Subject: Gift report 11th Ward

Hello Steve and Reshma,

I'm writing to report that on June 9th, I accepted on behalf of the city, a gift of a coffee table book of photos by National Geographic photographer David Yarrow whose work was being exhibited. The gift was given by the Azmus Gallery and their manager, Alex Hilton. The price of the book is labeled \$95.00. I will keep the book on public display in our ward office lobby.

Please let me know if you have any questions.

Thanks!

Nicole
