PUBLIC MEETING  
September 23, 2021

1           PRESIDENT FOREMAN: Good evening. My name  
2 is Ghian Foreman, president of the Chicago Police  
3 Board, and I am calling the Board's September  
4 23rd public meeting to order.

5                       As we begin this evening's meeting,  
6 I would like to first say that I had the honor of  
7 attending a ceremony, a very special ceremony, at  
8 Public Safety Headquarters earlier this week  
9 where four police officers' stars were retired.  
10 Officer Clifford Martin, Officer Marco Di Franco,  
11 Officer Titus Moore, and Officer Ronald Newman  
12 all died in the line of duty last year and had  
13 their stars retired earlier this week.

14                      I had an opportunity to meet some  
15 of their coworkers and some of their family  
16 members, and it was a very moving ceremony. And  
17 their courage and commitment to serving the  
18 people of Chicago will always be remembered and  
19 appreciated. So I would like us to start the  
20 meeting with a moment of silence.

21   (Moment of Silence.)

22           PRESIDENT FOREMAN: Thank you. To protect  
23 the public's health in response to the COVID-19  
24 pandemic, this meeting is taking place remotely.

1 Pursuant to the Illinois Open  
2 Meetings Act, I have determined that holding this  
3 meeting in person is not practical nor prudent.

4 The City of Chicago remains subject  
5 to the Governor's disaster proclamation due to  
6 the COVID-19 pandemic and the surge in COVID-19  
7 cases due to the Delta variant continues. We are  
8 therefore having this meeting remotely this  
9 month. This meeting is open to the public via  
10 audio conference and is being carried live by  
11 CAN-TV. Those participating by phone are on mute  
12 in order to reduce background noise and  
13 disruptions. We have a court reporter making a  
14 transcript of this meeting. I will begin by  
15 taking attendance so it is clear who is  
16 participating in this meeting. Please say here  
17 after I read your name. Police Board Vice  
18 President Paula Wolff.

19 VICE PRESIDENT WOLFF: Here.

20 PRESIDENT FOREMAN: Board Member Nanette  
21 Doorley? I'll come back.

22 Board Member Michael Eaddy.

2 BOARD MEMBER FLORES: Here.

3 PRESIDENT FOREMAN: Board member Jorge

6 PRESIDENT FOREMAN: Board Member Andrea  
7 Zopp. We're having technical difficulties. I  
8 can see Andrea and I can see Nanette. I can't  
9 hear them.

10 First Deputy -- hold on. I'm  
11 getting out of order a little bit. Interim Chief  
12 Administrator of the Civilian Office of Police  
13 Accountability Andrea Kersten?

16 for Public Safety Deborah Witzburg.

23 Police Department's Bureau of Detectives Brendan  
24 Deenihan.

PUBLIC MEETING  
September 23, 2021

1 CHIEF DEENIHAN: Here.

2 PRESIDENT FOREMAN: Deputy Chief of the  
3 Chicago Police Department Bureau of Patrol Larry

6 PRESIDENT FOREMAN: General counsel to the  
7 Superintendent Dana O'Malley.

11 EXECUTIVE DIRECTOR CAPRONI: Here.

12 PRESIDENT FOREMAN: And First Deputy.

13 FIRST DEPUTY CARTER: Here.

14 PRESIDENT FOREMAN: Andrea Zopp. Andy, can  
15 you hear me? I'll attest that Andrea is here and  
16 hopefully we can clear up the technical  
17 difficulties.

18 EXECUTIVE DIRECTOR CAPRONI: President  
19 Foreman, I think Board Member Doorley may have  
20 unmuted herself. She may be able to say she is  
21 here now.

22 PRESIDENT FOREMAN: Nanette Doorley. I can  
23 attest she is here. We will circle back just to  
24 ensure. This is part of what we have to deal

1 with in the Zoom world these days.

2 We will now proceed to the items on  
3 the meeting agenda. We'll have time at the end  
4 of the meeting for public comments. Once again,  
5 those participating by phone are currently on  
6 mute in order to reduce background noise and  
7 disruptions. When we get to the public comment  
8 portion of the meeting, we will unmute each  
9 speaker.

10 Is there a motion to approve the  
11 minutes of the Board's July 15th regular public  
12 meeting?

13 VICE PRESIDENT WOLFF: There is a motion.  
14 But before I make the motion, this is Paula  
15 Wolff. I would like to wish our president, Ghian  
16 Foreman, a happy birthday.

17 PRESIDENT FOREMAN: Thank you.

18 VICE PRESIDENT WOLFF: Pastor Eaddy a happy  
19 day before his birthday. And thank them both for  
20 spending important time with us and not  
21 celebrating their aging. So I will make a  
22 motion.

23 PRESIDENT FOREMAN: Thank you very much. Is  
24 there a second? That's a motion for the minutes.

PUBLIC MEETING  
September 23, 2021

1 Not a motion for the birthday.

2 BOARD MEMBER WOLFF: Motion for the minutes.

3 PRESIDENT FOREMAN: Is there a second?

4 BOARD MEMBER FLORES: Board Member Flores.

5 I second.

6 PRESIDENT FOREMAN: All in favor, please say  
7 aye.

8 (CHORUS OF AYES.)

9 PRESIDENT FOREMAN: Any opposed?

10 (NO RESPONSE.)

11 PRESIDENT FOREMAN: The motion passes.

12 The next regular public meeting  
13 will be held October -- I don't have the -- Max,  
14 I'm sorry, my notes are incorrect. The next  
15 public meeting will be held on Thursday, October  
16 21st, at 7:30 p.m. Whether this meeting will be  
17 in person or a remote meeting will be determined  
18 closer to the meeting date.

19 Is there a motion to close a series  
20 of executive sessions for the purposes of  
21 considering personnel matters in litigation as  
22 authorized by Sections 2(c)(1), (3), (4), and  
23 (11) of the Illinois Open Meetings Act?

24 VICE PRESIDENT WOLFF: This is Paula Wolff.

1 I so move.

2 BOARD MEMBER FLORES: Board Member Flores.

3 I second.

4 PRESIDENT FOREMAN: All in favor, please say  
5 aye.

6 (CHORUS OF AYES.)

7 PRESIDENT FOREMAN: Any opposed?

8 (NO RESPONSE.)

9 PRESIDENT FOREMAN: The motion passes. A  
10 report of disciplinary actions taken by the Board  
11 during the previous month has been made available  
12 on the Board's website. There is one  
13 disciplinary case on the agenda this evening.

14 The Police Board as authorized by  
15 the Open Meetings Act has considered in a closed  
16 meeting one disciplinary case. The Board will  
17 now take final action on this case.

18 Regarding case number 20 PB 2980,  
19 the Superintendent filed charges against  
20 Detective Jason Villarreal recommending that he  
21 be discharged from the Chicago Police Department  
22 for conduct unbecoming an officer while on duty.  
23 The Superintendent subsequently moved to withdraw  
24 these charges because the parties agreed to

1 settle the case and have the Superintendent  
2 suspend Detective Villarreal for 180 days.

3 Is there a motion to approve the  
4 settlement agreement and grant the  
5 Superintendent's motion?

6 VICE PRESIDENT WOLFF: Paula Wolff. So  
7 moved.

8 BOARD MEMBER FLORES: Board Member Flores.  
9 I second.

10 PRESIDENT FOREMAN: I will now call on  
11 members of the Board for their vote. Wolff.

12 VICE PRESIDENT WOLFF: Aye.

13 PRESIDENT FOREMAN: Doorley. If you have  
14 the ability -- Nanette, because we are having  
15 technical difficulties, if you have the ability  
16 to type your answer and I will read it out loud.

17 Eaddy?

18 BOARD MEMBER EADDY: Aye.

19 PRESIDENT FLORES: Flores.

20 BOARD MEMBER FLORES: Aye.

21 PRESIDENT FOREMAN: Montes.

22 BOARD MEMBER MONTES: Aye.

23 PRESIDENT FOREMAN: Zopp.

24 BOARD MEMBER ZOPP: Aye.

1           PRESIDENT FOREMAN: And I vote in favor of  
2 the motion. Voting in favor are Board Members  
3 Wolff, Doorley, Eaddy, Flores, Montes, Zopp, and  
4 myself. The motion passes by a vote of 7 to 0.

5                         Is there a motion to adopt the  
6 written Memorandum and Order that has been  
7 reviewed by all Board members who participated in  
8 the case?

9           VICE PRESIDENT WOLFF: Paula Wolff. So  
10 moved.

11           BOARD MEMBER FLORES: Board Member Flores.  
12 Second.

13           PRESIDENT FOREMAN: All in favor?

14                         (CHORUS OF AYES.)

15           PRESIDENT FOREMAN: Any opposed?

16                         (NO RESPONSE.)

17           PRESIDENT FOREMAN: The motion passes.

18                         The written decision in the case on  
19 which the Board took final action this evening  
20 will be entered as of today's date, sent to the  
21 parties, then posted on the Board's website.

22                         The general orders and other  
23 directives issued by the Superintendent during  
24 the previous month are posted on the Police

1 Department's website.

2 Now, First Deputy, I will ask if  
3 you would like to provide the Superintendent's  
4 report?

5 FIRST DEPUTY CARTER: Yes. Good evening.  
6 Thank you. Right now, just before joining you  
7 tonight, CPD and CPS now set a press conference  
8 at Simeon Career Academy of the arrest of an  
9 18-year-old man who used the internet and social  
10 media to spread threats of fear and confusion in  
11 several high schools across the City.

12 As we speak, the offender who was  
13 arrested in the south suburbs is being questioned  
14 by Area 2 detectives and we expect charges to be  
15 filed soon.

16 Our detectives across the City have  
17 been doing an outstanding job so far this year.  
18 CPD has cleared 260 homicides. We are well ahead  
19 of last year's space where we cleared more  
20 homicides in a single year than we had in a  
21 decade and a half.

22 Our overall clearance rate so far  
23 in 2021 is 45 percent. We are also on a  
24 record-setting pace to take guns off the streets

1 of Chicago.

2                   Currently, we have recovered 9,093  
3 guns. That's a 17.3 percent increase over last  
4 year at the same time. We've also made  
5 significant progress toward the uptick in vehicle  
6 hijacking with over 1,007 arrests for  
7 carjacking-related offenses.

8                   We doubled our vehicle hijacking  
9 task force from 40 officers to 80. That was just  
10 done back in the latter part of August and early  
11 part of September. So on September 11th,  
12 officers arrested a 58-year-old male in  
13 connection with a carjacking that occurred on  
14 July 15th in the 7800 block of South Ingleside.  
15 The offender named John Ray has now been charged  
16 with one count of aggravated vehicular hijacking  
17 with a firearm in connection with that incident.

18                   On September 10th, officers  
19 arrested a 17-year-old male in connection with a  
20 carjacking that occurred at the 200 block of West  
21 22nd Place. Two days earlier on September 8th,  
22 that same juvenile has now been charged with one  
23 count of vehicular hijacking in connection with  
24 that incident.

1                   He also faces additional charges of  
2 possession of a stolen motor vehicle in  
3 connection with a separate carjacking that took  
4 place on July 14th.

5                   Lastly, we held a town hall just  
6 prior to this Police Board meeting with Simeon  
7 High School family members to express our  
8 condolences and offer our support to the school  
9 which lost two students to a gun violence  
10 incident this week.

11                   During the town hall, we provided  
12 an overview of the investigation and discussed  
13 our deployment of personnel to secure the area,  
14 along with the additional threats that we  
15 received throughout the internet -- or over the  
16 internet at several other Chicago high schools.  
17 We put in a mitigation plan to ensure the parents  
18 and CPS of our unwavering support to carry on for  
19 the next couple of weeks and constantly will be  
20 reevaluated should we need to continue on further  
21 or if we need to -- or if we're able to  
22 discontinue the deployment earlier, we will.

23                   With that, I'll turn it back over  
24 to you, Chairman.

1           PRESIDENT FOREMAN: Thank you, First Deputy.

2                           Now, Chief Administrator Kersten,  
3 if you would like to give your report.

4           INTERIM CHIEF KERSTEN: Thank you, President  
5 Foreman. Yes, on behalf of the Civilian Office  
6 of Police Accountability, I appreciate the  
7 opportunity to update our community as to the  
8 events that took place in August. Particularly  
9 I'll start with some statistical information.

10 COPA received 450 complaints and notifications  
11 relative to officer conduct. Of those, 111 of  
12 them are cases that will remain under COPA's  
13 jurisdiction. And as I report out on every  
14 month, the continued highest number or type of  
15 those cases is allegations of improper Fourth  
16 Amendment search and seizure allegations.

17                           With our statistical report out as  
18 well, I would like to report that of the cases  
19 that we closed in the month of August, 35 percent  
20 of those cases include the sustained findings and  
21 recommendations of discipline and/or training.

22                           I'd also like to talk a little bit  
23 about transparency releases. In the month of  
24 August, we put out one video release. It was an

1 officer-involved shooting that took place on July  
2 9th. And our agency and our staff that work on  
3 our transparency initiatives were able to get  
4 that release out on August 3rd, so well in  
5 advance of our timeline for release under the  
6 City's video-release policy.

7 Another more high-profile incident  
8 that has led to a lot of release of video in the  
9 media was the incident that occurred on North  
10 Avenue Beach at the end of August, on August the  
11 28th, with a woman walking her dog that was  
12 stopped by an officer.

13 Importantly, videos were released  
14 via FOIA, as well as the Mayor's executive order  
15 as recently as today to both members of the media  
16 as well as the complainant in that case. And I  
17 bring this up and highlight it to just again  
18 reiterate that COPA understands and recognizes  
19 that transparency, providing the public access to  
20 this information in as timely of a manner as  
21 possible is a bedrock of public trust. And this  
22 is something that's really a critical focus in  
23 our agency. To make sure that while  
24 investigating these instances in a timely and

1 fair manner is, of course, our first mandate,  
2 being able to publicize the information and make  
3 sure that the Chicagoans who are interested have  
4 access to the information that is appropriate to  
5 share publicly. Making sure that happens as  
6 quickly as possible is also critically important  
7 to the success of our agency and to the trust  
8 that we are seeking to build in the community  
9 that we serve.

10                   And so the last items that I wanted  
11 to report out on were our community engagement  
12 events. We had over nine different community  
13 engagement events in August and many of them were  
14 centered around the Mayor's budget initiative.

15                   And I bring this up to say that we  
16 recognize the importance again of transparency at  
17 COPA, so much so that we are seeking and look  
18 forward to talking more at our upcoming budget  
19 hearing to be able to institute a free-standing  
20 transparency unit within our agency, so that we  
21 really have the adequate staff and resources to  
22 make sure that all of these video releases don't  
23 just come out under the timeline they're required  
24 to, but come out as soon as practicable, so we

1 can make sure we are disseminating the  
2 information that the public so desperately needs  
3 in order, as I said before, to begin to build  
4 trust.

5 So thank you for the opportunity to  
6 talk about the updates for August. I appreciate  
7 it.

8 PRESIDENT FOREMAN: Thank you. When is your  
9 budget hearing, do you know?

10 INTERIM CHIEF KERSTEN: Budget hearing is  
11 September 30th.

12 PRESIDENT FOREMAN: That was a good  
13 reminder. We have our budget hearing on October  
14 4th. And I think, CPD, your budget hearing is  
15 also on October 4th.

16 So, members of the public, you are  
17 more than welcome to join, and you can get a  
18 little bit more detail what we provide here about  
19 some of the work that we each do.

20 I will now call upon members of the  
21 public who signed up in advance to speak. I will  
22 ask all of the callers wait until your turn is  
23 called. Callers, you can unmute yourself by  
24 pressing \*6.

1                   Our first speaker is Catherine  
2 Henchek.

3                   Everyone, we have a lot of speakers  
4 tonight, so we're going to adhere strictly to the  
5 two minutes. Our first speaker, Catherine  
6 Henchek. Press \*6 please. We are having some  
7 technical difficulties. So if this does not  
8 work, I will come back to you, Ms. Henchek.

9                   Out Second speaker, Shabbir Manjee.  
10 Shabbir Manjee. \*6. If you have the ability to  
11 press \*6. I can see that the callers are here.

12           MR. MANJEE: Can you hear me?

13           PRESIDENT FOREMAN: Yes. Wonderful.

14           MR. MANJEE: Thank you for having me.  
15 Shabbir Manjee. I'm a member for the Party for  
16 Socialism and Liberation. I'm deeply concerned  
17 with some of the officers within the Chicago  
18 Police Department. Mainly those that  
19 participated in the Capitol Hill mob attack and  
20 those that defended the attack.

21                   Last summer I saw, as you all saw,  
22 thousands march across the street in this very  
23 City to demand police accountability.

24                   This was a benchmark demand.

1 Knowing that these demands were met with  
2 violence, and now that the very enforcers of said  
3 violence participated in an attack on the Capitol  
4 is deeply disturbing.

5 Related, the racist gang known as  
6 the Proud Boys were named a terror organization  
7 by the U.S. ally country Canada, have also  
8 infiltrated the Chicago Police Department with  
9 only mere suspension and internal investigation  
10 as a reaction.

11 John Catanzara, the FOP president,  
12 immediately supported the insurrectionists and  
13 was promptly suspended.

14 What does it say when the FOP  
15 president who is in an elected role that  
16 represents the members of the Chicago Police  
17 Department supports terroristic activity?

18 The handling of the Anthony Alvarez  
19 case, from Anthony's murder, to the harassment of  
20 his family, to the takedown of the memorial, to  
21 the counter protests staged by pro FOP aldermen  
22 show that the police are not willing to serve and  
23 protect the people but rather protect themselves.

24 This is mob mentality. And I

1 believe future generations will look at the sad  
2 chapter in Chicago history as another chapter of  
3 mafia-like rule, only this time they have badges  
4 and their crimes are awarded with pay raises.

5 Thank you.

6 PRESIDENT FOREMAN: Thank you. I'm going to  
7 go back to our first speaker, Catherine Henchek.  
8 If you can try \*6 to unmute.

9 MS. HENCHEK: Good evening. I think it's  
10 working this time. My name is Catherine Henchek,  
11 and I am a resident of Portage Park. And I am  
12 here to speak in solidarity with the family of  
13 Anthony Alvarez. I met Anthony's family through  
14 organizing in my community with the Party for  
15 Socialism and Liberation. It's been five months  
16 since Anthony was shot and killed by Officer Evan  
17 Solano, five months, and his family is still  
18 looking for answers.

19 Anthony wasn't much older than my  
20 kids. And as a mother, I can't imagine the pain  
21 of losing a child, but that pain is compounded by  
22 the fact that his family cannot get answers as to  
23 what happened. Why was Anthony chased in the  
24 first place? Was there even a traffic stop? If

1 so, why? Why was he killed? We know who killed  
2 him but no arrest has been made.

3 We were glad to see Officer Solano  
4 was stripped of his police powers but wondered if  
5 that would have even happened if it had not been  
6 for community pressure or his well-publicized  
7 road-rage incidents.

8 It's been five months now and it's  
9 time for answers and it's time for an arrest.

10 During this time, Anthony's family  
11 has been harassed. The memorial to him has been  
12 destroyed by police several times. They called  
13 it a traffic hazard. But if you've been down  
14 that street, you can tell it's not a traffic  
15 hazard. All it did was draw unwanted attention  
16 to Anthony's killing.

17 You can compare that to how quickly  
18 they repaired the police memorial on Montrose and  
19 Knox when that got vandalized.

20 The family and his supporters in  
21 this community have been trying to keep Anthony's  
22 memory alive.

23 We've seen his name disparaged on  
24 social media, but he was a son, a father, and a

1 cousin, and he was a worker who was trying to  
2 provide for his two-year-old daughter.

3 We've held several outings in the  
4 community to demand justice for his killing. We  
5 want the police to stop harassing his family. We  
6 want answers as to why he was chased and gunned  
7 down on March 31st and we want the arrest of  
8 Officer Solano. Thank you for your time.

9 PRESIDENT FOREMAN: Thank you. Next  
10 speaker, Tiffany Smith. If you can press \*6 to  
11 unmute, please.

12 MS. SMITH: Can you hear me?

13 PRESIDENT FOREMAN: Yes, ma'am.

14 MS. SMITH: Thank you. Hello. My name is  
15 Tiffany Smith. And I have been a proud,  
16 second-generation resident of West Chatham on the  
17 623 for over 40 years. The increase in gun  
18 violence in my community over the last two years,  
19 however, has given me great pause. The total  
20 shootings involving victims has increased by 65  
21 percent over the previous year on my beat alone,  
22 and that's a 42 percent on our adjacent beat,  
23 which is 622, where, as mentioned before, we had  
24 the fatal shooting of a Simeon student at 83rd

1 and Holland Drive. This community is part of the  
2 Chatham community and has historically served  
3 particularly on this side of the expressway as  
4 the breadbasket for that community and the  
5 business center for many south side communities,  
6 such as Chatham and parts of Grand Crossing, Park  
7 Manor, Brainard, and Auburn-Gresham and parts of  
8 Roseland. Also the transportation for both --  
9 sorry, can you mute?

10 PRESIDENT FOREMAN: Ms. Henchek, you're  
11 still unmuted.

12 MS. SMITH: So as I was saying, it also  
13 serves as a transportation hub transporting many  
14 of our working commuters and our high schoolers  
15 to and from school each day.

16 So I'm really concerned by what I'm  
17 starting to see in this community.

18 The situation has escalated in our  
19 family to the point where I, along with other  
20 family members, are actually driving to pick up  
21 the high schoolers in our family each day to make  
22 sure they get home safely because we don't trust  
23 the Red Line or their walk home from the Red  
24 Line.

1 I recognize, well, it is a  
2 hardship. It's something we're fortunate enough  
3 to be able to do, but a lot of people are not  
4 able to do that. And this community used to be a  
5 community of choice. I don't know if I can say  
6 that anymore.

7 And while I recognize the Herculean  
8 efforts that the commander and officers of the  
9 6th District are putting forth, as well as the  
10 roll-out of novel programs, such as the NPI  
11 program, they do instill a bit of hope, but I  
12 also see that there are basics that we are  
13 missing. And one in particular I want to draw  
14 your attention to is our CAPS program. Our  
15 community organizer is not there. Apparently  
16 they resigned over the holiday. I've been  
17 hunting, and I have yet to see a posting for the  
18 community organizer role in the 6th District.  
19 And this is a vital role for integrating the  
20 community with our CAPS officers to mobilize, to  
21 support the efforts that our public safety  
22 officers are doing, as well as to provide those  
23 wraparound services in conjunction with those  
24 DCOs. So my ask is --

1           PRESIDENT FOREMAN: I'm sorry. I was going  
2 to ask you to conclude. We're over the two  
3 minutes.

4           MS. SMITH: Just doing that. So my ask is  
5 that you give some attention to the need for our  
6 community outreach officer in the CAPS office and  
7 that position be filled immediately. Given the  
8 heightened situation, there's no time to waste.  
9 Thank you for your time.

10          PRESIDENT FOREMAN: Thank you. First  
11 Deputy, would you like to respond?

12          FIRST DEPUTY CARTER: We'll have that looked  
13 into. Take down the information and have that  
14 looked into.

15          PRESIDENT FOREMAN: Thank you. Our next  
16 speaker, Jazmine Salas. If you can press \*6 to  
17 unmute.

18          MS. SALAS: Hello. Can you hear me?

19          PRESIDENT FOREMAN: Yes, ma'am.

20          MS. SALAS: Okay. My name Jazmine Salas.  
21 And I'm here with the Chicago Alliance Against  
22 Racism and Political Repression.

23                         I'm here to speak about the  
24 horrific treatment faced by Nikita Brown as she

1 walked her dog on North Avenue Beach. Demand the  
2 firing of Officer Bruce Dyker. Officer Dyker,  
3 the white police officer who harassed and  
4 physically assaulted Ms. Brown, has a long record  
5 of police complaints from black women and  
6 Latinas, most of which involve excessive force  
7 and physical assault. He has proven himself  
8 incapable of serving and protecting the residents  
9 of Chicago, especially women of color.

10 The night that Officer Dyker  
11 attacked Ms. Brown, he acted in violation of  
12 Rules 10 and 11 from CPD's code of conduct, among  
13 many other violations of this code of conduct.

14 But Rules 10 and 11 refer to  
15 inattention and incompetence in the performance  
16 of duties.

17 A white man placing his hands on a  
18 black woman shows Officer Dyker's incompetence.  
19 Resorting to violence while doing your job as a  
20 public servant is unacceptable.

21 And Officer Dyker's decision to  
22 resort to physical assault shows he was incapable  
23 of handling the situation.

24 This attack was a hundred percent

1 unnecessary and a hundred percent avoidable. And  
2 COPA's reluctance to release his name was a  
3 decision to protect this officer, that shows your  
4 inattention to your duty as an agency that is  
5 supposed to support survivors of police brutality  
6 and seek justice, instead you have chosen to  
7 protect this officer.

8           The fact that Officer Dyker had 27  
9 complaints against him from the community but  
10 only three resulted in any disciplinary action  
11 reflects the incompetence of COPA, the Mayor, and  
12 the entire police accountability system in  
13 Chicago.

14           It shows that you all are not only  
15 incapable of protecting oppressed communities,  
16 but you all stand with cops who abuse women and  
17 endorse their action.

18           This is why we're going to empower  
19 the same communities that you all ignore to rise  
20 up and win in community control of the police.

21           There isn't a single job on earth  
22 that would allow their employees to act racist  
23 and sexist, attack innocent women and still have  
24 a job.

1           PRESIDENT FOREMAN: Thank you, Ms. Salas.

2 I'm sorry. We were over the two minutes.

3                     Our next speaker, Song, Yankyeol

4 Song. If you can press \*6 to unmute.

5           MS. SONG: Good evening. My name is

6 Yankyeol Song. I am a resident of Chicago and a

7 member of the Chicago Alliance Against Racism and

8 Political Repression. I'm here to demand justice

9 for Nikita Brown and justice for all survivors

10 and victims of Chicago Police Department crime

11 and for the firing of Officer Bruce Dyker.

12                     Dyker violated Rule 8 and Rule 9,

13 among others, of the CPD's rules of conduct when

14 he attacked Ms. Brown.

15                     Rule number 8 prohibits disrespect

16 to and maltreatment of any person while on or off

17 duty.

18                     Rule 9 prohibits engaging in

19 unjustified verbal and physical maltreatment to

20 any person while on or off duty. Both rules

21 prohibit the use of any excessive force by any

22 member and these rules prohibit all brutality and

23 physical or verbal maltreatment of any citizen,

24 on or off duty, including any unjustified

1 altercation of any kind.

2 This isn't the first time Dyker has  
3 broken Rules and 8 and 9. Between 2000 and 2018,  
4 Dyker had at least 27 civilian complaints. Only  
5 three of which were sustained and resulted in  
6 discipline.

7 Dyker has demonstrated a pattern of  
8 excessive force. CR1087762, CR1057480,  
9 CR1022078, CR1009264, TRR96740 are all complaints  
10 of abuse of excessive force, two of them  
11 resulting in injury, all of them involving women,  
12 nearly all black and Hispanic.

13 With this demonstrated pattern of  
14 violence against women and excessive force, why  
15 was Officer Dyker allowed to remain on the force?

16 This includes an incident in 2008  
17 when he was arrested for pointing a gun at  
18 someone during a domestic incident while off duty  
19 and verbally assaulting the victim.

20 He was arrested on three counts of  
21 aggravated assault. Why wasn't he fired then?

22 Every single survivor of male  
23 violence, every woman who watched the video of  
24 Nikita Brown walking alone with her dog at night

1 and being targeted by this man knows what a  
2 dangerous situation that was.

3 We as women refuse to be terrorized  
4 and kept from public spaces, from walking alone  
5 at night, any beach, anywhere. And this body,  
6 everyone here in this meeting, could have  
7 prevented what happened on North Avenue Beach by  
8 firing Dyker when he proved to have a pattern of  
9 excessive force and violence against women.

10 Fire --

11 PRESIDENT FOREMAN: I'm sorry, Ms. Song. We  
12 were over the time.

13 Our next speaker, Ana Santoyo.  
14 Press \*6 to unmute, please. Ana Santoyo?

15 MS. SANTOYO: Can you hear me?

16 PRESIDENT FOREMAN: Yes.

17 MS. SANTOYO: Okay. My name is Ana, and  
18 I'm a member of the Party for Socialism and  
19 Liberation and a mother in the Portage Park  
20 neighborhood where Anthony Alvarez was murdered  
21 by CPD Officer Evan Solano.

22 I am here to speak in solidarity  
23 with the family of Anthony Alvarez. And I met  
24 Anthony's family by attending his memorial as a

1 community member just a day or two after he was  
2 murdered by CPD.

3 I was at the memorial that the  
4 family made to honor Anthony's life that was  
5 stolen by Evan Solano, who has been stripped of  
6 his police powers.

7 Later that night and countless  
8 times after, the police threw away items,  
9 pictures, and flowers from that memorial.

10 In looking at the bullet points  
11 that Chicago.gov has laid out about the job  
12 responsibilities this Police Board has, the first  
13 is deciding disciplinary action. And I am here  
14 to demand more disciplinary action for Evan  
15 Solano.

16 Stripping someone of their police  
17 powers is not enough for taking someone's life.

18 It is not enough for taking away  
19 someone's son, someone's father, cousin.

20 We are demanding justice. Just as  
21 the family of Anthony Alvarez, who was 22 years  
22 old and a father of a two-year-old by the way,  
23 and I'm here to demand that Evan Solano be  
24 officially fired and arrested for the murder of

1 Anthony Alvarez.

2           The disciplinary action of  
3 stripping police powers from Evan Solano was done  
4 so because the people of the movement demanding  
5 it.

6           The family and community have held  
7 countless rallies and protests and demand answers  
8 on why Anthony was being chased in March of this  
9 year and still does not have those answers.

10           So we're here to also let you know  
11 that the movement for Anthony Alvarez is not  
12 going anywhere.

13           Another bullet point you have  
14 listed is holding monthly public meetings that  
15 provide an opportunity for all members of the  
16 public to present questions and comments to the  
17 Board, including Superintendent David Brown and  
18 COPA.

19           Well, this is not the only  
20 opportunity we've had to speak. We've made our  
21 own opportunities. But we are at a point where  
22 you need to actually hear us and hear the family  
23 members of Anthony Alvarez who was murdered by  
24 one of your own police officers.

1                   Beyond that, the FOP and other  
2 pro-police forces and other people of the City  
3 have held counter protests against the mourning  
4 family, and that is unacceptable and a shame that  
5 you think you can ignore, leave a family with no  
6 answers, harass them by throwing away pieces of  
7 their memorial and more.

8                   The Police Board needs to act now  
9 on what you have listed as job duties for the  
10 people of this City.

11                   Working class people are not --

12           PRESIDENT FOREMAN: I'm sorry. We're over  
13 the time. We've had a couple of callers now  
14 speak about the case -- couple of cases. Chief,  
15 if you would like to address kind of where you  
16 all are in that process.

17           INTERIM CHIEF KERSTEN: Thank you, President  
18 Foreman, I appreciate that.

19           UNIDENTIFIED SPEAKER: Hello? Can anyone  
20 hear me?

21           PRESIDENT FOREMAN: I'm not sure who is  
22 speaking. I haven't called on you yet. Go  
23 ahead, Chief.

24           INTERIM CHIEF KERSTEN: Thank you, President

1 Foreman. I do appreciate the opportunity to talk  
2 about both of those pending investigations.

3 The investigation into the incident  
4 on North Avenue Beach that occurred on August  
5 28th, that's an example of COPA moving in all due  
6 haste to ensure that the Police Department had in  
7 its ability and its information -- the  
8 information that it needed to make decisions  
9 about whether to remove the involved officer  
10 immediately from his duties on the streets which  
11 was an action that was taken.

12 I understand the frustration that  
13 may seem as if that's not enough, but that's just  
14 the beginning of the investigative process.  
15 That's a step that can be taken in any case where  
16 we find there is sufficient evidence to warrant  
17 it and that step can happen while the  
18 investigation remains pending.

19 With respect to that pending  
20 investigation, COPA is moving with all due haste  
21 to make sure that we can bring it to conclusion  
22 and provide full and detailed answers to a public  
23 that desperately wants them; however, we can't do  
24 that at the sacrifice of the investigative

1 integrity of this case or against the rules that  
2 govern how misconduct investigations have to  
3 occur. There is a process that must be followed,  
4 and we are here to make sure that process is met.

5 And we are happy to have additional  
6 conversations with any group member or individual  
7 from the community to further explain what that  
8 process looks like.

9 With respect to the fatal shooting  
10 of Anthony Alvarez, again, when we had  
11 information sufficient to make a recommendation  
12 that the officer involved be removed and actually  
13 be stripped of his law enforcement powers, we did  
14 so. We did so within days of that shooting. And  
15 ultimately the Superintendent concurred and that  
16 is what took place.

17 With any fatal officer-involved  
18 shooting, all of those cases are referred for  
19 criminal review to external entities. And the  
20 Cook County State's Attorney's office and the FBI  
21 were both notified of the facts of that case and  
22 their investigations remain ongoing with respect  
23 to whether any criminal charges would ever be  
24 warranted in that matter. That's not for the

1 purview of COPA necessarily or this Police Board,  
2 but what COPA is squarely focused on is its  
3 investigative interests and the administrative  
4 investigation, whether that officer remains an  
5 officer after the actions that took Anthony  
6 Alvarez's life.

7           With respect to that investigation,  
8 as we have done many times before, such as  
9 another high-profile incident involving a  
10 shooting on a CTA Red Line, COPA has within its  
11 ability the -- the ability to close that  
12 investigation in as fast of a timeline as the  
13 facts and the evidence will allow. That is what  
14 we are seeking to do with Anthony Alvarez's case.  
15 As soon as we are able to make public the fact  
16 that we have first closed that investigation and  
17 then ultimately what that investigation shows, we  
18 will make sure that that happens, that the public  
19 has that information. But while any  
20 investigation remains pending, we are not in a  
21 position to comment on the outcome. I can just  
22 simply come here, hear what people are interested  
23 in knowing, hear what answers people are looking  
24 for and make the assurance that we are moving

1 with all due haste to conclude both of those  
2 investigations and bring answers to the public.

3 PRESIDENT FOREMAN: Thank you, Chief. I  
4 can't remember if I already called this speaker.  
5 Grace Patino. Grace Patino.

6 MS. PATINO: Can you hear me?

7 PRESIDENT FOREMAN: Yes.

8 MS. PATINO: Hi. I'm here to voice my  
9 support of Nikita Brown and call for the firing  
10 of the officer in question and to tell my own  
11 story.

12 So when I was in college, a friend  
13 and I were leaving a party that CPD had broken  
14 up. As we were walking to the train, a squad car  
15 pulled up and spotlighted us on the street. A  
16 white male officer leaned out the window and  
17 called us fucking sluts. We were scared and  
18 didn't know what to do. We had been drinking  
19 under age. We just kept our heads down and  
20 walked towards the train. Luckily the cruiser  
21 drove off. But sometimes I wonder what would  
22 have happened if we had been walking alone at  
23 night or if we had not been white and clearly  
24 college students or if we were in a more remote

1 location.

2                   What happened to Ms. Brown is not  
3 just a one-off incident but an indicator of a  
4 larger problem CPD has with violence against  
5 women in Chicago.

6                   I mean there are multiple studies  
7 indicating that police nationwide have a higher  
8 rate of domestic abuse within their homes. And  
9 this, of course, was another indicator of the  
10 oppression black and brown communities face in  
11 Chicago. And I just want to say that I think  
12 it's ridiculous that Ms. Brown had to go through  
13 this traumatic event with this male officer only  
14 to have to speak face-to-face with another  
15 officer in her home hours just after to make a  
16 report. I mean can you imagine for like a rape  
17 survivor?

18                   And we do know that CPD has carried  
19 out sex crimes against citizens, looking at the  
20 case of Trina Townsend or the story of Mark  
21 Clements. But can you imagine someone going  
22 through an experience like that and then having  
23 to report it to the very agency that just  
24 committed the crime?

1                   That's a nonstarter for me  
2 personally. And that's why we need to implement  
3 ECPS so that when we have issues with officers in  
4 our neighborhoods, we can go to directly elected  
5 representatives to tell them without CPD present,  
6 because that is not a safe space and that is not  
7 a safe space for women.

8                   That's also why we need the  
9 City-wide commission to be directly elected  
10 because we need to have community control over  
11 the police. The police are not going to police  
12 themselves. And mayor after mayor has made it  
13 clear they won't do it either.

14                   This officer should be fired. The  
15 bottom for firing an officer should not be  
16 murder.

17                   Let's prevent another Jason Van  
18 Dyke or Dante Servin situation while we still  
19 can.

20                   In closing, when you are watching  
21 the video again, as I know you will be, try to  
22 imagine if that was your daughter, your wife,  
23 your sister, your mother, your friend, and what  
24 wouldn't you do to protect her.

1           PRESIDENT FOREMAN: Thank you. Next  
2 speaker, Amanda Jenkins. But I do not see you  
3 dialed in. Amanda Jenkins.

4                       Lisa Davis. You can press \*6,  
5 please.

6           MS. DAVIS: Can you hear me?

7           PRESIDENT FOREMAN: Yes, ma'am.

8           MS. DAVIS: I'm Lisa Davis. I'm from the  
9 4th District. I'm a beat 412 facilitator. I had  
10 two topics to talk about today. The first one is  
11 about CAPS needs. Our community organizer,  
12 Antonio Salazar, retired in November of last  
13 year. We have not yet had a dedicated community  
14 organizer.

15                       As was mentioned before, our  
16 community organizers help us mobilize the  
17 community. People have more visibility to the  
18 crimes because of COVID and a number of these  
19 apps that are available. And they are very  
20 concerned about what's being seen in our  
21 communities. So we need someone to address that.

22                       Also, as a beat facilitator, I have  
23 a co-facilitator for beat 412. That individual  
24 is still in the process of being finalized. He

1 was identified back last year, but he has not  
2 been finalized and available as a resource for me  
3 to use as a backup. So I need help with that.

4 And we need help with the community  
5 so that we can do what we need to do for my beat.

6 Finally, we have an issue with  
7 traffic accidents from 79th to 95th and Stony  
8 Island. We're seeing reckless behavior. Seeing  
9 speeding, people drag racing, running red lights.  
10 This resulted in damage to buildings,  
11 hospitalization of people. We're in an older  
12 community where I live. I'm in Avalon. So we  
13 really need to address this because this is a  
14 main mode of transportation for us, Stony Island.  
15 And also it connects to I-94. I-90 as well.  
16 People need to be secure in moving around this  
17 City. And that's our main street to do that.

18 So we're asking for a solution with  
19 the community and the police.

20 PRESIDENT FOREMAN: Thank you very much.

21 So, First Deputy, we had another question about  
22 some CAPS, and so if you can also look into that  
23 district as well, we would appreciate that.

24 FIRST DEPUTY CARTER: Definitely will.

1           PRESIDENT FOREMAN: Thank you. As well as  
2 the traffic. We know that we're going to have  
3 Communities Organized to Win and traffic is one  
4 of the things that they continue to talk about.

5                     Our next speaker is Gail  
6 Saulsberry. Gail Saulsberry. \*6, please.

7           MS. SAULSBERRY: Hi. This is Gail  
8 Saulsberry. Thank you so much. I appreciate it.  
9 I just want to say that I believe not only  
10 mentioning when things are bad, but I also want  
11 to mention when things are going well.

12                     So at this time I would like to  
13 report that things are better and people are not  
14 sitting in the alley as much. This could be due  
15 to the cooler temps and the rain, but the change  
16 may also be a result of the communication with  
17 Mr. Lynch from the Gift of Hope.

18                     Mr. Lynch and I have been in close  
19 communication to eliminate the loitering in the  
20 alley around the building of the Gift of Hope and  
21 the parking lot. They have placed the chains  
22 across the parking lot to block the entrance.  
23 And more security will be in place as Malcolm X  
24 is expanding the build-out of a satellite office

1 on the lower level of the Gift of Hope, which is  
2 located at 7936 South Cottage Grove. This is a  
3 welcomed entity to our neighborhood.

4 And I thank you for all of the  
5 attention that you have provided. And I pray  
6 that we can look for brighter days where we can  
7 place our attention elsewhere and maybe do  
8 something we haven't been able to do in a long  
9 time, which is relax and enjoy the fruits of our  
10 labor. I thank you very much. Be well and stay  
11 safe.

12 PRESIDENT FOREMAN: Thank you. Next  
13 speaker, June Norfleet. You can press \*6, Ms.  
14 Norfleet. Ms. Norfleet, \*6. Hello.

15 MS. NORFLEET: Can you hear me?

16 PRESIDENT FOREMAN: Yes, ma'am.

17 MS. NORFLEET: Okay. Good evening to my  
18 fellow citizens and our public servants.

19 First of all, let me say, COPA, you  
20 seem like you'll have your work cut out for you  
21 attending to the case of Officer Dyke. That is,  
22 indeed, a very sad and troubling situation.

23 But this evening I want to talk to  
24 you about sanctuary. For the last three years,

1 I've awakened to the sounds of birds greeting and  
2 calling and living in the trees near my house.  
3 And upon careful observation, I see that there  
4 are birds of all types and colors and various --  
5 from various corners of the globe, right here in  
6 Chicago. And they come to my backyard because it  
7 is a sanctuary. I support them with planting the  
8 appropriate flowers so they can enjoy the  
9 sanctuary.

10 A sanctuary is a place that is set  
11 aside to protect and edify life. However, I do  
12 not believe that excessive alcohol, drugs, drug  
13 paraphernalia, or processed foods is supportive  
14 of human life. Nor do death-driven gangs,  
15 cartels, trash, and debris uplift our community.  
16 I opine, no, they do not.

17 In September, over 30 gas stations,  
18 primarily on the west and south side of our City,  
19 were temporarily closed due to violations. A  
20 joint venture of CPD, this is Affairs and  
21 Consumer Protection and Department of Health and  
22 other agencies, cited these gas stations for  
23 these violations.

24 One gas station had over 74

1 shootings on its very property. Recently a group  
2 of Englewood residents voted down a request for a  
3 new gas station at 66th and Halsted because they  
4 cited the gas stations are catalysts and  
5 contributor to rampant trash, loud music, drug  
6 sales, and loitering when left unchecked.

7 We don't like this vacant lot they  
8 said, but we sure are better off than what they  
9 are proposing to bring here.

10 PRESIDENT FOREMAN: Sorry, Ms. Norfleet,  
11 we're out of time.

12 Our next speaker, Mr. Matt Brandon.  
13 Matt Brandon, if you can press \*6. All right.

14 Next speaker, Jennifer Edwards.  
15 Press \*6, please.

16 MS. EDWARDS: Can you hear me?

17 PRESIDENT FOREMAN: Yes, ma'am. Good  
18 evening.

19 MS. EDWARDS: Good evening, everybody. This  
20 afternoon we conducted one of our Operation  
21 Neighborhood Safety visits to a south side gas  
22 station in the 3rd District.

23 We are present with the 3rd  
24 District officers, often tactical and DCO

1 officers. Our purpose is to stand with the  
2 community members to help in stopping carjackings  
3 while residents gas up their cars.

4 We also observed the areas and  
5 conditions of the inside and outside of the  
6 business. We visited numerous stations in the  
7 area that the City's task force has closed  
8 recently in the process of combatting crime in  
9 the City designated Zone 3 area. During these  
10 visits, we often find unclean areas, signs, and  
11 items covering windows, illegal paraphernalia,  
12 vaping products, stimulant coffee drinks,  
13 cigarettes sold without legal stamps, and  
14 structural building problems and more.

15 We've also visited the stations  
16 with City departments on business walks, and  
17 written violations have been given to the owners  
18 and stations subsequently closed.

19 We are in support of the City  
20 shutting down the station as often as necessary,  
21 as these businesses are disrespectful to the  
22 community that they reside in and draw crime  
23 elements that promote the problems we are having  
24 in our neighborhood.

1                   By no means is the City of Chicago  
2 discriminating against the owners of the gas  
3 stations, but requiring compliance on the  
4 business level as others are required to operate.  
5 There is no reason that this type of behavior  
6 should be allowed. We stand with the City of  
7 Chicago in curtailing this illegal activity.  
8 Thank you.

9           PRESIDENT FOREMAN: Thank you.

10                   Our next speaker -- this is not the  
11 first Tiffany Smith who spoke earlier, but if we  
12 have another Tiffany on the call this evening.

13           MS. SMITH: It is one and the same. You can  
14 go to the next person.

15           PRESIDENT FOREMAN: Wonderful. Next  
16 speaker, Zedrick Braden. If you can press \*6.

17           MR. BRADEN: Good evening. Thank you very  
18 much for allowing me to speak. I'm going to make  
19 it very short. I'm a resident of the 3rd  
20 District for many, many years, and I just want to  
21 commend the Police Department on the District  
22 Coordination Officer program, DCO, that is  
23 bringing swift results. We have a lot more work  
24 to be done. 71st, 75th, 79th, but I just want to

1 say we're just really appreciative of that  
2 program, and I'm very happy to hear the report of  
3 the First Deputy this evening. Thank you again  
4 and continue to do the wonderful job that you do.

5 PRESIDENT FOREMAN: Thank you. Next  
6 speaker, Anna McColgan. If you can press \*6.

7 Anna --

8 MS. MCCOLGAN: Hi. Can you hear me?

9 PRESIDENT FOREMAN: Yes, ma'am.

10 MS. MCCOLGAN: All right. Good evening. My  
11 name is Anna McColgan. I'm a resident of Chicago  
12 and a member of Chicago Alliance Against Racist  
13 and Political Repression.

14 I'm here tonight to demand justice  
15 for Nikita Brown and all survivors of police  
16 crime like what Ms. Brown experienced and to  
17 demand that the Police Board fire Officer Bruce  
18 Dyker, who has a clear pattern of violating black  
19 and Latina women's constitutional and human  
20 rights and the rights of women generally. Not  
21 only did Officer Dyker violate Chicago law in his  
22 mistreatment of Ms. Brown but also constitutional  
23 law and human rights law. To be specific,  
24 though, he violated rule number 12 and number 14

1 in the CPD rules and regulations for officer  
2 conduct.

3 Rule number 12 covers failure to  
4 wear the uniform as prescribed. In December of  
5 2020, a federal judge told CPD that they must  
6 wear a surgical mask or face covering wherever it  
7 is not possible for them to maintain six-feet  
8 distance between them and the person they're  
9 interacting with. The video clearly shows  
10 Officer Dyker maskless and insisting on violating  
11 Ms. Brown's social distance, putting her health  
12 at risk at a time when no one knows how many CPD  
13 officers have been vaccinated. We are still in  
14 the midst of a global pandemic. Where is this  
15 officer's mask?

16 Rule number 14 covers making a  
17 false written or oral report.

18 Officer Dyker claimed on the record  
19 that Ms. Brown was cursing at him. All video  
20 evidence shows that Ms. Brown asserted her right  
21 to her personal space. Made requests for  
22 physical distance. Told the officer to get off  
23 of her when he put his hands on her. Not once  
24 does it show Ms. Brown cursing at the officer.

1 This makes Officer Dyker's report false, adding  
2 yet another way he violated CPD's code of  
3 conduct.

4 With this many times of violations  
5 in one incident on top of his history and pattern  
6 of misconduct, how can Officer Dyker not be  
7 fired?

8 I'm glad COPA has released the  
9 videos related to this incident but transparency  
10 is not enough. We see the violence of CPD again  
11 and again. We see violence against black and  
12 brown women again and again. But what we need to  
13 see is justice, which this body has consistently  
14 refused to bring, which is why we continue to  
15 fight for community control of the police.

16 I urge this Board to send a message  
17 to the women of Chicago that police cannot  
18 violate them with impunity; that the safety and  
19 well-being of women matters in this City. You  
20 must fire Bruce Dyker. That is all.

21 PRESIDENT FOREMAN: Thank you. Our next  
22 speaker, Crista Noel. Crista Noel. Press \*6.

23 MS. NOEL: Happy birthday, Ghian.

24 Hello, everyone. Bruce Dumber,

1 yes, he violated rule number 1, which is  
2 violating any law or ordinance. Any law. We  
3 clearly saw him violate the First Amendment by  
4 trying to snatch -- actually snatching the phone  
5 out of her hand while she was trying to record  
6 him or even possibly make a telephone call to her  
7 mother. He had no right to touch her.

8                   And rule number 2, any action or  
9 conduct which impedes the Department's efforts to  
10 achieve its policies and goals and/or bring  
11 discredit upon the Department.

12                   Rule number 3, any failure to  
13 promote the Department's efforts to implement its  
14 policy or accomplish its goals.

15                   The Chicago Police Department is  
16 under a Consent Decree. Anything like what  
17 happened to Nikita is a violation of Rules 1, 2,  
18 and 3.

19                   It's not just that he should be  
20 administratively let go, fired, terminated, he  
21 should also be -- and I hope Kim Fox or somebody  
22 from Kim Fox's office is listening, he should  
23 also be charged with aggravated battery.

24                   There was nothing in Nikita's body

1 language that was threatening to him. As a  
2 matter of fact, he was more threatening to her  
3 than she was to him.

4 Now, Andrea, I hear you, blah,  
5 blah, blah. Even the mayor said that you needed  
6 to get rid of this one quickly. There's nothing  
7 more really that you need to know or see. It  
8 took me about half an hour to read through the  
9 rules. Okay? You all should know them by heart.  
10 He needs to go. He needs to go now and you need  
11 to send it to the State's Attorneys Office. I  
12 expect Bruce Dumber to be out of the Chicago  
13 Police Department as soon as possible, which  
14 should be by next month.

15 PRESIDENT FOREMAN: Thank you, Ms. Noel.

16 Next speaker, Flora Suttle. Ms.  
17 Suttle, if you can press \*6.

18 MS. SUTTLE: Good evening. My name is Flora  
19 Suttle. My son Derrick Suttle was fatally shot  
20 multiple times by an off-duty Chicago police  
21 officer on February 11th, 2012. There is no  
22 statute of limitations on a homicide.

23 Pursuant to Section 6.1.D of the  
24 Collective Bargaining Unit, COPA must seek

1 approval from the Superintendent to reopen a  
2 concluded or closed investigation more than five  
3 years from the date the complaint register was  
4 issued. This was an administrative issue.

5 Superintendent, can you explain to  
6 me the process for getting a closed or concluded  
7 investigation to the State's Attorney's Office,  
8 that is Kim Fox's office, for review?

9 Now, the interim chief of COPA is  
10 Andrea Kersten. According to the COPA rules and  
11 regulations, the process for reopening any closed  
12 or concluded investigation applies to the  
13 following circumstances. She has to find  
14 evidence that was materially accessible --  
15 materially effective results of the  
16 investigation. She has to find a gross  
17 miscarriage of justice, and then you can reopen  
18 it following the review or audit of an  
19 investigation by the Deputy Inspector General for  
20 Public Safety. The Deputy Inspector General for  
21 Public Safety recommends to the -- recommends  
22 that the investigation be reopened. The Deputy  
23 Inspector General is Deborah Witzburg. And she  
24 recommended to COPA that my son Derrick Suttle's

1 case investigation be reopened.

2 On July 14th, my family met with  
3 COPA and an information officer. We discussed  
4 the conclusions. They declined to reopen the  
5 investigation.

6 We appreciate your quick response  
7 to this matter, but we don't agree with you, with  
8 your findings or your conclusions but we do  
9 respect that. The other question is --

10 PRESIDENT FOREMAN: Ms. Suttle, we're over  
11 the two minutes.

12 MS. SUTTLE: I'm finished.

13 PRESIDENT FOREMAN: I know we had this  
14 conversation a few times. Is this something that  
15 we can try to follow up with offline? I believe  
16 COPA made their recommendation.

17 MS. SUTTLE: Inspector General made her  
18 recommendation. Of course we can do it offline  
19 with the Superintendent.

20 PRESIDENT FOREMAN: Okay.

21 MS. SUTTLE: I spoke with the head of COPA.  
22 I spoke with the Inspector General.

23 PRESIDENT FOREMAN: Ms. Suttle, what I will  
24 do is I'll try to get Max to coordinate a

1 conversation to ensure that we can try to get you  
2 some answers that you seek. I don't want to take  
3 up the rest of this meeting with this. I know  
4 this is an ongoing situation. I'll ask Max to  
5 follow up with you to ensure that we can arrange  
6 a meeting for you.

7 Our next speaker, Mr. George  
8 Blakemore. Mr. Blakemore, if you are there,  
9 press \*6.

10 Final speaker is Mr. Robert More.  
11 Mr. More.

12 MR. WATTS: Hello? I'm a friend of Robert  
13 More. He asked me to call because he had trouble  
14 with his phone. I just wanted to just let you  
15 guys know that I'm, for the record, Gordon Wayne  
16 Watts in Florida. Gordon Wayne Watts. Robert J.  
17 More asked me to call into this number to see if  
18 the phone works. And I don't know beyond that  
19 what he has to say. But you guys know Robert  
20 More because he's a regular speaker. He is a  
21 personal friend. I live in Plant City Florida,  
22 and he used to live in Lakeland.

23 So I wish I could say anything  
24 beyond that, because I can certainly offer an

1 opinion, but I don't have very many dealings with  
2 your police department. But I just wanted to let  
3 you guys know, that was the purpose of me calling  
4 in.

5 PRESIDENT FOREMAN: All right. I attended  
6 Florida A & M University. Got a lot of good  
7 friends down there in Plant City.

8 MR. WATTS: Hey, listen. You don't have to,  
9 but if you guys want to catch up to see who it  
10 was that called, Gordon, G-O-R-D-O-N, Wayne,  
11 W-A-Y-N-E, Watts, W-A-T-T-S. I am currently  
12 suing ten judges for civil rights in your area  
13 and the federal court still has the case pending.  
14 So although I'm not Robert More, I have some  
15 things in common with him as far as our legal  
16 views and the fact we are both activists.

17 I'm glad you had a good experience  
18 in my State of Florida. Things are downhill.  
19 Lakeland used to be blocking people's 911. So  
20 your police department is not the only one that  
21 has done some crazy things. So all I can say is  
22 that I wish I could say more, but I wish you guys  
23 well, both your citizens and police to get along  
24 for one another.

1                   For the record, I'm Gordon Wayne  
2 Watts in Plant City currently, was in Lakeland.

3                   The number that you gave Robert  
4 that he gave me with the PIN codes worked. And  
5 apparently he was unable to get through because  
6 he lives -- he is homeless and he lives behind  
7 something and uses internet from Wi-Fi and stuff  
8 like that. So I think that's why he asked me to  
9 call.

10                  So you guys know Robert. I hope  
11 you guys can get in touch with him and help him  
12 get his feet back. And beyond that I wish I  
13 could do anything to help you guys. But me suing  
14 ten judges in your state is something which is  
15 pretty extraordinary. And they're bad judges.  
16 But I'm not trying to do anything bad. And me  
17 doing that alone is pretty extraordinary. And so  
18 I hope it helps things out. It does so without  
19 offending judges that I'm suing for civil rights.  
20 Suing judges is real hard. But my lawsuit has  
21 not been tossed out.

22                  I wish you guys the best of luck  
23 and I thank you for letting me on.

24                  Is there anything -- you want me to

1 give my number or anything like that or am I  
2 good?

3 PRESIDENT FOREMAN: This is on CAN-TV. The  
4 whole City will have your phone number. We don't  
5 want to do that right now. Thank you much.

6 At this time all the people who  
7 signed up in advance to speak have been called,  
8 but I do want to take one little personal  
9 opportunity to speak. I had a pretty bad bicycle  
10 accident a couple of weeks ago and I was in real  
11 bad shape. 3rd District Police Officer Michael  
12 McGee showed up. Pulled up in his squad car.  
13 I'm laying on the side of the road. He pulled  
14 up, recognized me, called for the ambulance, got  
15 me over to the emergency room, called my wife,  
16 got me in a little bit of trouble with my wife.  
17 Called my wife. You know, got me all checked  
18 into the hospital. Followed up with me at the  
19 hospital. Followed up with me a couple of times  
20 afterwards. And I'm really appreciative of the  
21 work that he did and kind of went above and  
22 beyond what I kind of feel like, you know, what  
23 he had to do. So I was firsthand witness of, you  
24 know, the kind of work that CPD does.

1                   So, First Deputy, I wrote a  
2 complimentary letter, but I wanted to publicly  
3 acknowledge 3rd District Officer Michael McGee.  
4 He came to my rescue and I was in a real bad  
5 place. Thank you very much.

6                   At this time, so all members have  
7 spoken. Is there a motion to adjourn the  
8 meeting?

9           VICE PRESIDENT WOLFF: Paula Wolff. So  
10 moved.

11           BOARD MEMBER FLORES: Board Member Flores, I  
12 second.

13           PRESIDENT FOREMAN: All in favor, please say  
14 aye.

15                                   (CHORUS OF AYES.)

16           PRESIDENT FOREMAN: Thank you very much.  
17 Everyone be safe. Have a great weekend.

18

19                                   (WHEREUPON, the proceedings  
20 were adjourned at 8:34 p.m.)
