**Subject:** Reporting receipt of lunch for a group -- accepted on behalf of the City

On April 22, 2023, the Community Commission for Public Safety and Accountability held a day-long training for recently-elected District Council members. The University of Chicago Crime Lab paid for lunch for the approximately 65 people who attended the training. The total cost of the lunch was \$445.20. I accepted the lunch on behalf of the City.

Please let me know if I need to provide any additional information.

Thank you.
