First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant's submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the foregoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

16. Pursuant to the Chicago Zoning Ordinance (Section 17-8-0911), a Planned Development gives priority to the preservation and adaptive reuse of Chicago Landmark buildings. This Planned Development (PD) includes the Tribune Tower, portions of which have been designated as a Chicago Landmark. Work to designated Chicago Landmarks is subject to the review and approval of the Commission on Chicago Landmarks pursuant to the Chicago Landmarks Ordinance, Section 2-120-740. Although not a landmarked element of the Tribune Tower, the Applicant agrees to preserve and maintain the existing "Chicago Tribune" letters as an architectural artifact within the PD. As an architectural artifact, the "Chicago Tribune" letters shall not be considered signage as defined or measured under the Chicago Zoning Ordinance. During renovations to the non-Landmarked buildings within Sub-Area A, the Applicant shall remove, salvage and restore the existing "Chicago Tribune" letters for reuse and reinstallation generally in the same location from where they were removed. Prior to reinstallation, the original letters will be restored with an integrated lighting element that traces the back edge outline of the original letters with a ribbon of light. This lighting element preserves the historical and architectural significance of the original letters. The restored letters shall be reinstalled and mounted on a new trellis structure on the new 7th level amenity terrace providing south views looking below and through the "Chicago Tribune" letters.

17. The Applicant acknowledges and agrees that the rezoning of Sub-Area B of the Property from DX-12 to this PD, triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago (Affordable Requirements Ordinance or ARO). Any developer of a residential housing project within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (Required Units) as affordable units, or with the Commissioner of the Department of Planning and Development's (DPD) approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii); provided, however, that

residential rental housing projects with 20 or more units must provide at least 25% of the Required Units on-site or off-site. The Property is located in a downtown district, within the meaning of the ARO, and the project has a total of 564 units comprised of 125 for sale units and 439 rental units. As a result, the Applicant's affordable housing obligation is 56 affordable units comprised of 12 affordable for sale units and 44 affordable rental units (10% of 564 rounded down). Applicant has agreed to satisfy its for sale affordable housing obligation by making a cash payment to the Affordable Housing Opportunity Fund in the amount of \$234,962 per unit (Cash Payment), as set forth in the For Sale Affordable Housing Profile Form attached hereto as Exhibit A. The Applicant's rental affordable housing obligation is 44 affordable units, 11 of which are Required Units (25% of 44). Applicant has agreed to satisfy its rental affordable housing obligation by making a cash payment to the Affordable Housing Opportunity Fund in the amount of \$182,748 per unit (Cash Payment) and/or providing 11 affordable units in the rental portion of the building to be constructed in the PD and/or enter into an agreement with Department of Housing to provide affordable units in the PD, as set forth in the Rental Affordable Housing Profile Form attached hereto as Exhibit B. The Applicant agrees that the rental affordable units must be affordable to households earning no more than 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the PD, or elects to build a for-sale project instead, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the requirements and number of required Affordable Units without amending the PD. Prior to the issuance of any building permits for any residential building in Sub-Area B of the PD, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against Sub-Area B of the PD, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 17, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.

18. This Planned Development shall be governed by Section 17-13-0612. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a Zoning Map Amendment to rezone Sub-Areas A and C of the property to the DX-16 zoning district and Sub-Area B of the property to the DX-12 zoning district.
