

2023 NOTICE REGARDING EXECUTIVE ORDER 2014-1

EXECUTIVE ORDER 2014-1

For City of Chicago contracts advertised on or after October 1, 2014, Contractor must comply with Mayoral Executive Order 2014-1 and any applicable related regulations issued by the CPO.

As of July 1, 2023, the Minimum Wage to be paid under City contracts or concessionaire agreements pursuant to the Order is **\$16.80** per hour. When applying an allowance for gratuities to the wage of City concessionaire employees in positions that customarily receive gratuities, the resulting rate is **\$8.60** per hour. The Minimum Wage must be paid to:

- All employees, also including employees of City concessionaires, regularly performing work on City property or at a City jobsite.
- All employees whose regular work entails performing a service for the City under a City contract.

Each July 1st, this wage shall increase in proportion to the increase, if any, in the Consumer Price Index for All Urban Consumers most recently published by the Bureau of Labor Statistics of the United States Department of Labor.

For those contracts advertised prior to October 1, 2014, Contractor and all other Performing Parties must pay the Base Wage listed below.

Whether a City contract was awarded before or after October 1, 2014, however, if the payment of prevailing wages is required for work or services done under that contract, and the prevailing wages for Covered Employees are higher than the Minimum Wage or the Base Wage, then the Contractor must pay the prevailing wage rates.
