PRESIDENT LIGHTFOOT: Good evening, everyone. We're going to get started. My name is Lori Lightfoot. I am President of the Chicago Police Board. I am calling the meeting to order.

We begin the meeting by welcoming a new member to the Police Board, that's John O'Malley, who has directed security for William Blair and Company. He has a long history of experience with law enforcement. The City Council approved Mayor Emanuel's appointment of Mr. O'Malley on January 25th. Welcome to the Board, John.

The Board will now take final action on these cases. 3 4 Regarding case number 16 PB 2921, the Superintendent filed charges to discharge 5 6 Police Officer David Cano from the Chicago Police Department for testing positive for 7 8 illegal drugs. The Board's decisions in the cases in which we took final action will be entered as of today's date, and will be issued to the parties. A copy of the written decisions will be posted on the Board's website within 10 business days pursuant to Municipal Code of Chicago.

The general orders and other directives issued by the Superintendent of Police during previous months are listed in the books made available at this evening's meeting and are posted on the Police Department's website.

The next item is Superintendent's report to the Board. Superintendent Johnson? John.

SUPERINTENDENT JOHNSON: Good evening. I am going to make my remarks brief tonight to give you all time to listen to the valued comments. If you can just bear with me for a moment.

Some things have happened over the past week that I think is on everybody's mind. We lost three small children to gun fire, a two-year-old, 11-year-old and 12-year-old. When I became Superintendent, I gave you all my word that I would work hard to reform CPD and make CPD better. Because if I can do that, we make Chicago better, and I am working on that.

Some of the things, the deficiencies within CPD didn't happen overnight so they won't be corrected overnight, but I can assure you all I am seeing the new point in the right direction.

Those three little innocent lives didn't have to be lost. One of them, Takiya Holmes, we were able to arrest the offender and get charges placed on him within a couple of days, and that was because the community stepped up and helped us identify the person, gave us what we needed to bring charges. So I am going to ask you all two things tonight, or three things; first thing is I promise you all we are working towards reforming CPD. We are. We are. We're working towards that. Bear with me. We'll get there.

The second thing is, I really, really needyou all, as members of the community, to work

with us to bring these violent offenders and
 hold them accountable for their actions,
 because here's --

PRESIDENT LIGHTFOOT: Let him finish, Mr. Russell. You'll have your moment. I promise you.

SUPERINTENDENT JOHNSON: So if we can work together to reduce this gun violence, our children will have a chance to grow up and become the people that they have a right to become.

Last thing I am going to ask you all, is I am turning CPD, but also I need you alls help when it comes to helping push for economic reform, support for the impoverished communities and holding repeat gun offenders accountable for their crimes.

Last year we had 766 murders in the City of Chicago. The vast majority were African-American people.

AUDIENCE MEMBER: Can you repeat that?
SUPERINTENDENT JOHNSON: The vast majority
of the murders victims last year were
African-Americans. So I am asking you all to

McCorkle Litigation Services, Inc. Chicago, Illinois (312) 263-0052 give me time, but we will work to reform CPD but I need you alls help in helping us bring these people that kill other people accountable. Thank you. PRESIDENT LIGHTFOOT: Thank you.

Superintendent. I will now call upon the members of the public who signed up in advance to speak. When your name is called, please step up to the microphone and ask you limit your comments to two minutes in deference to the list of folks who will be called after you that come from all parts of the city and want an opportunity to speak to the Board and to the Superintendent and staff.

I also wanted to say I appreciate the Superintendent marking today's meeting and beginning with recognizing the senseless killing of that is happening all across our city, in particular, I think all of us have a heavy heart with the loss of life of these innocent children. We all need to take moments to reflect on what we can do to improve the quality of life for everyone in our city so that another mother and father doesn't have to bury an incident child who is struck and killed by stray gun fire. First speaker, Pamela Hunt. MS. HUNT: Good evening.

PRESIDENT LIGHTFOOT: Welcome back.

MS. HUNT: Thank you. Good evening.

To Superintendent Johnson, I just want to state that we do recognize that there is an issue with the violence in the community, but my concern is it's almost as if CPD offers an excuse for the police brutality because they work in high-crime communities. There really should be no correlation. So Betty Jones was murdered and she was murdered. And the police officer who committed that crime, he is not being charged. That is problematic for black people. How much are black people expected to take?

Now, I live in one of those communities that is inundated with crime. I know what happens when I try to contact the alderman and the police department. So when you talk about resources, we have a mayor who has not issued the same amount of resources on the west and south side as he has in the north and loop. Then prior to that you have years of Daley, the discrimination and the racism, and see I always bring it back to the racism. And I want everybody to be clear here, you do to any other community what has been done to the black community, you get the same result. You deprive any area of financial resources, education, you destabilize it, you get the same result. So you are asking how to bring crime down? Of course it's about jobs, of course it's about education, but it's also about having a mayor that cares about the entire city.

Now, I am going to ask you this specifically about the hiring of the 1,000 officers. I understand that you want us to be the change, black people to be the change, black people to work and apply for the positions. You want us to be the change.

20 What change are you asking from the white 21 community? I think that's a fair question. 22 What change are they going to present to deal 23 with their racist officers, the people that 24 they raise and they're now on the force? So I

don't know what change they're going to bring. 1 2 Betty Jones, that is disgraceful. The 3 three young children? That's disgraceful, but you have officers with education, professionals 4 who are committing these crimes. Whereas on 5 the other hand, you have people who might be on 6 7 drugs. 8 PRESIDENT LIGHTFOOT: Ms. Hunt, your time 9 is up. 10 MS. HUNT: I know. Thank you. 11 PRESIDENT LIGHTFOOT: Mr. Reid. are you 12 going to speak also? 13 I am standing in support. MR. REID: 14 PRESIDENT LIGHTFOOT: Good evening. 15 Ms. Reid. 16 I want to point out that the MS. REID: 17 people who are standing are -- I am part of the organization with them, the Central Austin 18 Neighborhood Association, so they come to show 19 20 support and concern as well. 21 we're here after six years of calling 911 22 at least weekly, six years informing the police of the same locations of crime and drugs, six 23 24 years of attending CAPS meetings, six years of

meeting with the police commander and forming 16 Block Association which goes from Madison to the Corcoran, from Austin to Menard, taking better government association watch dog training, and we don't know our beat officers and we live in a shooting gallery.

6

My topic is linking police activities and 7 8 performance evaluations to the police 9 department mission for community policing. There's a disconnect. To be affective the 10 11 performance management process for police officers must be firmly tied to the police 12 13 department strategy and objectives. The key is 14 to clearly articulate for each officer the 15 objectives and competency requirements in a way that facilitates and ensures the successful 16 achievement of the organizations so-called 17 18 strategy and mission for community policing. The police department has stated that part of 19 20 its mission is to develop a positive 21 relationship with the community. Officers 22 should be able to see a direct link between 23 what they do and the Department's goals. These links should be evident in the officer's 24

performance plan and management and tied to compensation and promotional opportunities.

Positive community relationship building activities should be included among the performance metrics regularly applied to police officers. Our extensive research, which included a recent meeting with the deputy director of community policing, has informed us this critical step has not been taken. Police officers do not have objectives and competency requirements related to the development of positive community engaging activities. There's no reward for getting out of your car and saying hello to anyone. Until these elements are translated in measurable indicators of success and reflected in management officers performance plans, this failure will continue to contribute to the overall failure of the community policing strategy.

I understand there's a task force working with police and if there's no one on that task force that isn't living in one of the shooting galleries we represent, I don't think it can be

totally affective, and that's my comment. 1 2 I want to know to what extent is 3 performance tied to this mission of community -- proper communication? How do you 4 5 measure that? 6 PRESIDENT LIGHTFOOT: Ms. Valente or 7 Superintendent Johnson, do you want to address 8 that? 9 I am glad to see Mr. and MS. VALENTE: Mrs. Reid here. I do know you had the 10 11 opportunity to meet with Deputy Chief 12 washington. I apologize, I didn't have a 13 chance to follow up with him to see how your 14 conversation went. I heard what you said. Т know there's an ongoing case going, but I will 15 have follow-up conversation with Deputy Chief 16 17 Washington as to how your conversation went, 18 and what suggestions you made and what, if anything, that we can incorporate moving 19 20 forward. 21 I said you can make a change MS. REID: 22 today when you leave this meeting if you ask 23 each police officer just make one positive 24 contact with a citizen in your beat today, just

one day, so that people know who you are and 1 2 they have a possibility of seeing a positive interaction. It doesn't take a task force, it 3 4 takes getting out of the car. MS. VALENTE: And, again, I apologize but 5 6 you did have a private meeting with him that i wasn't part of, so I will make sure to follow 7 8 up about what you talked about with him and what you talked about this evening. 9 10 MS. REID: Okay. 11 Thank you, Ms. Reid. PRESIDENT LIGHTFOOT: 12 Mr. Reid, did you sign up separately? 13 I am Ron Reid. I am also MR. REID: 14 representing the Central Austin Neighborhood 15 Association, so I'd like to talk more about community policing. 16 So what does real community policing look 17 like to residents of high crime areas? There 18 must be measurable daily, weekly goals, 19 20 objectives and actions with positive community 21 interactions with every citizen. How do we do this? Through daily. 22 23 positive contact with as many residents in 24 their beats spread over as many blocks as

possible to engage in positive therapeutic conversations to build relationships on each block to combat traumatic stress many residents suffer from. Ask residents about preventative safety and crime issues and log each one of these assigning tasks, resolution tracking, closure and satisfaction surveys from the citizens. Communicate issue closure, race, satisfaction of survey results to the public. Secondly, what makes a real police

department work in high crime areas, you must tie measurable goals, objectives, and actions to individual and district performance evaluations. Make these measurable contacts and issue resolutions as primary performance evaluation tools. Use results as primary retention and promotion tool. Develop required training for how to interact with community. It must have also incentivize positive community interaction and community provided resolution. Tie it to bonus pay, overtime eligibility, recognition awards and promotions. We need this now.

we're also here to ask that our public

servants be held accountable. We have been 1 2 here before, we have been here before, several years ago. Once again we feel we have done 3 everything possible to get CPD to clean up the 4 open air drug markets and resulting violence in 5 6 our community. Almost every weekend we hear qun fire from one of several open air drug 7 8 markets in our 16 block service area. This 9 past weekend in separate shootings two people 10 were murdered, four others injured with gun 11 fire severally at the drug market at Washington 12 and Mavfield. I personally made local 911 13 calls and left messages for the commander at the 15th on Thursday about the drug dealers at 14 corner of Washington and Mayfield prior to the 15 16 violence Friday and Saturday. There was no 17 solution, no action.

We religiously dial 911 about these drug markets for months. We appeal regularly to the 15th District commander to shut them down.

18

19

22 MR. REID: We talk frequently to the 15th 23 and attend CAPS meetings, phone trees, we have 24 done quality of life events in our neighborhood

like going to the Lyric Opera, the ballet to build a more close community and plant flowers on 23 corners, work with the ACLU to improve our safety, put on a festival in our neighborhood for the past five years that draws hundreds of residents. We volunteer with the Explorers Program at the 15th. We provide police and management with addresses at the same drug houses and open air drug market for the last five years, same addresses, same drug corners for the past five years with no relief.

I am still holding you responsible to uphold the honor 19 20 that we learned at Corliss High School, okay? 21 It's my expectation that when you speak about 22 violence, you are showing that you are aware of the violence that has been committed by your 23 24 guys, too. Okay. Like I told you all, I don't

Thank you, sir.

care what color you are, if you were shot and killed by the police, I have problem with that. Do you all have pepper spray?

SUPERINTENDENT JOHNSON: Yeah.

MS. NOEL: You killed Michelle Robbie, Michelle Robbie. The woman that had the knife that was running around CVS, white woman, remember her? Do you know what? When I read that, I knew somebody who would go into a CVS with a knife running around, then walk to the bus stop holding a pop in her hand, had some kind of psychosocial disability.

Now, I don't understand why you would try to tase me in this coat, okay. What tasing stuff is going to get through my coat? If I got a knife in my hand, why don't you pepper spray me? Why aren't you trying to make me close my eyes so I will drop something? Okay. Now, you have got batons, pepper spray, you got tasers, you got guns, but you go from tasers to guns when the first thing you should have done or said, I think this person may have a psychosocial disability, and I think we need to bring out the people who have been trained to

I'll say this last thing. Betty, I don't care how you slice that pie, okay, the DOJ said that there were tactical issues.

Sharon, I expect you to say there were tactical issues. Lori, you know there were tactical issues there. You don't get to shoot any old body, because how is my partner going to tap me on my shoulder and say watch out and I got to shoot and he doesn't?

20 PRESIDENT LIGHTFOOT: Ms. Noel, you need21 to wrap it up.

MS. NOEL: All right. I don't expect that dude to be working for CPD no more soon. Send him where he got to go. Let him go. Let him go. Get the DOJ, Sharon.

I spoke to you at that time about my case, and I requested and asked and requested Ms. Lightfoot, if you were able to look at it. Superintendent Johnson, I don't know if you had a chance to. I called your office and left my number so you could get back in touch with me regarding the issues. So I am here tonight to see if anything has been done since the last meeting and I will every month.

PRESIDENT LIGHTFOOT: Ms. Morris, I don't want to interrupt you, if you have more to say, but I will respond directly to your question.

MS. MORRIS: I didn't hear you.

19 PRESIDENT LIGHTFOOT: I said I don't want 20 to interrupt you if you have more to say, but 21 I'll respond to your question.

MS. MORRIS: I don't have anything else tosay at this time.

PRESIDENT LIGHTFOOT: We did look at your

McCorkle Litigation Services, Inc. Chicago, Illinois (312) 263-0052 case. As you know, you had a matter that was presented to the Police Board sometime ago. You had a full evidentiary hearing with a lawyer, and the Police Board at that time found that you had committed -- the charges that were brought against you and recommended your termination. You subsequently appealed that to the Circuit Court and the Circuit Court affirmed the Board's decision.

The Police Board's jurisdiction is invoked when there are charges filed. We have limited or no ability to go back and revisit past decisions unless we are instructed to do so by the Circuit Court. Because your case has been fully adjudicated at the Board level and in the Circuit Court, at this time there is nothing -we can't provide you with any release, because we don't have legal authority to do so.

If you see Mr. Caproni, who is standing up, he's to your far right, he has a letter that we have drafted that explains all of these things to you.

MS. MORRIS: Okay. First of all, first of all, at the Circuit meeting, that hearing was a

1

joke because they changed the lawyer at the --I mean, the judge at the last moment. And they didn't -- that judge didn't even look at the case, okay? And I was never charged with anything. The case was dismissed in court, domestic court, which is a higher court than the Board. There was no evidence that I did anything wrong. They hit me rule violations, which I never committed, okay? I don't understand how the Board can

PRESIDENT LIGHTFOOT: I'll ask you to wrap it up, because your time is up.

MS. MORRIS: I'll ask to speak to the Mayor, if possible, and any other person who can go over the Board, because I was wrongfully 21 terminated from the Chicago Police Department. It's too many officers working that have literally committed crimes and are working every day and make money. I am a single parent

1	in Chicago, had never, ever been charged with
2	anything, never, ever had even a ticket and I
3	lose my career?
4	PRESIDENT LIGHTFOOT: Thank you.

10 Superintendent, we ask you over and over 11 again what kind of deal you made with the devil 12 when you went and accepted a job without applying for it? In a couple of months all 13 14 things in the dark is coming to the light. 15 This young boy JB, Jedidiah Brown, which we 16 know now is Darryl Eugene Coleman, Jedidiah is 17 an alias. This man sat on Lake Shore Drive and 18 Jedidiah, Jedidiah Brown, your homey, his name is Darryl Eugene Coleman, you know 21 Jump 19 20 Street, now you want to act like you don't know 21 where he came from, you created him and put him 22 out on the streets and you out of control. 23 That's why he hadn't had any charges. He held 24 up Lake Shore Drive. We had that helicopters,

SWAT, CPD, Tahoe detectives, firefighters, ambulance, LSD traffic jam, and who is going to pay for this? Who is going to pay for this? He was taken into to the hospital and was out the next morning. By law he was to be held for 24 hours, and if he's to find himself out how many hours lunatics do we have walking around here if he signed himself out? By all means, there should be APD out for his arrest. He has not been evaluated.

Now, question, now that we know what we know about your health, I question whether or not you loved yourself enough to care for the citizens of the city in the capacity in which we deal effectively needed Superintendent, I mean why would you take a job knowing you --

PRESIDENT LIGHTFOOT: Your time is up.

QUEEN SISTER: I want to let you all know that negrophobia is real. Police officers need negrophobia evaluation, especially the new cadets before taking the new position.

PRESIDENT LIGHTFOOT: Thank you.

QUEEN SISTER: The other thing, my comments are being deleted from the Blue Book

on the website. That is deceptive practice. Now, I expect to see my comments or my attorney is going to charge you all. Peace and love.

PRESIDENT LIGHTFOOT: Next speaker, EvAngel Yhwhnewbn. Good evening.

MS. YHWHNEWBN: Good evening. According to statistics, police officers have a higher rate of domestic violence, alcoholism, suicide, divorce, and probably mental illness, plus the U.S. Department of Justice reported in January 13th, 2017 said that Chicago police created situations to use deadly force against black people because they do not see them as human beings.

The Cook County Neighborhood Revitalization Authority is planning to give free housing to employed city workers so officers specifically who move in our space for five years in the five communities designated as endangered to use their lack of training that kill Boyd and Jose Gibbons, both unarmed and killed by officers living in the community is proof that police presence will escalate and not eliminate or reduce violence in areas where black citizens are without sanctuary services, affordable housing or jobs to reduce (inaudible) and protect their families. (inaudible) genocide to violence (inaudible) to be endangered species like the bumble bee. 398 years later American born natives, black Americans are unemployed and in poverty, but immigrants and refugees are working. How many black citizens work at the stores where the illegals can work, purchase homes in the black community, push them out and take days off to protest elected officials when they can't even vote?

Noncitizens have the sanctuary and more rights than black citizens since children are dying in the streets, have been given a governmental leg up and we are told to pull ourselves up.

Mayor Rahm Emanuel wants the police officers to break the law to protect their illegal status. My question, black children, especially in Chicago, are dying in parks, on streets, in school playgrounds, in parked cars, on front porches in their homes. If one

immigrant or refugee died by gun fire, what would your police department do to protect their lives that matter?

PRESIDENT LIGHTFOOT: Thank you. Next speaker is Eric Russell. Mr. Russell.

MR. RUSSELL: I am Eric Russell, president of the Tree of Life Justice League of Illinois. Never forget Betty Jones. Justice for Betty Jones. But the reason I am here today is that I am the spokesman for the Jose Nieves family.

If anybody is not familiar, I have a question for the Board, how does a verbal altercation result in an unarmed man being killed by the Chicago police?

15 This family is just absolutely devastated. 16 His sister Angelica, she actually fears the 17 police. We actually had to find her someplace 18 else to live. How is it that never in the 19 history of black people has a murder suspect 20 been given what amounts to an I Bond? An I 21 Bond? He was released on home monitoring. How 22 does that happen? How does a verbal 23 altercation end in murder? This killer cop low 24 houser, he stalked and he executed Jose Nieves in cold blood in the light of day.

I say this to the Police Board is that Jose Nieves blood is on police hands. It's on Eddie Johnson's hands, because what happened is that Jose Nieves called 911, he called the police, he said this cop is going to kill me. He pleaded for his life. No one answered Jose Nieves' call. This killer rogue cop kicked in his door, he held a gun to Jose Nieves' mouth, and he threatened him with arrest and execution.

I don't know what type of pattern this is, where police are just putting guns in peoples' mouth. What's the last cop?

PRESIDENT LIGHTFOOT: Mr. Russell...

MR. RUSSELL: Wrap it up? My question is 16 17 this, those of us, there's blood. What we really ask in the black and brown community, we 18 19 ask to be treated with a certain amount of 20 dignity and respect, to be respectfully 21 engaged, because what's gonna happen now if the 22 Chicago police are killing people as a result 23 of a verbal altercation, your next report is 24 going to be -- the next report is going to be I

shot that nigger dead because he looked at me 1 2 the wrong way. 3 PRESIDENT LIGHTFOOT: Mr. Russell... 4 MR. RUSSELL: They're going to turn the 5 clock back and start killing us for eyeballing 6 them. 7 PRESIDENT LIGHTFOOT: Mr. Russell, your 8 time is up. Next speaker is Helen Henning. 9 (Audience members speaking out 10 of turn.) PRESIDENT LIGHTFOOT: Good evening, 11 12 Ms. Henning. (Audience members speaking out 13 14 of turn.) 15 MR. FOREMAN: Excuse me. Can we allow the 16 speakers to take some time? 17 PRESIDENT LIGHTFOOT: We have asked 18 nicely. People are here that come from all 19 over the city and want an opportunity to speak. 20 It's impossible with the running commentary. 21 So we are asking you to please keep your 22 comments down so that people at the podium have an opportunity to speak. Thank you. 23 24 Ms. Henning, please proceed.

MS. HENNING: Good afternoon. My name is 1 2 Helen Henning. I am down here, because I have 3 been a victim of organized crime and stalking 4 since 2003. I have written numerous letters. 5 I have been down to the US District Attorneys 6 Office, 219 South Dearborn. I have been in 7 2579, 32, I called CNN News trying to get my 8 story out. This started in the workplace with 9 Ann Heart who came down to two the line on me 10 and got people to gang up on me and escalated 11 and escalated to now, well, it's calmed down, 12 to they had to get a task force to follow me 13 around and just the grace of God that I am not I want to get it out in the open. I 14 dead now. 15 have never in my entire been tied up in gangs, 16 drugs, I don't do drugs. And it has caused me 17 to really be depressed. I am nervous. I don't 18 know what day, if I am going to get killed when 19 I go out here. I have come down here, I been 20 coming here off and on since 2008. I have a 21 letter right here that I am getting ready to 22 I was awarded millions of take to Pam Zeck. 23 dollars. This is the fourth administration I 24 am going through. It started in the Phil Klein

1 administration. I have not gotten \$1. The 2 Mexican drug cartel came into my residence before I moved now, put cameras in my bedroom, 3 4 taped me, trespassed and came back in there, 5 took the tapes out and passing them around showing people tapes of me in the privacy of my 6 7 Then they get gangs on me, following me home. 8 around from place to place even when I go out of town. I was so pissed off last week, I went 9 10 to Florida, and I seen the elements of it when 11 I got to the airport. When I got down there and I left out of the airport, I know the 12 13 elements of it. They were out waiting on me 14 when I got to Florida. I turned around and 15 booked me a flight and came back home. I was so pissed off. I cannot even stay in my own 16 17 home without being policed, even where I live 18 now, and I live over east in St. Allegheny 19 apartments. There's people over there tied up 20 in this mess. I have nothing to do with drugs 21 and gangs, and I want someone to tell me where 22 these people go when I make these complaints 23 because everything they do is behind my back 24 without me knowing.

1	MR. FOREMAN: Thank you, Ms. Henning.
2	PRESIDENT LIGHTFOOT: Final speaker,
3	Robert More.
4	At this time all those persons who signed
5	up in advance to speak have been recognized.
6	Motion to adjourn?
7	MR. FOREMAN: So moved.
8	PRESIDENT LIGHTFOOT: All in favor?
9	(Unanimous ayes.)
