Re: Request for Information from Annual Appropriation Committee Hearing

The attached information is in response to questions posed at our department's hearing on Friday October 24, 2014, to discuss the proposed 2015 budget.

Alderman Tunney asked for small business loan data detailing where each loan was distributed by ward, including a description of use. Attached is a spreadsheet showing the distribution and use of loans lent through the Chicago Microlending Institute (CMI).

As always, please let me know if you have any further questions.
