Inventory Profile: The City acquired the land through a demolition lien in 1995, and the building through tax foreclosure in 2002.

III. BACKGROUND

The Strand Hotel is conveniently located at 6315 S. Cottage Grove Avenue, just south of 63rd Street. Cottage Grove Avenue is the main north-south thoroughfare through the community, and 63rd Street is the primary east-west thoroughfare, providing direct access to the Dan Ryan Expressway (I-90/94) 1.3 miles west, and to South Lake Shore Drive (via Hayes Drive), approximately 1.6 miles east. The parking lot will be accessible by way of Maryland Avenue, a southbound one-way street one block east of Cottage Grove, and via the alley immediately north of the building.

Once a prominent feature of the thriving business district at 63rd and Cottage Grove, the Strand Hotel now sits vacant and is owned by the City of Chicago. Constructed in 1914, the architectural features of this building, including the facade and interior lobby and public spaces, are largely intact. The building was listed on National Register of Historic Places on January 29, 2013.

The City acquired the land through a demolition lien in 1995, and the building through tax

foreclosure in 2002. In 2011, the developer submitted an application as part of the City's Multifamily Housing Low Income Housing Tax Credit (LIHTC) funding round. In January 2012, the developer was invited to submit its stage two application for the project and ultimately was approved to proceed as the selected developer of the site.

Based upon the most recent market study completed by American Marketing Services, Inc., the subject property is located in the Woodlawn community, near the busy commercial intersection of 63rd Street and Cottage Grove Avenue. The immediate area is comprised mainly of large institutional land-uses and small commercial and mixed-use buildings. While some of the commercial buildings are in good condition, large proportions are older and show signs of deferred maintenance. In addition, some of the older storefronts are currently shuttered. The residential blocks consist primarily of two-flats, three-flats and small multifamily buildings. Some blocks in the neighborhood show the negative effects of decades of disinvestment and decline, with a high concentration of poverty and numerous vacant lots and boarded-up homes. Nonetheless, there has been new housing development and renovation activity, particularly to the north and east of the development site.

One block north of 63rd Street, on both sides of Cottage Grove, is Woodlawn Park, the large-scale community redevelopment initiative at the site of the former Grove Parc Plaza housing development. Woodlawn Park was awarded a Choice Community Initiative grant from HUD, which brought over \$30 million in comprehensive redevelopment funding to the community. The first phase of the development is complete and occupied, while the second phase is under construction. When complete, Woodlawn Park will provide more than 400 units of new mixed-income family housing, as well as senior housing, commercial space and shared recreational amenities. The site has moderate access to shopping and services. A grocery store, pharmacy, convenience store, and restaurants can be found within one block of the site.

Land uses north of 61st and east of Cottage Grove are dominated by the University of Chicago's South Campus. The ongoing redevelopment project includes dormitories, classrooms, medical offices, a 1,000-space parking facility and the Reva and David Logan Center for the Arts.

The Primary Market Area (PMA) for the Strand Hotel includes the area bounded by the Dan Ryan Expressway (I-90/94) on the west; 79th Street on the south; Stony Island and Cottage Grove on the east; and 60th Street and Garfield Boulevard (55th Street) on the north. The PMA encompasses the entirety of the Woodlawn community, as well as portions of the Washington Park, South Shore, Greater Grand Crossing and Avalon Park communities.

According to the market study, it's expected that 75% of the prospective renters at the Strand Hotel will come from the PMA. Additional demand is expected to come mainly from other portions of the city's south side. The PMA is predominantly African American, with this group representing 91.8% of the 2013 population. The remaining population is 3.4% White, 1.8% Latino, and 2.9% other; little change is projected for the next five years.

Householders in the PMA are generally older than those in the city of Chicago as a whole. In 2013, 4.0% were under age 25 and 55.3% were between 25 and 54 years of age. By comparison, in the city, 4.6% were under 25 and 60.7% were 25 to 54. Some 41.0% of PMA householders

were over the age of 55, compared to only 34.7% in Chicago. By 2018, households in both the PMA and Chicago are projected to trend older, with the proportion of householders between the ages of 25 and 54 years falling to 52.8% in the PMA and 59.4% in the city. During the next five years, the 55 or older age group is projected to rise to 43.4% of the PMA and 37.1% of the city.

Household sizes in the PMA closely mirror those of the city as a whole. From 2000 to 2013, the average PMA household size decreased 6.8%, to 2.48 persons, while the city average fell 6.4%, to 2.50 persons. During the next five years, household size is projected to fall only slightly. In 2018, average household size is expected to be 2.46 persons in the PMA and 2.47 persons in Chicago. The household size distributions were also similar in the areas examined. In 2013, 36.4% of PMA households consist of one person, compared to 35.5% of Chicago households. Households with one or two persons, which are expected to comprise demand for the proposed units, comprise 61.3% and 62.9% of the two areas, respectively.

The median household income of the PMA is lower than that of the city of Chicago, and income growth over the past thirteen years has been slower. In 2013, the PMA median income of \$25,543 was a full 42.9% lower than the Chicago median income, and median household income is expected to change very little over the next five years in both areas, with a slight decline of 0.6% in the PMA.

V. PROPOSED PROJECT

Project Overview: A proposed residential business planned development by Historic Strand, LP for the property generally located at 6315 S. Cottage grove avenue and 6314 S. Maryland Avenue. The applicant proposes to rehab and renovate the former strand hotel into a mixed use commercial/residential building. The proposed building is a five-story building containing 63 residential units and three commercial units on the ground floor. There will be 62 residential units on floors two through five, and one residential unit for the on-site building manager. The project will also include a surface parking lot on south Maryland avenue consisting of 30 parking spaces, two (2) of which will be accessible spaces. There will be 46 spaces for bicycle parking located in the strand hotel building, and there will be two exterior bike parking spaces.

A site plan, floor plans and elevation are provided as exhibits to this report.

Residential Unit Profile: The following tables provide detailed descriptions of the market-rate

and affordable components of the proposed project. The subject property will provide a total of 63 housing units of which 53 units will be affordable for households earning no more than 60 percent of the area median income. These units will satisfy the Chicago Affordable Requirements Ordinance, which requires 10 percent of the total units to be affordable in projects developed on land sold by the City or 20 percent of the units in projects receiving TIF assistance.

Total	62 Units	50%-MR	33,780 sf			\$ 39,991	

*Total of 63 units including the one bedroom Residential Manager’s Unit. Tenants pay electricity and water heating.

affordable rent paid by the tenant is based on the tenant’s income and not on market comparables. The maximum rent for each defined “affordable” income level is published annually by the US Department of Planning and Development and listed according to building construction type (i.e. apartment, townhouse, house), number of bedrooms and household size. Rent per square foot is not considered except that HUD housing quality standards and Chicago zoning and building codes set minimum room and unit sizes. Different federal funding development and operating support sources may have different maximum income and rent restrictions.

When developers determine the rent to charge for a project that is using HUD program subsidies through one of the City of Chicago’s Multifamily Financing programs, the developer is required to establish market-area rents by commissioning a market study of the targeted market area. The developer is allowed to charge the lesser of HUD-estimated Fair Market Rent or the rent cap by income group (i.e., the 60% rent), but must also take into consideration the localized rent for the development’s targeted market area, which is often much lower than the HUD FMR, and may be the same as, or even lower than, the affordable” rent levels.

Environmental Features:

The building will include a number of environmental features such as energy efficient window and appliances, and low VOC paints. Downspouts from the building will be connected to a 55 gallon rain barrel at the south side lot. This will recapture stormwater runoff for use as irrigation. Also, the development site provides permeable pavement for all parking areas to allow for infiltration, and also detaining detention for 100-year storm event. This system captures the stormwater runoff and recharges the groundwater table. It also prevents excess stormwater from reaching the municipal sewer main, thereby providing relief for the City water treatment plants.

VI. FINANCIAL STRUCTURE

The project includes the historic preservation and rehabilitation of the former Strand Hotel. The new construction includes 63 studio and one bedroom units, including one residential management unit. Of these units 53 will be affordable for tenants with incomes at or below 60% of AMI. In addition to the land write-down and the \$2,000,000 in TIF, which represents 11.65% of the total project cost, the City will include a Multifamily Loan amount of approximately \$4.7M, up to \$1.25M in 9% Low Income Housing Tax Credits (LIHTC), and up to \$337,500 in Donation Tax Credits (DTC's). Other project financing will include \$155,000 in DCEO funds and approximately \$3.7M in Historic Tax Credits (HTC). Together the LIHTC's, DTC's, and HTC's will generate approximately \$15.7M in Tax Credit Equity for the benefit of the project.

The TIF will be provided from area-wide increment, and based on availability, and will be paid out partially during construction, and partially after construction completion. The total TIF payment of \$2,000,000 is estimated to be paid in two payments, \$1,000,000 in the second half of 2014 and \$1,000,000 at certificate of completion. The units are required to maintain the affordable rents and occupancy restrictions for a minimum of 30 years as a condition of the financing. The total project cost is \$22,916,932.

The following table identifies the sources and uses of funds.

VII. PUBLIC BENEFITS

The proposed project will provide the following public benefits:

Affordable Housing: The project will provide 53 new affordable housing units.

Property Taxes: The project will expand the tax base by returning a tax exempt property to the tax rolls.

Environmental Features: The project will incorporate permeable pavers and rain barrels, and the building will meet Chicago's energy star rating requirement.

Construction Jobs: The project will produce at least 75 temporary construction jobs.

Affirmative Action: The developer will comply with the requirements of Chicago's affirmative action ordinance, which requires contract participation of 24% by minority-owned business enterprises (MBEs) and 4% by woman-owned business enterprises (WBEs). The developer has provided notification of the proposed project, by certified mail, to several associations of minority and women contractors. A sample version of the letter and copies of the post office receipts for the certified letters are presented as exhibits to this report.

City Residency: The developer will comply with the requirements of Chicago's city residency ordinance, which requires that at least half of all construction-worker hours be filled by Chicago residents. The developer will also comply with the requirement that all construction jobs are paid the prevailing wage.

Permanent Jobs: The project is estimated to generate 2 permanent jobs in maintenance and property management.

VIII. COMMUNITY SUPPORT

Alderman Cochran endorses the project and has provided a letter of support (see exhibits for copy).

IX. CONFORMANCE WITH REDEVELOPMENT AREA PLAN

The proposed project is located in the Woodlawn TIF Redevelopment Project Area. The proposed project will satisfy the goals of the area's redevelopment plan by providing new commercial and residential development, and the rehabilitation of existing structures. The implementation strategy for achieving the plan's goals envisions the sale of City land for residential or mixed use development. The proposed project also conforms to the plan's land use map, which calls for mixed use development at the subject site.

X. CONDITIONS OF SALE

If the proposed resolution is approved by the CDC, DPD will release a public notice announcing the proposed sale and seeking alternative development proposals. The public notice will be published in one of Chicago's metropolitan newspapers at least once for each of three consecutive weeks. If no responsive alternative proposals are received within 30 days of the publishing of the first notice, the department will accept a good faith deposit from the proposed developer, and a redevelopment agreement will be negotiated. The redevelopment agreement will incorporate the parameters of the proposed project as described in this staff report.

It is DPD policy that no business will be conducted with a development entity whose any principal has outstanding municipal debts (such as unpaid parking tickets, unpaid water bills, unpaid business licenses, and others), is in arrears of child support payments, or who is a debtor in bankruptcy, a defendant in a legal action for deficient performance, a respondent in an administrative action for deficient performance, or a defendant in any criminal action.

Closing of the sale of the property will not occur before the City Council has approved the redevelopment agreement, the developer has obtained all necessary City approvals including zoning and building permits, and the developer has presented proof of financing. The documents will include a development timetable.

XI. RECOMMENDATION

The Department of Planning and Development has thoroughly reviewed the proposed project, the qualifications of the development team, the financial structure of the project, the need for public assistance, its public benefits, and the project's conformance with the redevelopment area plan, and DPD recommends that the CDC approve the sale of 6315 S. Cottage Grove and 6314 S. Maryland to Holsten Real Estate Development Corporation, Historic Strand LP, or its related entity for the rehabilitation and historic preservation of the former Strand Hotel for the purpose of affordable housing, and the redevelopment of the adjacent vacant parcel for parking, and recommends the designation of Holsten Real Estate Development Corporation, Historic Strand LP, or its related entity as Developer.

Dear Ms. Henderson:

✓ Holsten Real Estate Development Corporation is pleased to announce the redevelopment of the properties located at 6315 South Cottage Grove Avenue and 6314 South Maryland Avenue, Chicago, Illinois. The properties consist of an approximately 80,000 square foot vacant building that is listed on the National Register of Historic Places and a 12,500 square foot vacant lot. These properties will be redeveloped to include 62 studio and one bedroom units, a resident manager unit, ground floor commercial space, and 28 surface parking spaces.

Holsten Real Estate Development Corporation has chosen Linn-Mathes, Inc. to be the general contractor for the project. The project will require participation of trades such as carpentry, electrical, mechanical, plumbing, paving, roofing, and others. Attached to this letter is the project budget, which identifies the items subject to minority business enterprise (MBE) participation of 24 percent and women business enterprise (WBE) participation of 4 percent. The attachment also includes the estimated project schedule and contact information for the general contractor.

At your request, the general contractor will meet with a representative from your organization to present the project budget and schedule. At your request, the general contractor will also provide your organization with one copy of the project bid documents (including plans and specifications).

Holsten Development Corporation is requesting that you make your member companies aware of this exciting project so that they may submit bids for appropriate subcontracting opportunities. Should you have any questions, please do not hesitate to call.

Sincerely,

Peter Holsten

Dear Andrea:

Thank you for considering JPMorgan Chase Bank, N.A. We have completed a preliminary review of the materials you have submitted, and the following is a brief outline of the terms that we propose to underwrite for credit approval. Of course, this letter is for discussion purposes only and does not represent a commitment by JPMorgan Chase to provide financing for the project nor an offer to commit, but rather is intended to serve as a basis for further discussion and negotiation should you wish to pursue the proposed transaction. Our interest and preliminary terms are subject to change as our due diligence and discussions with you continue. Please note that JPMorgan Chase and its affiliates may be providing debt financing, equity capital or other services (including financial advisory services) to other companies in respect of which you may have conflicting interests regarding the transaction described herein or otherwise. JPMorgan Chase and its affiliates may share information about you in connection with the potential transaction or other possible transactions with you.

RE: The Strand Hotel
6315-6325 S. Cottage Grove Avenue
PIN: 20-23-100-004-0000

This letter serves as my formal support for Holsten Management Corporation's plan to renovate the Strand Hotel located at 6315-6325 S. Cottage Grove Avenue. The renovation will take a previously abandoned property on a main commercial thoroughfare and turn it into much needed mixed-income housing for the community.

Specifically, Holsten Management Corporation has my support for: their Planned Development Zoning application, an application to receive \$2,000,000 in TIF funds, their various public way improvement applications, the sale of the property by the City to Holsten and finally, the designs and alterations related to the project.

Should you have any questions or concerns, please do not hesitate to contact my office at (773) 955-5610.

Sincerely,

Willie B. Cochran
Alderman, 20th Ward

Will,

Please see attached for the Strand. The project is a rehab of the former hotel into 63 units of affordable housing with retail on the ground floor. Tenants have not been identified at this time, however, when they become known, the developer will have the tenants forward a copy of the EPNA form to your attention. I've copied Mrs. Kenney on this email as confirmation.

Andrea, this form will also have to be done once the retail tenants have been determined.

Thanks
