CHICABS ([www.chicabs.org](http://www.chicabs.org)) is the City of Chicago sponsored e-hail taxicab dispatch program. CHICABS will provide safe and secure options to hail and/or pay for a Chicago taxicab ride. CHICABS will offer options for taxicab passengers to electronically hail (E-Hail) a taxicab through a mobile app. CHICABS approved apps will also let passengers electronically pay (E-Pay) for the taxicab fare through the app. CHICABS apps will benefit taxicab drivers by increasing the number of potential fares and streamlining the cab fare payment process.

**Pursuant to Taxicab Medallion License Holder RULE TX5.10, taxicab medallion license holders must participate and support the City's E-Hail Dispatch Apps program. Taxicab drivers shall enroll and participate in one or both CHICABS selected apps by January 31, 2016.**
