Austin:
FORWARD. TOGETHER.

*Facilitated by LISC in partnership with
Austin Coming Together*

“Chicago Avenue is one of Austin’s primary thoroughfares that can once again become a main shopping district in our community and a draw for residents and visitors. Streetscape enhancements and other public and private investments can develop a vibrant, sustainable and safe business corridor.”

AUSTIN
FORWARD. TOGETHER.

“Austin is becoming a powerful community of civically engaged residents, responsive and accountable institutions, and highly collaborative private, public, nonprofit and faith-based leaders.”
