**CC:** Maria Guerra, Mayor's Office of Legislative Counsel and Government Affairs

**Ref ID:** 031 – Alderman Cochran's questions

---

The Office of Budget and Management (OBM) has provided answers to questions 1-7 and 9 as set out in your letter dated October 24, 2013. For the remaining questions, please find the attached responses of the Department of Law.

8. Year 2007 contract attorney list.

The Law Department currently does not utilize contract attorneys and has not done so in many years.

10. 2012 and 2013 year to date payouts from the Judgment Fund listing the case and amount.

See attachments.

11. Tort Judgment expenditures broken down by division or categorically for 2012, 2013 year to date, projected 2013 year-end, and projected 2014.

See attachments.

12. Total settlements and judgments for all types paid out since October 2012. Identify department responsible.

See attachment.

13. How much has the city paid out in settlements and court ordered judgments for police misconduct cases for each of the last 5 years? Please list the specific cases.

See attachments.

14. Has there been an evaluation of the city's settlements and judgments to determine patterns for the purpose of changing practices to affect savings in legal costs? If so, what areas?

Yes. Since taking office, DOL has proactively addressed this issue on two fronts – by early assessment of cases filed against the city, and by employing risk management to address future exposure.

With regard to early assessment, at my direction, DOL instituted a new policy whereby lawsuits against the City are investigated and evaluated promptly after they are filed. A determination is then made whether the case is one that should be tried or settled, and if settled, the settlement value of the case. If the City is likely to lose the case, and further litigation would only increase the City's exposure by generating attorney's fees that we would ultimately be responsible for, we will attempt to settle the case at an amount at or below the estimated value of the case. If a reasonable settlement cannot be reached, then the City knows it has to try the case. On the other hand, if the City believes it has a reasonable prospect of winning, or if further litigation is likely to reduce the City's exposure, we will aggressively defend and, if necessary, try the case.

Second, DOL also works alongside other City departments with respect to risk management. This includes identifying circumstances that can or have led to lawsuits in order to implement proactive steps to prevent them from recurring in the future. At bottom, there is no better way to reduce the City's legal expenses than to take steps that reduce the risk that a lawsuit will be filed in the first place; the cheapest lawsuit to defend is one that is never filed.

15. List of all outside counsel and cases they're working on or have worked on in 2012 and 2013 and the amounts we have paid out to them. Please identify ongoing cases and/or those that have concluded.

See attachment.

16. Number of Administrative Adjudication determinations that were appealed since November 1, 2012, resulting in reversed determinations. Identify by violation type, petitioning department and include what if any action was consequently taken by the Law Department.

Department of Buildings (BN, BT, BS, & LP):

9 of 77 total cases closed. 2 Reversed Outright, 7 Reversed and Remanded to the Department of Administrative Hearings

19. List of properties where liens have been issued through the Law Department for board-ups, demolitions or torn down signs, etc. by the Building Department.

See attachments.

21. Dollar amount for attorney's fees issued to minority law firms in 2012 and 2013 year to date. Please include, if the firm is African American, Hispanic, Asian American, Women owned, DBA, etc.

## Response to Question 17

**Addy**, No. 12-2794 (Ill. App. Ct.). Addy is a cab driver who was found liable at DOAH for violating the Chauffeurs Rules and Regulations. We filed a motion on August 28, 2013, for summary remand because there was an error in the fine, but we urged that the judgment should be affirmed in all other respects. The court denied the motion to remand but agreed with our alternative request to allow the motion to stand as our response brief.

**Afshari**, No. 13-1463 (Ill. App. Ct.). Afshari was found liable at DOAH for violations of taxi regulations after he became involved in a conflict with one of his passengers. The ALJ found Afshari liable on four of the seven counts against him. Afshari's corrected opening brief is due on November 12, 2013.

**Babajide**, No. 13-0584 (Ill. App. Ct.). Babjide was cited for various chauffeur license violations. DOAH found Babajide liable, and the circuit court affirmed on administrative review. The appeal was dismissed for want of prosecution on August 16, 2013.

**Blackwell**, No. 13-0218 (Ill. App. Ct.). Blackwell was cited for numerous building code violations and failed to appear at his DOAH hearing. On administrative review, the circuit court affirmed. The appeal was dismissed for want of prosecution on August 19, 2013.

**Brown (Allen)**, No. 13-1052 (Ill. App. Ct.). Brown was found liable at DOAH for drinking on CTA property. The ALJ upheld the ticket. The appeal was dismissed for want of prosecution on August 16, 2013.

**Curtis**, No. 13-1348 (Ill. App. Ct.). Curtis was found liable at DOAH for two ordinance violations involving accumulation of garbage on her property. On administrative review, the circuit court affirmed. Curtis's corrected opening brief is due on November 26, 2013.

**Ford Motor Company**, No. 13-0597 (Ill. App. Ct.). The City assessed Ford the Chicago Vehicle Fuel Tax for fuel that it places in cars that it manufactures in Chicago and sells across the country. Ford filed a protest. DOAH found that Ford was liable for the tax, but the circuit court reversed, rejecting DOAH's interpretation of the ordinance. The City's opening brief was filed on October 4, 2013. Ford's brief is currently due on November 15, 2013.

**Gernaga**, No. 13-0272 (Ill. App. Ct.). Gernaga received a ticket for a red light violation captured by a red light camera. He was found liable at DOAH, but the circuit court reversed on administrative review. The City's opening brief was filed on September 12, 2013. Gernaga's brief is currently due on November 21, 2013.

**Harris**, No. 13-2027 (Ill. App. Ct.). Harris was found liable at DOAH for a parking

violation. The administrative review case was dismissed for want of prosecution. Harris appealed.

**Robinson**, No. 12-3084 (Ill. App. Ct.). Robinson's building was cited for building code violations. She was found liable at DOAH by default judgment. She moved to set aside the judgment, but did not appear when the motion was called. The ALO struck the motion, and the circuit court affirmed. The appeal was dismissed for want of prosecution on August 12, 2013.

**Rodgers**, No. 13-2396 (Ill. App. Ct.). Rodgers received a parking citation and was found liable at DOAH. On administrative review, the circuit court affirmed. Rodgers filed the record on September 25, 2013. The opening brief is due October 30, 2013.

**Shachter**, No. 12-3566 (Ill. App. Ct.). Shachter appeals from a DOAH order finding him liable for violations of the City ordinance prohibiting uncut weeds. He challenged the constitutionality of the ordinance and also claimed the plants on his property were not weeds. The City's appellee brief was filed on October 4, 2013.

**Shachter**, No. 13-2150 (Ill. App. Ct.). Shachter was again cited for violating the weeds ordinance and again found liable at DOAH. On administrative review, the circuit court affirmed. There is a pending motion by Shachter to file his opening brief instant.

**Sroga**, No. 13-1258 (Ill. App. Ct.). Sroga received a parking ticket because he was parked in a street cleaning area. DOAH found him liable, and the circuit court affirmed on administrative review. The appeal was dismissed for want of prosecution on September 27, 2013.

**Stone Street Partners**, No. 12-3654 (Ill. App. Ct.). Stone Street's building was cited for building code violations in 1999. In late 2011, Stone Street moved at DOAH to set aside the judgment, but the ALO struck the motion because it was too late to challenge a judgment that had been entered after a full hearing and not by default. Stone Street filed a complaint in circuit court. We filed a motion to dismiss, which the circuit court granted. The appeal is fully briefed as of October 24, 2013.

**Stone Street Partners**, No. 13-3159 (Ill. App. Ct.). Stone Street was cited for having an overflowing dumpster, and fined \$300 and \$40 in costs. DOAH found Stone Street liable. The record on appeal is due November 13, 2013.

**Wendt**, No. 13-0264 (Ill. App. Ct.). Wendt was cited for various ordinance violations on his property, including unsafe or unsanitary premises and accumulation of junk. DOAH found him liable, and the circuit court affirmed on administrative review. The appeal was dismissed for want of prosecution on May 31, 2013.

**West-El**, No. 12-2226 (Ill. App. Ct.). West-El received a parking ticket and was

found liable at DOAH. The circuit court affirmed on administrative review, and West-El appealed. The appeal was dismissed for want of prosecution on October 4, 2013.

**Williams (Marshall)**, No. 13-2084 (Ill. App. Ct.). Williams received a parking citation and was found liable at DOAH. On administrative review, the circuit court affirmed. The appellate court granted Williams' motion to waive fees on September 4, 2013.

**Wortham**, No. 13-1785 (Ill. App. Ct.). DOAH found Wortham liable on charges of having dangerous dogs, and assessed a penalty of euthanasia for both dogs. The circuit court affirmed with respect to one dog but remanded to DOAH for reconsideration of the penalty for the second dog.
