**STATEMENT FROM MAYOR EMANUEL ON THE NEW CONSENT DECREE WEBSITE**

“While the Trump Justice Department has backed away from its monitoring responsibility, Attorney General Madigan has stepped forward, and I am proud to partner with her on a consent decree that will build upon the public safety reforms we have made. As we continue down this road to reform together, I encourage Chicago residents to participate in the public process to ensure their ideas and input are reflected in the final consent decree as we build a future all Chicagoans can be proud to share.”
