Subject: Disclosures

Hi Steve - I have a few disclosures from past week:

- Attended several events as we hosted the Democratic National Committee evaluation group to host the convention here in Chicago - those were hosted by Choose Chicago and I attended with the Mayor in my official capacity (let me know if you need a list)
- Attended the Chicago Fire and Red Stars soccer game at Soldier Field in my official capacity staffing the Mayor
- Attended Lollapalooza in my official capacity to finalize contract negotiations also with the Mayor

I am hoping for some more rest this week!

Best wishes,
Samir
