14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs, conserves energy and maximizes the preservation of natural resources. This Planned Development will be in substantial compliance with the current City of Chicago Sustainable Development Policies, as set forth by DPD. The proposed improvements shall provide vegetated ("green") space on the respective roofs, which will total a minimum of fifty percent (50%) of the net roof areas (or approximately 10,098 square feet). With respect to the property located at 19 N May, the Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.
15. The permitted Floor Area Ratio (FAR) identified in the Bulk Regulations (Zoning Analysis) Table has been determined using a Net Site Area of forty-two thousand and seventy-one (42,093) square feet and a base FAR of 5.0.

The Applicant acknowledges that the project has received a bonus FAR of 3.1 FAR pursuant to Section 17-4-1000 of the Zoning Ordinance. With this bonus FAR, the total FAR for the Planned

Development is 8.1. In exchange for the bonus FAR, the Applicant is required to make a corresponding payment, pursuant to Sections 17.4-1003-B and C, of the Zoning Ordinance, prior to the issuance of the first building permit for any building in the Planned Development; provided, however, if the Planned Development is constructed in phases, the bonus payment may be paid on a pro rata basis as the first building permit for each subsequent new building or phase of construction is issued. The bonus payment will be recalculated at the time of payment (including partial payments for phased developments) and may be adjusted based on changes in median land values in accordance with Section 17.4-1003-C.3, of the Zoning Ordinance.

The bonus payment will be split between three separate funds, as follows: 80 percent to the Neighborhoods Opportunity Fund, 10 percent to the Citywide Adopt-a-Landmark Fund and 10 percent to the Local Impact Fund. In lieu of paying the City directly, the Department may: (a) direct developers to deposit a portion of the funds with a sister agency to finance specific local improvement projects; (b) direct developers to deposit a portion of the funds with a landmark property owner to finance specific landmark restoration projects; or, (c) approve proposals for in-kind improvements to satisfy the Local Impact portion of the payment.

In this case, the Applicant will contribute the Local Impact portion of the bonus payment for the construction of a field house in Skinner Park (the "Project"). The Project is located within one mile of the Planned Development site, as required by Section 17.4-1005-C. The Applicant must make such payment, or the applicable portion thereof in the case of a phased development, prior to the issuance of the first building permit for the Planned Development or applicable phase thereof. The City must enter into an intergovernmental agreement regarding the manner in which the funds will be used.

16. Pursuant to Section 17.4-1004-B of the Zoning Ordinance, as it existed at the time of the 2015 PD 1357 approval, the Amendment triggered the requirements of Section 2-45-115 of the Municipal Code of Chicago (hereinafter "Affordable Requirements Ordinance" or "ARO"). Any developer of a residential housing project within the meaning of the ARO must: (i) set aside 10 percent of the housing units in the residential housing project (Required Units) as affordable units, or with the Commissioner of the Department of Planning and Development's approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii). The Property is located in a downtown district, within the meaning of the ARO, and the project had a total of fifty-six (56) units. As a result, the Applicant's affordable housing obligation was six (6) affordable units (10 percent of 56 rounded up). Applicant had agreed to satisfy its affordable housing obligation by making a cash payment to the Affordable Housing Opportunity Fund in the amount of Two-Hundred and Twenty-five Thousand Dollars (\$225,000), if providing no units, per unit (Cash Payment), as set forth in the Affordable Housing Profile Form, attached hereto as Exhibit \_\_.

The Applicant acknowledges and agrees that the rezoning of the Property from Residential Planned Development No. 1357 to this amended Planned Development (PD) to add 45 additional permitted units triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago (Affordable Requirements Ordinance or ARO). The Applicant further acknowledges and agrees that the Property is located in the Near North/Near West Pilot Area, pursuant to Section 2-45-117 of the Municipal Code (the "Near North/Near West ARO Pilot Area Ordinance" or the "Pilot"). The Near North/Near West Pilot Area is divided into two zones: the Near North Zone and the Near West Zone. The Property is located in the Near North Zone. In the Near North Zone, pursuant to the ARO, the

percentage of units in a residential housing project required to be affordable for a period of 30 years, whether rental or for-sale, is increased from 10% to 20%. Any developer of a residential housing project in the Near North Zone must provide the first 10% of units required to be affordable (the "First Units") either: (i) in the residential housing project, or (ii) with the approval of the Commissioner, in an off-site location within two miles of the Property and in the same or a different higher income area or downtown district, or (iii) any combination of (i) and (ii). In addition, the developer must provide the second 10% of units required to be affordable (the "Additional Units") either: (i) in the residential housing project, or (ii) with the Commissioner's approval, in an off-site location anywhere within the Near North/Near West Pilot Area, regardless of distance from the project or income area, or (iii) any combination of (i) and (ii). The proposed amendment will add 45 additional permitted units in the PD. As a result, the Applicant's affordable housing obligation is 9 affordable units (20% of 45), consisting of 5 First Units and 4 Additional Units.

The Applicant has agreed to satisfy its affordable housing obligation by providing the First Units and the Additional Units off-site. In accordance with the ARO Pilot, the Applicant is required to lease the First Units to households earning up to 60% of the Chicago Primary Metropolitan Statistical Area Median Income ("AMI"), as updated annually by the City of Chicago, at prices affordable to households at such income level, and is required to lease the Additional Units to households earning up to 80% or 100% of AMI, as determined by rule and approved by the Commissioner, at prices affordable to households at such income levels. If the Applicant subsequently reduces (or increases) the number of housing units in the PD, or elects to build a rental project instead of a for-sale project, or elects to construct the units on-site, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval. DPD may adjust the requirements and number of required Affordable Units to reflect any such change without amending the PD. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the PD, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner may enforce remedies for any breach of this Statement 16, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.

17. This Planned Development shall be governed by Section 17-13-0612, of the Zoning Ordinance. Should this Planned Development Ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a zoning map amendment to rezone the Property to Residential Planned Development No. 1357 as it existed prior to the date of this amendment.

**FIRST CLASS MAIL**

Dear Sir or Madam:

As required by Section 17-13-0107 of the Municipal Code of the City of Chicago, please be informed that on or about December 4, 2018, the undersigned, on behalf of 19 N. May LLC (the "Applicant"), intends to file an application to rezone the property located at 1115 West Washington Boulevard and 19-27 North May Street, Chicago, Illinois, (the "Property") from the Residential Planned Development Number 1357 to Residential Planned Development Number 1357, as amended. A map of the Property is printed on the reverse side of this letter.

The Property is currently vacant and under construction. The application requests a rezoning of the Property from the Residential Planned Development Number 1357 to Residential Planned Development Number 1357, as amended in order to modify the building plans for the portion of the property located at 19 N May to allow for an 18-story residential building containing 73 residential units and 78 parking spaces.
