and they have provided their consent for this request. The Wayman Church owns the north 50 feet of Block 6 in the PD and they have also provided their consent. The Applicant is seeking a minor change to allow the following modifications:

- Increase the max. number of dwelling units in Sub area B from 395 to 399 and decrease the max. number of units in Sub area A from 395 to 383. The total max. number of dwelling units in the PD will decrease from 790 to 782.
- Decrease the min. number of parking spaces in Sub Area B from 354 to 351 and increase the min. number of parking spaces in Sub area A from 335 to 340 spaces. The total minimum number of parking spaces within the PD will increase from 689 to 691. These changes are shown on the attached, revised Bulk Regulations and Data Table.
- On Block 1, the proposed 5-unit townhouse (Building 15) has been eliminated and the proposed 12-unit townhouse (Building 16) will be replaced with a 9-unit townhouse bldg.
- On Block 7, the proposed 5-unit Building 24 will be replaced with a 3-unit townhouse and the proposed 12 unit townhouse (Building 23) will be reduced to 9-units. Seven of the 12 townhouse units (58%) will require relief from the 200 square foot private yard requirement. Previously, 11 of the proposed 17 units (65%) had a private yard less than 200 SF.
- On Block 5, the proposed 8-story multi-unit Building 5 will be reduced to a 7-story, 69 unit building and the four proposed townhouse buildings (Buildings 17, 18, 31 and 32), totaling 18 units, will be replaced with two, 3-story walk-up buildings, totaling 33 units.

- On Block 6, the proposed 5 unit townhouse building (Building 19) will be replaced with two, 2-unit buildings, and the three, proposed 12-unit townhouse buildings (Buildings 20, 21 and 22) will be reduced to 9-units each. Seven of the 31 units on Block 6 (22 %) require relief from the 200 square foot private yard requirement. Previously, 12 of the 41 units (29%) had less than 200 SF private yards. A reduction is still required since several of the townhouse buildings have been moved closer to the street to provide the interior, drive lanes and parking areas on the block. A greenway has also been added to achieve a greater landscaped area.
- On Block 8, the proposed six, 8-unit townhouse buildings (Buildings 25-30) will be replaced with four, 9-unit townhouse buildings. Fourteen of the 36 units (39%) need yard relief. Previously 24 of the proposed 48 units (50%) had less than 200 SF yards.
- CDOT has approved the revised site plans which include several new curb cuts. Finally, the building elevations have been modified. The cladding materials are similar to what was previously approved in the 2014 Administrative Relief. A drainable EIFS system is being allowed on the recessed portion only of the balconies of Building 5. The proposed modifications are shown on the revised, attached drawings: Proposed PD Site Plan, Blocks 1 and 7 Plan, Block 5 Plan, Block 6 Plan, Block 8 Plan, Building Elevations: Building 16 (2), Building 23 (2), Building 24, Building 5 (3), Building 31(2), Building 32 (3), Building 18, Building 19, Building 20, Building 21, Building 22, Building 26, Building 27, Building 28, and Building 29.

With regard to your request, the Department of Planning and Development has determined that allowing these modifications will not create an adverse impact on the Planned Development or surrounding neighborhood, will not result in an increase in the bulk or density, and will not change the character of the development, and therefore, would constitute a minor change.

Accordingly, pursuant to the authority granted by the Chicago Zoning Ordinance and PD No. 1006, I hereby approve the foregoing minor change, but no other changes to this Planned Development. This minor change is valid for twelve (12) months from the date of this letter unless action to implement the minor change is commenced within such time period and thereafter diligently pursued to completion, including, if applicable, construction consistent with the minor change as authorized by a building permit. If action to implement the minor change, including construction, does not begin within the time set forth, or does not proceed with reasonable diligence, then the approval will lapse and become null and void.

Sincerely,

Patrick Murphey
Acting Zoning Administrator

Re: Administrative Relief request for Residential Commercial Planned Development No. 1006, Subarea B, Block 3, Parkside of Old Town, Building's 2 and 11, West Division Street and North Cleveland Avenue

Dear Mr. Friedland:

Please be advised that your request for a minor change to Residential Commercial Planned Development No. 1006 ("PD 1006"), as amended, has been considered by the Department of Planning and Development pursuant to Section 17-13-0611 of the Chicago Zoning Ordinance and Statement No.12 of PD 1006.

Your law firm represents Parkside Associates, LLC (the "Applicant"), who will develop and own two new buildings in Subarea B of the Planned Development. The two buildings are designated as Buildings 2 and 11 in the PD. The entire Subarea is owned by the Chicago Housing Authority who has provided their consent for this request. The Applicant is seeking an administrative relief to allow the following modifications:

- In regards to Building 2, an increase in dwelling units from 79 to 94 units, an increase in height from 88 feet to 90 feet and minor setback changes.
- In regards to Building 11, an increase in dwelling units from 8 to 12 units, a decrease in height from 36 feet to 31.5 feet and minor setback changes.

The Applicant is seeking a redistribution of units and not an overall increase. The total number of dwelling units allowed in Subarea B will remain 395. Building 2 will have 59 parking spaces and Building 11 will have 7 parking spaces. There is no change to the minimum of 354 parking spaces required within Subarea B. The attached drawings, prepared by Landon Bone Baker, and dated January 10, 2014, shall be inserted into the main file: Site Plan, and North, East, West and South Elevations for Building's 2 and 11.

With regard to your request, the Department of Planning and Development has determined that allowing these modifications will not create an adverse impact on the Planned Development or

surrounding neighborhood, will not result in an increase in the bulk or density, and will not change the character of the development, and therefore, would constitute a minor change.

Accordingly, pursuant to the authority granted by the Chicago Zoning Ordinance and Residential Commercial Planned Development No. 1006, I hereby approve the foregoing minor change, but no other changes to this Planned Development. This minor change is valid for twelve (12) months from the date of this letter unless action to implement the minor change is commenced within such time period and thereafter diligently pursued to completion, including, if applicable, construction consistent with the minor change as authorized by a building permit. If action to implement the minor change, including construction, does not begin within the time set forth, or does not proceed with reasonable diligence, then the approval will lapse and become null and void.

Sincerely,

Patricia A. Scudiero
Zoning Administrator
