Subject: Disclosure

Hey Steve - have two ethics disclosures:

- Yesterday I briefly attended the British Consul event as guest of the Consul General in my official capacity for the Queen Jubilee reception
- Over the weekend I took a tour of the Suenos music festival for an hour as a guest of the organizer C3 presents (but its a partnership with City/DCASE/Parks so not sure on disclosure there as I was there to see their logistics as its a new event)

Thanks

Samir
