PROCUREMENT HISTORY

1). In 2002, Bank One donated 120 Bullard MX Thermal Imaging Cameras to the Chicago Fire Department. The Division of Equipment and Supply has now replaced most of these older MX cameras with the newer smaller Bullard T3 max Thermal Imaging Camera.

However, there is a need to purchase misc. parts, approximately 100 P.M.'s, and a possibility of 16 engine (Tier 5) replacements.

2). This will be a continuation of the current contract # 9375 which is assigned to Environmental Safety Group.

3). The Manufacturer Bullard states that Environmental Safety Group is the only authorized thermal imaging distributor/repair facility in Northern Illinois for their cameras.

4). N/A (see answer to question #3)

5). Maintenance and repair of these thermal imaging cameras is an ongoing requirement and we do not see this process changing in the future.

Re: Non-Competitive Procurement Review Board
June 1, 2010 Meeting

Description: Extension of Environmental Safety Group

Requisition No.: 49485
Specification No.: 15077
Requesting Department: Fire Department

The Non-Competitive Procurement Review Board has reviewed the submittal from the Chicago Fire Department dated May 13th, 2010. After reviewing the attached documentation, this request has been approved to extend the Environmental Safety Group contract for five additional periods and increase the vendor limit by \$332,079.43 for preventive maintenance and replacement parts for Thermal Imaging Cameras.

The Non-Competitive Procurement Review Board conditionally approved this request 5-0. The Board asked that Fire: 1) submit a current quote of the cost of each camera, 2) Letter explaining compliance plan, and 3) Sole Source Justification Form with signature pages. To date, these conditions have not been met.

DATE: May 13, 2010

The Fire Department is requesting a modification to the above mentioned Blanket PO be issued. Attached please find:

- 1) One DPS Checklist.
- 2) Justification for Non-Competitive Procurement
- 3) A letter from the vendor indicating their intent to continue with the compliance goals agreed upon in the current contract document.
- 4) A letter from the equipment manufacturer, Bullard, indicating the vendor is the only authorized dealer and service provided in our area.
- 5) Contract documents indicating the five (5) year extension request is an option, indicating the current value of the contract as \$332,079.43. In viewing the current obligations and expenses against this contract, it appears that the current contract value is an accurate estimate for a five (5) year period. For that reason it is requested that the contract limit be doubled, adding \$332,079.43 to the current contract value. This will bring the contract value to \$664,158.86.

Your assistance in this matter is appreciated. If you have any questions or require any further information please contact Karen Sanger on 745-3710.

ESTIMATED COST

- 1). The current contract limit is \$332,079.43. We are requesting that an additional \$332,079.43 be added to the contract to cover expenses that will be incurred during the five (5) year To date the current obligations against this contract are \$275,486.94
- 2). \$66,416 is the estimated average yearly expense we anticipate for the five (5) year extension period.
- 3). The requested amount of \$332,079.13 is based on the current contract expenses for the same amount of year.
- 4). N/A
- 5). Pricing was obtained from the manufacturer and then a discount was applied off list.

SCHEDULED REQUIREMENTS

- 1). The anticipated Preventive Maintenance service is planned on approximately 20 cameras per year and the remainder of expenses will be utilized for unpredictable repairs and replacement of required parts.
- 2). N/A 3). N/A 4). N/A **EXCLUSIVE OR UNIQUE CAPABILITY** 1). N/A 2). Yes Bullard stated that Environmental Safety Group is the only authorized distributor/repair center in the Chicago land area.
- 3). Environmental Safety Group has been the only authorized distributor/repair center for Bullard cameras, for Northern Illinois for over ten (10) years.
- 4). Bullard only allows the Bullard Service Technicians to perform specific repairs to the internal components of the camera due to a required vacuum seal. Environmental Safety Group personnel are certified to perform any other repairs required.
- 5). See responses above.
- 6). N/A
- 7). Sole authorized distributor/repair center documentation is attached.
- 8). Environmental Safety Group is the only authorized distributor/repair center for Northern Illinois per Bullard.

INSTRUCTIONS FOR PREPARATION OF NON-COMPETITIVE PROCUREMENT FORM (Rev. 5/04)

If a City Department has determined that the purchase of supplies, equipment, work and/or services can not be done on a competitive basis, a sole source justification must be prepared on this "Justification for Non-Competitive Procurement Form" in which procurement is requested on a non-bid or non-competitive basis in accordance with 65 ILCS 5/8-10-4 of the Illinois Compiled Statutes. All applicable questions in each Subject Area below must be answered. The information provided must be complete and in sufficient detail to allow for a decision to be made by the Non-Competitive Procurement Review Board. Also attach a complete CPAC Project Checklist, and any other required forms (see Other #1, below). The Board will not consider justifications with incomplete information documentation

PROCUREMENT HISTORY

1. Describe the requirement and how it evolved from initial planning to its present status.
2. Is this a first time requirement or a continuation of previous procurement from the same source? If so, explain the procurement history.
3. Explain attempts made to competitively bid the requirement. (Attach copy of notices and list of sources contacted)
4. Describe all research done to find other sources. (List other cities contacted, companies in the industry contacted, professional organizations, periodicals and other publications used).
5. Explain future procurement objectives. Is this a one-time request or will future requests be made for doing business with the same source?
6. Explain whether or not future competitive bidding is possible. If not, why not?

ESTIMATED COST

1. What is the estimated cost for this requirement (or for each contract, if multiple awards contemplated)? What is the funding source?
2. What is the estimated cost by fiscal year, if the job project or program covers multiple years?
3. Explain the basis for estimating the cost and what assumptions were made and/or data used (ie. budgeted amount, previous contract price, current catalog or cost proposal from firms solicited, engineering or in-house estimate, etc).
4. Explain whether the proposed Contractor or the City has a substantial dollar investment in original design, tooling or other factors which would be duplicated at City expense if another source was considered. Describe cost savings or other measurable benefits to the City which may be achieved.
5. Explain what negotiation of price has occurred or will occur. Detail why the estimated cost is deemed reasonable.

SCHEDULE REQUIREMENTS

1. Explain how the schedule was developed and at what point the specific dates were known.
2. Is lack of drawings and/or specifications a constraining factor to competitive bidding? If so, why is the proposed Contractor the only person or firm able to perform under these circumstances? Why are the drawings and specifications lacking? What is the lead time required to get drawings and specifications suitable for competition? If lack of drawings and specifications is not a constraining factor to competitive bidding, explain why only one person or firm can meet the required schedule.
3. Outline the required schedule by delivery or completion dates and explain the reasons why the schedule is critical.
4. Describe in detail what impact delays for competitive bidding would have on City operations, programs, costs and budgeted funds.

EXCLUSIVE OR UNIQUE CAPABILITY

1. If contemplating hiring a person or firm as a Professional Service Consultant, explain in detail what professional skills, expertise, qualifications, other factors make this person or firm exclusively or uniquely qualified for the project. Attach copy of cost proposal and scope of services.
2. Does the proposed firm have personnel considered unquestionably predominant in the particular field?
3. What prior experience of a highly specialized nature does the person or firm exclusively possess that is vital to the job, project or program?
4. What technical facilities or test equipment does the person or firm exclusively possess of a highly specialized nature which is vital to the job?
5. What other capabilities and/or capacity does the proposed firm possess which is necessary for the specific job, project or program which makes them the only source who can perform the work within the required time schedule without unreasonable costs to the City?
6. If procuring products or equipment, describe the intended use and explain any exclusive or unique capabilities, features and/or functions the items have which no other brands or models, etc. possess. Is compatibility with existing equipment critical from an operational standpoint? Explain why.
7. Is competition precluded because of the existence of patent rights, copyrights, trade secrets, technical data, or other proprietary data? Attach documentation verifying such.
8. If procuring replacement parts and/or maintenance services, explain whether or not replacement parts and/or services can be obtained from any other sources? If not, is the proposed firm the only authorized or exclusive dealer/distributor and/or service center? If so, attach letter from manufacturer.

MBE/WBE COMPLIANCE PLAN

1. All submissions must contain detailed information about how the proposed firm will comply with the requirements of the City's Minority and Women Owned Business program. All submissions must include a complete C-1 and D-1 form, which is available on the Procurement Services page on the City's intranet site.

OTHER

Explain other related considerations and attach all applicable supporting documents (an approved Information Technology Strategy Committee (ITSC) form, an approved Request for Individual Contract Services form, etc.)

Attn.: Steve Demas, President

Subject: Maintenance, Parts and Repair Service for Bullard MX Thermal Imaging Cameras
Specification Number: 15077
Contract Number: 9375
Modification Number: 49416
Re: Five (5) Year Contract Extension

Dear Mr. Demas:

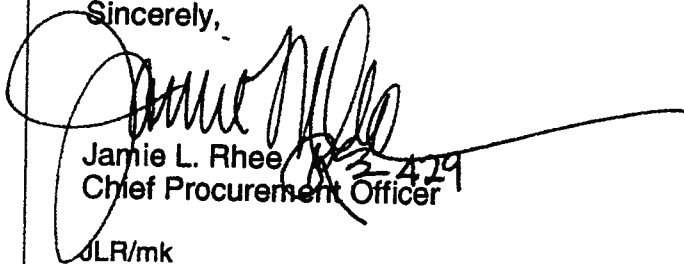

This is to advise you that the City of Chicago elects to extend the above-referenced Contract for five (5) years under the same terms and conditions as the original Contract, all in accordance with the provisions in Section 3.14 entitled Contract Extension Option. The extension will start January 1, 2011 and end December 31, 2015.

Your Contract requires that you notify the City of any changes in ownership. Please transmit an updated Economic Disclosure Form (EDS) to the City if there have been any ownership changes requiring notification to the City. Additionally, if you have not already done so, the Municipal Code of Chicago requires the submittal of Affidavit Appendix A, Familial Relationships with Elected City Officials and Department Heads. A copy of the EDS form and Affidavit are attached to this letter.

The EDS must be fully completed and signed by an authorized officer of your firm before a notary. The signature and seal must be originals. If a previously submitted EDS and Affidavit remain true and accurate in all respects, the attached recertification Affidavit may be completed and submitted instead of a new EDS and Affidavit. Additionally, please transmit a current certificate of insurance as required by your contract. Please submit these documents to Margaret Klein, Contract Negotiator, within thirty (30) days of receipt of this letter.

- If you have any questions concerning this matter, please contact Margaret Klein, Contract Negotiator, 312-744-9807, margaret.klein@cityofchicago.org.

Sincerely,

Jamie L. Rhee

Terms and Conditions

Customer Service Policy: This statement does not supersede the terms or conditions of sale that are printed on Bullard sales orders, acknowledgements and packing slips. Instead, it is a guide to our customer service policies. Bullard reserves the right to change product specifications without notice.

Prices: Orders must specify one destination and one shipping date. Prices are subject to change without notice. We attempt to advise our customers of price changes in advance, but cannot guarantee to do so. Orders specifying future shipment are subject to prices effective at the time of shipment. Possession of this price list does not grant the right to distributor discounts.

Minimum Order: Minimum purchase order is \$100.00. Products from other Bullard price lists may be combined to meet minimum.

Purchase Order Change Requests: Purchase orders for custom order products are final upon receipt, and cancellation or changes are not permitted. Order modification requests for non-custom products may be requested by contacting the Customer Service Department. We will try to accommodate requests if received within 24 hours of purchase order receipt. Change approvals are not guaranteed.

Terms: Standard terms net 30 days, F.O.B. shipping point.

Freight: Title to goods passes to the buyer upon delivery to the carrier at the Bullard dock. Orders of \$2,500 or more are shipped freight prepaid by Bullard within the continental U.S. via the carrier(s) of our choice. Products from other Bullard price lists may be combined to receive free freight. Orders specifying other means of shipment are shipped collect regardless of order value. To qualify for prepaid freight, orders must specify a single destination and shipping date.

Credit policy: We reserve the right to assess a 1 $\frac{1}{2}$ % service charge per month on overdue balances. Our credit department is authorized to hold shipments if past due balances are not paid.

Returned goods: Refer to your Bullard distributor program for details.

Special Orders: We welcome the opportunity to meet special requirements. However, special orders are accepted with the understanding that we may over-ship and bill accordingly by as much as 10% of the order, due to the special nature of the product.

Drop Shipments: In certain situations, drop shipments may be made to authorized distributor locations or other locations within a distributor's recognized territory. Please contact the Customer Service for details.

Information Support Policy: Bullard provides distributors with catalogs, price lists, promotional literature and other printed material. Generally, this information is provided to the distributor at no cost. However, Bullard reserves the right to charge a distributor when literature requests exceed reasonable levels based on the distributor's annual sales volume. All Bullard literature is available for download from our web site at www.bullard.com.
