Independent Auditor's Report

To the Commissioners of
Special Service Area 60
Managed by North River Commission

We have audited the accompanying financial statements of Special Service Area 60, which comprise the statements of net position and governmental fund balance sheets as of December 31, 2017 and 2016, and the related statements of activities and governmental fund / revenues, expenditures and changes in fund balances for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the net position of Special Service Area 60 as of December 31, 2017 and 2016, and its statements of activities and governmental fund / revenues, expenditures and changes in fund balances for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of revenues and expenditures - budget and actual on page 11 and 12, are presented for comparison and analysis purposes only. The supplementary information is not a required part of the basic financial statements. We have not performed any auditing procedures on the budget amounts and therefore, express no opinion on them.

Special Service Area 60
Managed by North River Commission
Notes to Financial Statements
For the Years Ended December 31, 2017 and 2016

NOTE 1 – Nature of Activities and Reporting Entity

Special Service Area (SSA) 60 is a taxing district authorized by City of Chicago located in Chicago, Illinois. Its scope of services is to fund various activities to improve and enhance the North River, Albany Park and Irving Park commercial district. The SSA is funded by property tax levied on properties within the SSA boundaries, which are collected by the Cook County Treasurer, and then distributed by the City of Chicago to the SSA.

Special Service Area 60 is governed by a Commission whose members are appointed by the Mayor of Chicago. The City of Chicago contracted with the North River Commission to perform administrative duties as the service provider for this SSA during the reporting period. North River Commission is an Illinois not-for-profit corporation, exempt from federal taxes under Section 501c(3) of the Internal Revenue Code.

The primary source of funds for the SSA 60 is from real estate taxes on properties within the SSA district. SSA 60 is located in the most diverse neighborhood in Chicago, and supports a vibrant, safe, clean, beautiful, and welcoming commercial district filled with restaurants, attractive retail and service, as well as cultural and entertainment options, that meet the needs of local residents and attract visitors. The boundaries of SSA 60 are the following: Central Park Ave to 2650 W Montrose Ave along Montrose Ave; Kimball Ave to 2901 W Lawrence Ave along Lawrence Ave; 4907 N Kedzie Ave to Irving Park Rd along Kedzie Ave; Lawrence Ave to Leland Ave along Kimball Ave; and Spaulding Ave to Sacramento Ave along Irving Park Rd.

Services provided by the SSA include cleaning and beautification activities, façade rebates, snow removal services, coordination of advertising and promotional events, and attraction and recruitment of new quality businesses to the area.

Special Service Area 60
Managed by North River Commission
Notes to Financial Statements
For the Years Ended December 31, 2017 and 2016

NOTE 2 – Summary of Significant Accounting Policies

a. Governmental-Wide and Fund Financial Statements

The financial statements of the SSA have been prepared in conformity with accounting principles generally accepted in United States of America as applied to governmental units, hereinafter referred to as GAAP (generally accepted accounting principles). The accepted standard-setting body for establishing governmental accounting and financial reporting principles is GASB (the Governmental Accounting Standards Board).

Governmental-Wide Financial Statements (statement of net position and statement of activities) are prepared using the economic resources measurement focus and the accrual basis of accounting for all of the SSA's activities. The Fund Financial Statements, which focus on the SSA's governmental funds current financial resources measurement focus, are prepared on the modified accrual basis.

The SSA accounts for its activities in one fund, its general fund.

b. Measurement Focus, Basis of Accounting and Financial Statement Presentation

The Government-Wide Financial Statements are reported using the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year in which they are levied.

The Governmental Fund Financial Statements are prepared on the modified accrual basis of accounting with only current assets and liabilities included on the balance sheet. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual, both measurable and available to finance expenditures of the current period. Available means collected within the current period or soon enough thereafter to be used to pay liabilities of the current period. Property taxes as susceptible to accrual and recognized as a receivable in the year levied.

Special Service Area 60
Managed by North River Commission
Notes to Financial Statements
For the Years Ended December 31, 2017 and 2016

NOTE 2 – Summary of Significant Accounting Policies – (continued)

Revenue recognition is deferred unless the taxes are received within 60 days subsequent to year-end. Expenditures are recorded when the liability is incurred.

The preparation of financial statements in conformity with generally accepted accounting principles accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures/expenses during the reported period. Actual results could differ from those estimates.

c. Assets, Liabilities, and Net Position

Cash and Cash Equivalents

The SSA's cash and cash equivalents are considered to be short term liquid investments such as cash in banks, money markets, and other financial instruments that can be reduced to cash in thirty days or less.

Receivables

All property tax receivables are shown net of allowances. As of December 31, 2017 and 2016, the allowance is estimated to be 1-3% of the outstanding property taxes.

Fund Equity / Net Position

Governmental fund equity is classified as fund balance. Fund balance is further classified as nonspendable, restricted, committed, assigned, or unassigned. Nonspendable fund balance cannot be spent because of its form. Restricted fund balance has limitations imposed by the SSA board through approval of resolutions. Assigned fund balance is a limitation imposed by a designee of the SSA board. Unassigned fund balance is the

Special Service Area 60
Managed by North River Commission
Notes to Financial Statements
For the Years Ended December 31, 2017 and 2016

NOTE 2 – Summary of Significant Accounting Policies – (continued)

net resources in excess of what can be properly classified in one of the above four categories. When both restricted and unrestricted fund balances are available for use, it is the SSA's policy to use restricted fund balance first, then unrestricted fund balance. Furthermore, committed fund balance is reduced first, followed by assigned amounts, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of those unrestricted fund balance classifications can be used.

For the government-wide financial statements, net position is reported as invested in capital assets net of related debt, restricted or unrestricted. Invested in capital assets, net of related debt, if applicable, is comprised of the net capital asset balance less any related debt. Restricted net position is when restrictions are placed on net assets from 1) externally imposed by creditors, grantors, contributors, or laws, or regulations of other governments or 2) imposed by law through constitutional provisions or enabling legislation. The remaining net position is classified as unrestricted.

d. Subsequent Events

Subsequent events have been evaluated through March 15, 2018, which is the date the financial statements were available to be issued.

NOTE 3 – Cash and Cash Equivalents

The SSA defines cash and cash equivalents as short term liquid investments such as cash in banks, money markets, and other financial instruments that can be reduced to cash in thirty days or less. The SSA maintains its cash balance in a financial institution located in Chicago, IL. The balance is insured by the Federal Deposit Insurance Corporation up to \$250,000. The SSA's cash balance did not exceed the insurance level as of December 31, 2017 and 2016.

Special Service Area 60
Managed by North River Commission
Notes to Financial Statements
For the Years Ended December 31, 2017 and 2016

NOTE 4 – Property Taxes

The SSA's principal source of revenue is from real estate taxes levied on certain property located in its boundaries. Property taxes become an enforceable lien on real property on January 1 of the year it is levied. Taxes are payable in two installments in the subsequent year. The first installment is an estimate based on the prior year billed levy (55%) and is due March. The second installment is due in August or 30 days from the mailing of the tax bills, if issued later than July 1. The second installment is based on the remaining amount of the levy on file with the County. Bills are issued and collected by Cook County who remits the SSA's share to the City who then remits the monies to the SSA.

At December 31, 2016, Due from City of Chicago was \$4,371, which consisted of property taxes received in 2017 for 2015 and prior years. At December 31, 2017, Due to City of Chicago was \$748, which consisted of property taxes refunds determined in 2018 for 2016 and prior years.

NOTE 5 – Deferred Inflows of Revenue

A deferred inflow of resources / property tax revenue represents an acquisition of fund balance that applies to a future period and therefore will not be recognized as an inflow of resources (revenue) until that future time.

NOTE 6 – Fund Equity / Net Position

The SSA is required to present information regarding its financial position and activities according to the Agreement for Special Service Area 60 between the City of Chicago and North River Commission. As of December 31, 2017 and 2016, the SSA had total fund balances of \$86,688 and \$110,263, respectively. These funds will be utilized in this special service area during future years.

Special Service Area 60
Managed by North River Commission
Notes to Financial Statements
For the Years Ended December 31, 2017 and 2016

NOTE 7 – Related Party Transactions

The SSA is affiliated with North River Commission as its sole service provider. Special service area 60 shares office space, equipment, and employees through this affiliation. Special Service Area 60 has no employees of their own, but reimburses North River Commission for payroll and related costs of the individuals working on the programs. It also reimburses North River Commission for a portion of its operating expenses, and allocation of rent and utilities.
