Reason why the MOA differs from the Sub Order

Project No: M-07-012.A-3/03-201

South Plant HVAC Upgrades

1. The Sub Order amount differs from the MOA estimate for the following reasons:

The MOA and SOR Difference is accounted for by the fact that, the MOA amount did not reflect the Impulse Radar procedure necessary to ensure that any ceiling and wall penetration does not result in the damage of existing conduits, ducts and equipment in the facility.
