Subject: Re: 2020 Chicago Auto Show Passes -- sorry to be a Killjoy

Hello Steve,

The pass (only one was sent) that we received admits two people and is actually a constituent pass. I will not use the pass, as the auto show does not interest me. However, I intend to accept the pass on behalf of the City and have it available for my constituents only.

Sincerely,

Chris Taliaferro
Alderman, 29th Ward
Chairman, Committee on Public Safety
