

# 2009-2013 Affordable Housing Plan

2013 Second Quarter Progress Report  
April-June

City of Chicago

Rahm Emanuel, Mayor

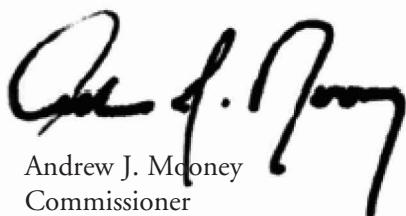

## LETTER FROM THE COMMISSIONER

We are pleased to submit the 2013 Second Quarter Progress Report, which presents the Department of Housing and Economic Development's progress on the goals set forth in the City's fourth Affordable Housing Plan covering the years 2009-2013.

Through the second quarter of 2013 the Department has committed nearly \$200 million to support 5,300 units of affordable housing. This represents 64% of our annual resource allocation goal and 62% of our units assisted goal.

During the second quarter, the Department approved financing for four multifamily development projects and cosponsored a Housing Resource Fair for homeowners and prospective homebuyers on the Northwest Side.

Once again, we would like to thank our many partners for their continued support and participation. We at HED could not succeed in our work without the perseverance of these neighborhood and business groups, elected officials, state and federal agencies, and other community stakeholders. Through our joint efforts, we continue to progress in our goals to create and preserve affordable housing for the people of Chicago.

Andrew J. Mooney  
Commissioner

## INTRODUCTION

This document is the 2013 Second Quarter Progress Report on the Chicago Department of Housing and Economic Development's fourth Affordable Housing Plan, 2009-2013.

For 2013, HED has projected commitments of almost \$312 million to assist nearly 8,500 units of housing.

Through the second quarter of 2013, the Department committed almost \$200 million in funds to support 5,301 units, which represents 62% of the 2013 unit goal and 64% of the 2013 resource allocation goal.

## CREATION AND PRESERVATION OF AFFORDABLE RENTAL UNITS

In 2013 the Department expects to commit over \$266 million to support nearly 5,600 units of affordable rental housing, using loans for new construction or rehab along with rental subsidies.

Through the second quarter, HED committed over \$179 million in resources to support nearly 4,200 units. These numbers represent 75% of the 2013 multifamily unit goal and 67% of the 2013 multifamily resource allocation goal.

### Multifamily Rehab and New Construction

#### **Porta Coeli Senior Residence**

On April 10, 2013 the City Council approved a \$760,000 loan to support construction of a \$16.2 million senior apartment building in South Deering. **Porta Coeli Senior Residence**, to be developed by Catholic Charities Housing Development Corp., will house 86 one-bedroom units affordable to seniors at up to 50% of area median income.

The major source of funding for the project will be a \$14.3 million grant under HUD's Section 202 Supportive Housing Development Program, which helps finance the construction of affordable housing with supportive services for seniors. Additional assistance will include Illinois Donation Tax Credits and an Illinois Energy Efficiency Grant. The four-story complex, located at 2260 E. 99th Street in the 10th (formerly 7th) Ward, will also contain a community room, wellness suite, laundry facilities and office space.

*Catholic Charities of Chicago will construct a new 86-unit apartment building in South Deering with a full range of support services to enable seniors to live as independently as possible as they age and become frailer.*

## Park Boulevard IIB

Also on April 10 the City Council approved the fourth phase in the redevelopment of the Chicago Housing Authority (CHA) Stateway Gardens public housing site in the Douglas community. **Park Boulevard Phase IIB** will consist of four buildings containing 108 mixed-income rental units on multiple sites in the 3rd Ward.

The City will provide \$5 million in TIF assistance and \$2.4 million in Low Income Housing Tax Credits generating \$24 million in equity for the project. The developer, Park Boulevard IIB LLC, will construct three 12-flats and a 72-unit building housing a total of 37 CHA replacement units, 34 affordable units and 37 market-rate apartments.

*Part of the CHA Plan for Transformation, the completed Park Boulevard development will contain 1,316 units, including 439 CHA replacement units. The full site covers approximately 34 acres along State Street between 35th Street and Pershing Road.*

## North and Pulaski Senior Housing

Financial measures approved on May 8 by the City Council will enable the construction of a new 72-unit affordable senior apartment building in the Humboldt Park community. **North and Pulaski Senior Housing** will feature a mix of one- and two-bedroom apartments, along with an exercise room, laundry facilities and management offices.

The \$19.4 million complex, to be located on a City-owned site at North Avenue and Pulaski Road in the 26th (formerly 30th) Ward, will house seniors aged 55 or older earning up to 80 percent of area median income. A \$544,000 allocation by the Chicago Low Income Housing Trust Fund will reduce rents on six of the units to serve tenants at less than 30 percent of AMI.

The development partnership includes U.S. Bancorp Community Development Corp. and Hispanic Housing Development Corp. The City will provide \$4 million in TIF assistance, a \$3.5 million loan, \$326,000 in donations tax credit equity and \$1 million in Low Income Housing Tax Credits that will generate \$10.1 million in equity for the project.

*City-owned land on the northeast corner of North Avenue and Pulaski Road will provide the site for a new five-story apartment complex serving seniors 55 or over.*

## Expansion of Montclare Senior Residences

On June 5 the City Council approved a City loan and tax credits for the \$29 million second phase of **Montclare Senior Residences of Avalon Park** in the 8th Ward.

The expansion, located at 1201 E. 77th Street, will create 122 apartments for independent seniors, including 109 units for those earning up to 60% of area median income. The 7-story L-shaped structure, to be developed by Avalon Park Phase II LLC, will include a mix of studios along with one- and two-bedroom apartments.

The City will provide a \$6.7 million loan and issue \$1.4 million in Low Income Housing Tax Credits that will generate \$14.8 million in equity for the project. Additional City support will include \$750,000 from the Low Income Housing Trust Fund, which provides rental subsidies to landlords who rent to low-income tenants.

The 102-unit first phase of the complex was completed in 2009. The two phases will share a lobby, activity rooms and laundry facilities located in the original building.

*The expansion of Montclare Senior Residences of Avalon Park will result in a total of 224 apartments for independent seniors, including 211 units for those earning up to 60% of AMI.*

## UPDATES ON PREVIOUSLY REPORTED DEVELOPMENTS

### Hope Manor II Groundbreaking

On April 25 local veterans joined with Gov. Quinn, Ald. Thompson (16th) and City officials to celebrate the groundbreaking for a new affordable housing development in Englewood that will serve former U.S. service personnel and their families. **Hope Manor II**, located on a 2.3-acre site at 60th and Halsted Streets, will contain a mix of 73 apartments ranging from studios up to 4-bedroom units. All units in the campus-style complex will be affordable to households at up to 60 percent of area median income.

City support for the \$23 million development, which was approved by the City Council in February, includes a \$1.9 million loan and \$16.7 million in tax credits. The new project is a follow-up to Hope Manor I, which since 2012 has provided housing for fifty formerly homeless veterans in the Humboldt Park community.

## PROMOTION AND SUPPORT OF HOME OWNERSHIP

In 2013 the Department expects to commit over \$33 million to help nearly 900 households achieve or sustain homeownership. HED initiatives support the construction of new homes, the acquisition and rehab of deteriorated and abandoned properties, and financing programs for home purchase and rehabilitation.

Through the second quarter, the Department committed over \$15 million to support 400 units, achieving 45% of the annual homeownership resource allocation goal and 46% of the annual homeownership unit goal.

### **TaxSmart Program Approved for New Round of Funding**

First-time homebuyers will be eligible for a new round of mortgage-based tax breaks under legislation approved by the City Council on June 5, 2013. The measure authorizes \$80 million in bond funding for the TaxSmart Mortgage Certificate Program, which provides qualifying first-time buyers with federal income tax credits applicable over the term of their mortgages. The new round of funding will assist approximately 600 homebuyers over the next three years.

Under TaxSmart, 20 percent of a homebuyer's mortgage interest is applied to a dollar-for-dollar reduction in federal income tax liability. Applicants must meet income eligibility guidelines and purchase a new or existing 1- to 4-unit property as their primary residence. Buyers making down payments of less than 5 percent of purchase price are required to receive pre-purchase counseling.

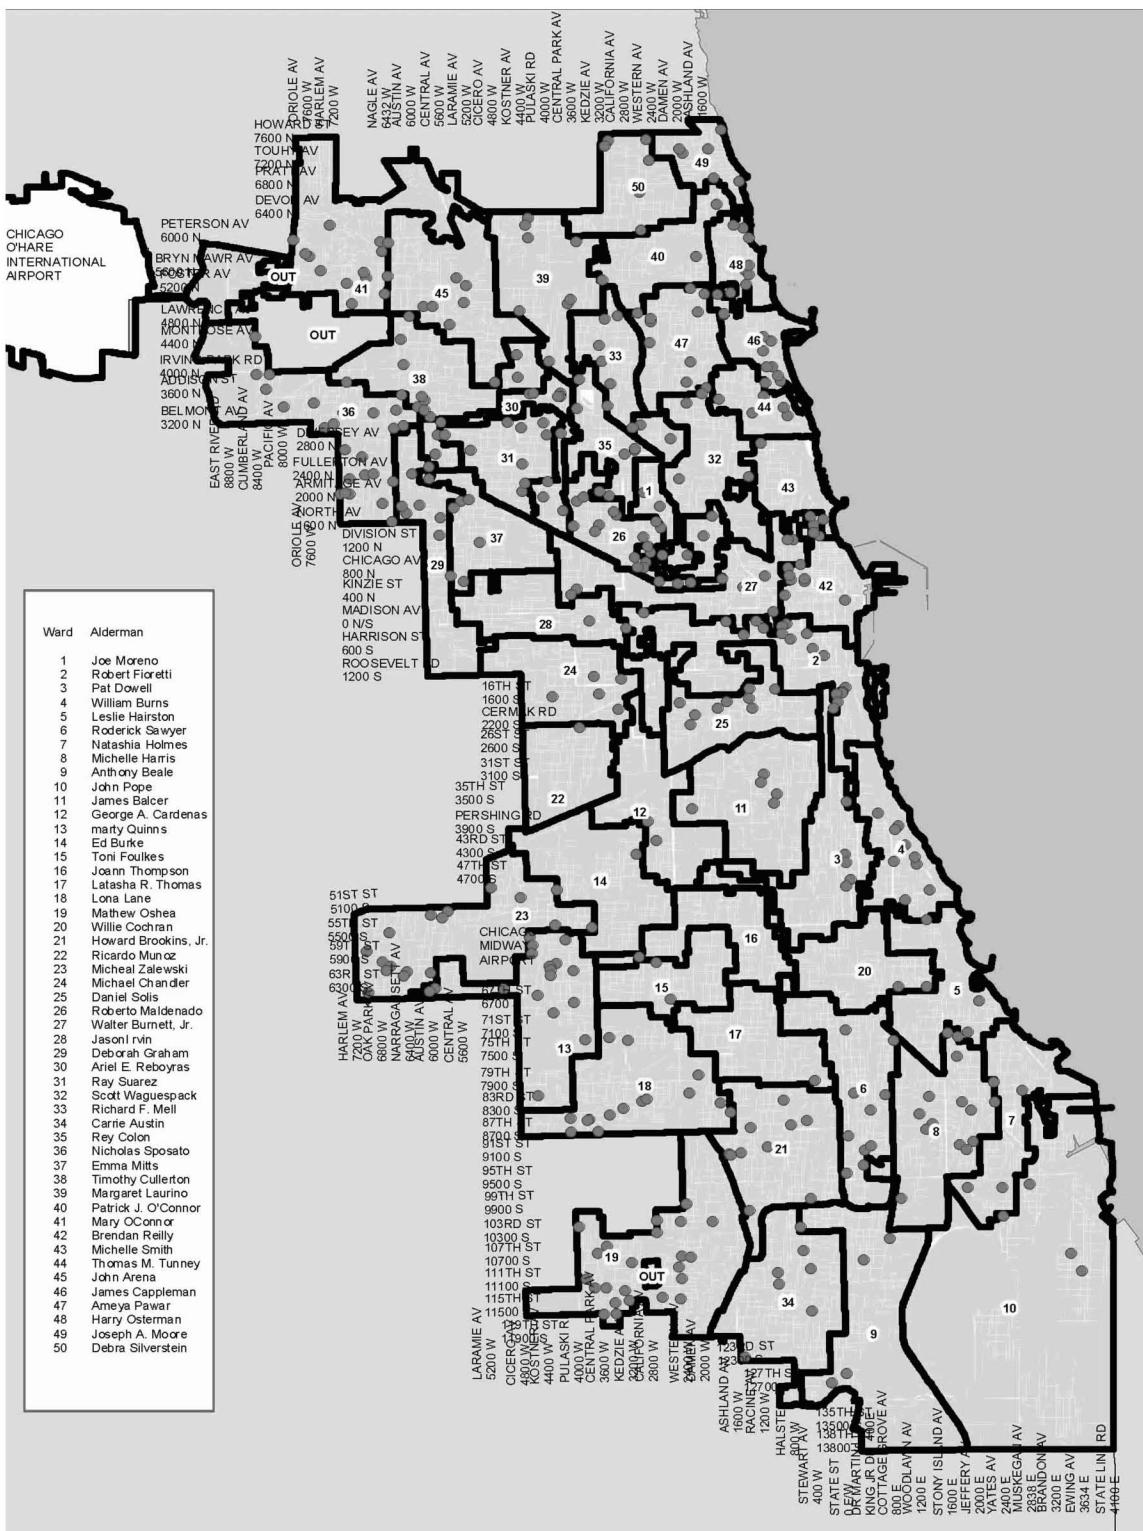

"As Chicago's housing market continues to build momentum, this measure will help to ensure that income-qualified households throughout the city will participate in its recovery," Mayor Emanuel said.

The previous round of funding, authorized in 2010, supported \$81.9 million in home purchase loans to almost 500 homebuyers across the city. Since 2005 TaxSmart, which is administered through a network of local lenders, has helped nearly 1,700 households purchase homes with an aggregate mortgage value of \$283 million.

## TaxSmart Program Homes Assisted 2010-13

## IMPROVEMENT AND PRESERVATION OF HOMES

In 2013 the Department expects to commit more than \$12 million to assist over 2,000 households in repairing, modifying or improving their homes.

Through the second quarter, HED committed nearly \$5.2 million in resources to support over 700 units, achieving 43% of the annual improvement and preservation resource allocation goal and 36% of the annual improvement and preservation unit goal.

### Ald. Suarez and HED Co-host Housing Resource Fair

Workshops and affordable housing resources for property owners, renters and homebuyers were provided at a free, information-packed Housing Resource Fair on Saturday, June 8. The event was held at the Falconer School, located at 3020 N. Lamon Avenue in the 31st Ward.

Co-sponsored by Ald. Ray Suarez, HED and the Historic Chicago Bungalow Association, the one-day event featured more than forty exhibitors, including lenders, developers, housing counselors, government agencies and other professionals showcasing the tools and resources that are available to help sustain homeownership. Participants received step-by-step instruction on homeownership opportunities and foreclosure prevention, and workshops were provided on property tax appeals and sustainable backyards. Attendees also could enter a free raffle to win a \$700 room makeover, an Energy Star-rated refrigerator or \$300 in new landscaping.

## POLICY, LEGISLATIVE AFFAIRS AND OTHER ISSUES

### Neighborhood Stabilization Program Update

During the second quarter of 2013, the City of Chicago continued on track to meet HUD's March 2014 deadline for full utilization of NSP3 dollars. HED staff is working closely with Mercy Portfolio Services and the Department of Buildings to ensure timely fulfillment of all HUD requirements.

Through the end of the second quarter, 841 units in 181 properties have been acquired using funds from Chicago's three NSP grants. A total of 746 units in 148 properties have entered the rehab process; 538 units (115 properties) have been finished or are nearing completion. Ninety-six units (66 properties) have been sold to qualified homebuyers, and 109 rental units (8 properties) have been leased. A list of all properties that have been assisted through NSP can be found in the Appendix. An updated version of this list is available at <http://www.chicagonsp.org/index.html>.

*On June 19 HED hosted a tour of NSP properties for HUD staff and consultants. The tour featured five development projects—some already completed, others under construction—in Woodlawn, Bronzeville and historic Pullman.*

NOTE:

This report is cumulative, showing all projects approved by City Council since the 2007 update to the ARO. We report on ARO projects when they have paid their fee-in-lieu or have filed the affordable housing covenant securing construction of the required affordable units. This does not necessarily mean that these units have begun construction, but does imply that they were ready to begin construction, as the building permit may not be released until the covenant has been recorded.

\* A settlement agreement enabling the developer to pay an in-lieu payment of \$48,283.40 per affordable unit sold at market was approved on this date. As of June 30, 2013, 24 of the 44 units have been sold to affordable buyers, with 1 unit under contract to an affordable buyer, for a total of 25 affordable units. 17 of the units have been sold to market buyers (the in-lieu fee for the final 3 is being processed by the developer but has not been received by the City so is not reflected here), with an additional 1 unit under contract to a market buyer, for a total of 18 market units. 1 unit remains for sale to either affordable or market buyers.

NOTE: Gross rent limits for 50% and 65% AMI, the High HOME Rent, and the Fair Market Rent are published by HUD. All other rent limits are calculated assuming 1.5 occupants per bedroom and 1 occupant for an apartment with no bedrooms.

\* For HOME-funded developments, rents are the "lesser of" the Fair Market Rent for the unit size or the High HOME Rent for the unit size. In HOME-funded developments with 5 or more units, 20% of the HOME-assisted units must be occupied by very-low income families whose rents do not exceed 30% of the annual income of a family whose income equals 50% of the area median. This is known as the "Low HOME Rent."

\*\* Semi-detached, row house, duplex, townhouse, elevator/high-rise apartments, garden/walk-up apartments
