**Early Head Start-Child Care Partnership Scope of Services**

Early Head Start—Child Care Partnership (EHS-CCP) program provides Early Head Start to low income children and families. The purpose of this program is twofold: 1) to provide comprehensive Early Head Start services to eligible children and families served in child care agencies (settings), and 2) to raise the quality of care at child care agencies (settings).

Delegate Agencies either directly operate EHS-CCP programs, or enter into partnerships with local providers of child care to serve infants and toddlers in their center-based classrooms or family child care homes settings and adhere to the following:
