Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are incorporated herein and made a part hereof.

SECTION 2. The Developer is hereby designated as the developer for the Project pursuant to Section 5/11-74.4-4 of the Act.

SECTION 3. The Commissioner of D.P.D. (the "Commissioner") or a designee of the Commissioner is each hereby authorized, with the approval of the City's Corporation Counsel as to form and legality, to negotiate, execute and deliver a redevelopment agreement among the Developer, certain land trusts created by the Developer for the benefit of Developer, and the City, substantially in the form attached hereto as Exhibit A and made a part hereof (the "Redevelopment Agreement"), and such other supporting documents as may be necessary to carry out and comply with the provisions of the Redevelopment Agreement, with such changes, deletions and insertions as shall be approved by the persons executing the Redevelopment Agreement.

SECTION 4. Subject to acquiring the TRP Parcels, the City hereby approves the conveyance of the TRP Parcels for no consideration to the Developer or a land trust of which the Developer is sole beneficiary. The Mayor or his proxy is authorized to execute, and the City Clerk is authorized to attest, a quitclaim deed conveying the TRP Parcels to the Developer.

SECTION 5. The City Council hereby finds that the City is authorized to issue its tax increment allocation revenue obligations in an aggregate maximum principal amount not to exceed Three Million Six Hundred Thousand Dollars (\$3,600,000) for the purpose of paying a portion of the eligible redevelopment project costs included within the Project.

SECTION 6. There shall be borrowed for and on behalf of the City an amount not to exceed Three Million Five Hundred Fifty-five Thousand Dollars (\$3,555,000) for the payment of a portion of the eligible redevelopment project costs included within the Project. The borrowing shall be evidenced by notes of the City as follows: (i) a note of the City in an amount not to exceed One Million Dollars (\$1,000,000) (the "City Number 1 Note"); (ii) a note of the City in an amount not to exceed Two Million Five Hundred Fifty-five Thousand Dollars (\$2,555,000) (the "City Number 2 Note"); and (iii) a requisition form to the City from the Developer in an amount to Forty-five Thousand Dollars (\$45,000) for reimbursement of other eligible costs. The notes shall be issued and each shall be designated "Tax Increment Allocation Revenue Note 119th Street/I-57 Tax Increment Financing Redevelopment Project Area (JTA Development, Inc. (Renaissance Estates) Project" (each, a "Note", and collectively, the "Notes"). The Notes shall be dated as of the date of delivery thereof, shall bear the date of authentication, shall be in fully registered form, shall be in the denomination of the maximum outstanding principal amount thereof and shall become due and payable as provided therein.

The Notes shall bear interest at fixed interest rates per annum equal to the interest rates set forth in the Redevelopment Agreement. Interest on the Notes shall be subject to federal income taxes and shall be computed on the basis of a three hundred sixty (360) day year of twelve (12) thirty (30) day months. Accrued and unpaid interest on each Note shall compound on January 1st of each year and thereafter bear interest at the same fixed interest rate that applies to the principal of the Notes.

The principal of and interest on each Note shall be paid by check or draft of the Comptroller of the City, as registrar and paying agent (the "Registrar") (or, at the City's sole election, by wire transfer of funds), payable in lawful money of the United States of America to the persons in whose name such Note is registered at the close of business on the fifteenth (15th) day of the month immediately prior to the applicable payment date; provided, that the final installment of the principal and accrued but unpaid interest of such Note shall be payable in lawful money of the United States of America at the principal office of the Registrar or as otherwise directed by the City.

The seal of the City shall be affixed to or a facsimile thereof printed on each Note, and each Note shall be signed by the manual or facsimile signature of the Mayor of the City and attested by the manual or facsimile signature of the City Clerk of the City, and in case any officer whose signature shall appear on any such Note shall cease to be such officer before the delivery of the Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

Each Note shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Registrar, as authenticating agent of the City for such Note, and showing the date of authentication. No Note shall be valid or obligatory for any purpose or be entitled to any security or benefit under this ordinance unless and until such certificate of authentication shall have been duly executed by the Registrar by manual signature, and such certificate of authentication upon the Note shall be conclusive evidence that the Note has been authenticated and delivered under this ordinance.

SECTION 7. The City shall cause books (the "Register") for the registration and for the transfer of the Notes (to the extent such transfer is permitted under the Redevelopment Agreement) as provided in this ordinance to be kept at the principal office of the Registrar, which is hereby constituted and appointed the Registrar of the City for the Notes. The City is authorized to prepare, and the Registrar shall keep custody of, multiple Note blanks executed by the City for use in the transfer of the Notes.

Upon surrender for a transfer of any Note authorized under the Redevelopment Agreement at the principal office of the Registrar, duly endorsed by, or accompanied by (i) a written instrument or instruments of transfer in form satisfactory to the Registrar, (ii) an investment representation in form satisfactory to the City and duly executed by the registered owner or his attorney duly authorized in writing, (iii) the written consent of the City evidenced by the signature of the Commissioner (or his or her designee) on the instrument of transfer, and (iv) any deliveries required under the Redevelopment Agreement, the City shall execute and the Registrar shall authenticate, date and deliver in the name of any such authorized transferee or transferees a new, fully registered Note of the same maturity, of authorized denomination, and for a like aggregate principal amount. The execution by the City of a fully registered Note shall constitute full and due authorization of such Note and the Registrar shall thereby be authorized to authenticate, date and deliver the Note, provided, however, that the principal amount of the Note authenticated by the Registrar shall not exceed the authorized principal amount of the Note less previous retirements. The Registrar shall not be required to transfer or exchange any Note during the period beginning at the close of business on the fifteenth day (15th) of the month immediately prior to the maturity date of the Note nor to transfer or exchange the Note after notice calling the Note for redemption has been made, nor during a period of five (5) days next preceding mailing of a notice of redemption of principal of the Note. No beneficial interests in the Note shall be assigned, except in accordance with the procedures for transferring the Note described above.

The person in whose name a Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of the Note shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid.

No service charge shall be made for any transfer of a Note, but the City or the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer of the Note.

SECTION 8. The principal of the Notes shall be subject to determination, reduction and prepayment as provided in the form of the Notes attached to the Redevelopment Agreement as Exhibits L-1 and L-2 and as provided in the Redevelopment Agreement, including, without limitation, Sections 4.03, 8.05 and 15.02 thereof. As directed by the Commissioner, the Registrar shall proceed with redemptions without further notice or direction from the City.

SECTION 9. The Registrar shall note on the Payment Schedule attached to each Note the amount of any payment of principal or interest on such Notes, including the amount of any redemption or prepayment, and the amount of any reduction in principal pursuant to the Redevelopment Agreement.

SECTION 10. The Notes shall be prepared in substantially the form attached hereto as Exhibits L-1 and L-2 to the Redevelopment Agreement.

SECTION 11. The Notes hereby authorized shall be executed as provided in this Ordinance and the Redevelopment Agreement and thereupon be deposited with the Commissioner, and be by said Commissioner delivered to the Developer.

SECTION 12. (a) **Special Tax Allocation Fund.** Pursuant to the T.I.F. Ordinance, the City has created a special fund, designated as the 119th Street/I-57 Tax Increment Financing Redevelopment Project Area Special Tax Allocation Fund (the "Tax Allocation Fund").

The Comptroller of the City is hereby directed to maintain the Tax Allocation Fund as a segregated interest-bearing account, separate and apart from the General Fund or any other fund of the City, with a bank which is insured by the Federal Deposit Insurance Corporation or its successor. Pursuant to the T.I.F. Ordinance, all incremental ad valorem taxes received by the City for the Area are to be deposited into the Tax Allocation Fund.

(b) **Tax Allocation Fund Subaccounts.** There is hereby created within the Tax Allocation Fund two (2) special subaccounts to be known as (i) the "Renaissance Estates Phase I Project Account" (the "Phase I Account") and (ii) the "Renaissance Estates Phase II Project Account" (the "Phase II Account"). The City shall designate and deposit into the Phase I Account an amount equal to (A) until the date that the City Note Number 1 is paid in full, the incremental ad valorem taxes deposited into the Tax Allocation Fund attributable to increases in the equalized assessed value of the tax parcels comprising Phase I (as defined in the Redevelopment Agreement) of the Project, plus (B) until the date the City issues a Phase I Certificate (as defined in the Redevelopment Agreement), the incremental ad valorem taxes deposited into the Tax Allocation Fund attributable to increases in the equalized assessed value of the tax parcels comprising Phase II (as defined in the Redevelopment Agreement) of the Project (such amounts, the "Phase I Available Incremental Taxes"). The City shall designate and deposit into the Phase II Account an amount equal to (C) commencing on the date of issuance of the Phase I Certificate, the incremental ad valorem taxes deposited into the Tax Allocation Fund attributable to increases in the equalized assessed value of the tax parcels comprising Phase II of the Project, plus (D) after the date that the City Note Number 1 is paid in full, the incremental ad valorem taxes deposited into the Tax Allocation Fund attributable to increases in the equalized assessed value of the tax parcels comprising Phase I of the Project (such amount, the "Phase II Available Incremental Taxes"). Subject to the terms and conditions of the Redevelopment Agreement, the City shall use the Phase I Available

Incremental Taxes and the Phase II Available Incremental Taxes to make the Initial T.I.F. Payment (as defined in the Redevelopment Agreement) and payments with respect to the applicable Notes until the Notes have been fully repaid. In the event that an event of default under the Redevelopment Agreement entitles the City to permanently terminate further payments of City Funds (as defined in the Redevelopment Agreement) with respect to any Note, the City may in its discretion, return the amounts in the applicable subaccount established above that would otherwise be allocated to the payment of the applicable Note to the Tax Allocation Fund of the City and such subaccount shall be closed.

(c) Pledge Of Developer Subaccounts. The City hereby assigns, pledges and dedicates the Phase I Account and the Phase II Account, together with all amounts on deposit in such subaccounts, to the payment of the Initial T.I.F. Payment (as defined in the Redevelopment Agreement) and of the principal of and interest, if any, on the Phase I Note and the Phase II Note, respectively, when due under the terms of the Redevelopment Agreement, including specifically, but without limitation, Section 4.03 thereof. Upon deposit, the monies on deposit in the Phase I Account and the Phase II Account may be invested as hereinafter provided. Interest and income on any such investment shall be deposited in the applicable subaccount. All monies on deposit in the (i) Phase I Account shall be used to pay the Initial T.I.F. Payment (as defined in the Redevelopment Agreement) and the principal of and interest on the Phase I Note, (ii) Phase II Account shall be used to pay the principal of and interest on the Phase II Note, in each case at maturity or upon payment or redemption prior to maturity, in accordance with their terms, which payments from the Phase I Account and the Phase II Account are hereby authorized and appropriated by the City. Upon payment of all amounts due under the Notes and the Redevelopment Agreement in accordance with their terms (or the termination of the City's obligation to make such payments), the amounts on deposit in the Phase I Account and the Phase II Account, as applicable, shall be deposited in the Tax Allocation Fund of the City and the applicable subaccount shall be closed.

SECTION 13. The Notes are special limited obligations of the City, and are payable solely from amounts on deposit in the Phase I Account and the Phase II Account, as applicable, and shall be a valid claim of the registered owner thereof only against said sources. The Notes shall not be deemed to constitute an indebtedness or a loan against the general taxing powers or credit of the City, within the meaning of any constitutional or statutory provision. The registered owner(s) of the Notes shall not have the right to compel any exercise of the taxing power of the City, the State of Illinois or any political subdivision thereof to pay the principal of or interest on the Notes.

SECTION 14. Monies on deposit in the Phase I Account and the Phase II Account may be invested as allowed under Section 2-32-520 of the Municipal Code of the City of Chicago (the "Municipal Code"). Each such investment shall mature on a date prior to the date on which said amounts are needed to pay the principal of or interest on the Note.

SECTION 15. Upon issuance, each Note shall have an initial principal balance equal to the Developer's prior expenditures for T.I.F.-Funded Improvements (excluding the Initial T.I.F. Payment) (as such terms are defined in the Redevelopment Agreement), taking into account any prior consideration for such T.I.F.-Funded Improvements in determining the balance of any previously issued Note(s), up to their respective maximum principal amounts. After issuance, the principal amount outstanding under any Note shall be its initial principal balance of such Note, as the same may be increased from time to time in accordance with the terms of the Redevelopment Agreement, plus interest thereon, minus any principal amount and interest paid on the Note and other reductions or adjustments in principal as are provided for in the Redevelopment Agreement.

SECTION 16. The Registrar shall maintain a list of the names and addresses of the registered owners from time to time of the Notes and upon any transfer shall add the name and address of the new registered owner and eliminate the name and address of the transferor.

SECTION 17. The provisions of this ordinance shall constitute a contract between the City and the registered owners of the Notes. All covenants relating to the Notes are enforceable by the registered owners of the Notes.

SECTION 18. The Mayor, the Comptroller, the City Clerk, the Commissioner (or his or her designee) and the other officers of the City are authorized to execute and deliver on behalf of the City such other documents, agreements and certificates and to do such other things consistent with the terms of this ordinance as such officers and employees shall deem necessary or appropriate in order to effectuate the intent and purposes of this ordinance.

SECTION 19. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 20. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict. No provision of the Municipal Code or violation of any provision of the Municipal Code shall be deemed to impair the validity of this ordinance or the instruments authorized by this ordinance or to impair the security for or payment of the instruments authorized by this ordinance; provided further, however, that the foregoing shall not be deemed to affect the availability of any other remedy or penalty for violation of any provision of the Municipal Code.

SECTION 21. This ordinance shall be in full force and effect immediately upon its passage.

RECITALS

A. **Constitutional Authority:** As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois (the "State"), the City has the power to regulate for the protection of the public health, safety, morals and welfare of its inhabitants, and pursuant thereto, has the power to encourage private development in order to enhance the local tax base, create employment opportunities and to enter into contractual agreements with private parties in order to achieve these goals.

B. Statutory Authority: The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "Act"), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects.

C. City Council Authority: To induce redevelopment pursuant to the Act, the City Council of the City (the "the City Council") adopted the following ordinances on November 6, 2002: (1) "An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the 119th Street/I-57 Redevelopment Project Area"; (2) "An Ordinance of the City of Chicago, Illinois Designating the 119th Street/I-57 Redevelopment Project Area as a Redevelopment Project Area Pursuant to the Tax Increment Allocation Redevelopment Act"; and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the 119th Street/I-57 Redevelopment Project Area" (the "TIF Adoption Ordinance") (items(1)-(3) collectively referred to herein as the "TIF Ordinances"). The redevelopment project area referred to above shall be called the "Redevelopment Area."

D. The Project: Certain of the Developer Parties have previously acquired or have contracted to purchase all of the parcels of real property described on Exhibit A hereto under the heading "Developer Parcels," all of which are located within the Redevelopment Area (such parcels, the "Developer Parcels"). On or after the Closing Date, the Developer will purchase (the "Acquisition") from the City through a negotiated sale the eight parcels of real property described on Exhibit A hereto under the heading "City Parcels," all of which are located within the Redevelopment Area (such eight parcels, the "City Parcels," and together with the Developer Parcels, the "Property"). The Property is bounded on the north by 122nd Street, on the west by Ashland Avenue, on the south by 123rd Street, and on the east by the Illinois Central railway, in Chicago, Illinois 60643. The City will convey the City Parcels to the Developer for the price of \$1.00 per parcel. Within the time frames set forth in Section 3.01 hereof, the Developer shall commence and complete construction of an approximately 86-unit residential development (the "Facility") on the Property to be known as "Renaissance Estates" that will consist of up to eighty (80) condominiums and up to six (6) single family homes or condominiums, and related improvements (including but not limited to those TIF-Funded Improvements as defined below and set forth on Exhibit C), which are collectively referred to herein as the "Project." At least twenty percent (20%) of the residential units will be affordable to households earning 100% or less of the median income for the City of Chicago, and such condominiums shall be subject to a City Recapture Mortgage. The buildings in the Project will be frame construction with brick facades on the first floor and siding used above. Each residential unit will include an attached two-car garage, and there is additional parking (on-street and lot) included in the Project. The completion of the Project would not reasonably be anticipated without the financing contemplated in this Agreement. But for the Developer Parties' execution of this Agreement, the City would be unwilling to convey the City Parcels or provide any City Funds or other City financing for the Project.

E. Redevelopment Plan: The Project will be carried out in accordance with this Agreement and the City of Chicago 119th Street/I-57 Redevelopment Project Area Tax Increment Financing Redevelopment Plan and Project (the "Redevelopment Plan").

F. City Financing: The City agrees to use, in the amounts set forth in Section 4.03 hereof, (i) the proceeds of City Note #1 (defined below), the proceeds of City Note #2 (defined below), and/or (ii) Incremental Taxes (as defined below), to pay for or reimburse the Developer Parties for the Initial TIF Payment and the costs of TIF-Funded Improvements pursuant to the terms and conditions of this Agreement and the City Notes.

In addition, the City may, in its discretion, issue tax increment allocation bonds ("TIF Bonds") secured by Incremental Taxes pursuant to a TIF bond ordinance (the "TIF Bond Ordinance") at a later date as described in Section 4.03(c) hereof, the proceeds of which (the "TIF Bond Proceeds") may be used to pay for the costs of the TIF-Funded Improvements not previously paid for from Incremental Taxes (including any such payment made pursuant to either of the City Notes provided to the Developer Parties pursuant to this Agreement), to make payments of principal and interest on the City Notes, or in order to reimburse the City for the costs of TIF-Funded Improvements.

Now, therefore, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

The Developer must obtain the City's written approval prior to the issuance of the Phase I Certificate to change the Phase II amenities.

3.05 DPD Approval. Any approval granted by DPD of the Scope Drawings, Plans and Specifications and the Change Orders is for the purposes of this Agreement only and does not affect or constitute any approval required by any other City department or pursuant to any City ordinance, code, regulation or any other governmental approval, nor does any approval by DPD

pursuant to this Agreement constitute approval of the quality, structural soundness or safety of the Property or the Project.

3.06 Other Approvals. Any DPD approval under this Agreement shall have no effect upon, nor shall it operate as a waiver of, the Developer's obligations to comply with the provisions of Section 5.03 (Other Governmental Approvals) hereof. 3.11 Utility Connections. The Developer may connect all on-site water, sanitary, storm and sewer lines constructed on the Property to City utility lines existing on or near the perimeter of the Property, provided the Developer first complies with all City requirements governing such connections, including the payment of customary fees and costs related thereto.

3.12 Permit Fees. In connection with the Project, the Developer shall be obligated to pay only those building, permit, engineering, tap on and inspection fees that are assessed on a uniform basis throughout the City of Chicago and are of general applicability to other property within the City of Chicago.

 ESTIMATED TOTAL	 \$20,067,313

4.02 Developer Funds. Equity and/or Lender Financing may be used to pay any Project cost, including but not limited to Redevelopment Project Costs.

4.03 City Funds.

(a) Uses of City Funds. City Funds may only be used to pay directly or reimburse the Developer for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. Exhibit C sets forth, by line item, the TIF-Funded Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to Sections 4.03(b) and 4.05(d)), contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such cost and its eligibility as a Redevelopment Project Cost. Notwithstanding anything herein to the contrary, in the event Developer does not incur a total of the lesser of (i) Three Million Six Hundred Thousand and No/100 Dollars (\$3,600,000) and (ii) nineteen and 1/2 percent (19.5%) of the actual total Project Costs attributable to the Facility), in costs for TIF-Funded Improvements and the Acquisition, then City Funds may also be used to pay for interest costs as allowed in Section 5/11-74.4-3(q)(11) of the Act.

(b) Sources of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to provide City funds from the sources and in the amounts described directly below (the "City Funds") to pay for or reimburse the Developer for the costs of the TIF-Funded Improvements:

<u>Source of City Funds</u>	<u>Maximum Amount</u>
Initial TIF Payment	\$ 45,000
City Note #1	\$1,000,000
City Note #2 (subject to reduction see below)	\$2,555,000

provided, however, that the total amount of City Funds expended for TIF-Funded Improvements shall be an amount not to exceed the lesser of three million six hundred thousand dollars (\$3,600,000) or nineteen and five tenths percent (19.5%) of the actual total Project costs; and provided further, that the \$3,600,000 to be paid through the Initial TIF Payment and the City Notes is to be derived from Available Incremental Taxes and/or TIF Bond proceeds, if any, shall be available to pay costs related to TIF-Funded Improvements and allocated by the City for that purpose only so long as:

(i) The amount of the Available Incremental Taxes deposited into the 119th Street/I-57 TIF Fund shall be sufficient to pay for such costs; and

(ii) The City has been reimbursed from Available Incremental Taxes for the amount previously disbursed by the City for TIF-Funded Improvements; and

(iii) The City agrees, if applicable, to issue TIF Bonds pursuant to, and subject to the conditions set forth in, Section 4.03(c).

The Developer acknowledges and agrees that the City's obligation to pay for TIF-Funded Improvements is contingent upon the fulfillment of the conditions set forth in parts (i), (ii) and (iii) above. In the event that such conditions are not fulfilled, the amount of Equity to be contributed by the Developer pursuant to Section 4.01 hereof shall increase proportionately.

Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to issue the City Notes to the Developer on the Closing Date. The Initial TIF Payment together with the principal amount of the City Notes shall not exceed the amount of TIF-Funded Improvements which have been incurred by the Developer and are to be reimbursed by the City through the Initial TIF Payment and payments of principal and interest on the City Notes, subject to the provisions hereof; provided, however, that the maximum principal amount of the City Funds shall be an amount not to exceed the lesser of \$3,600,000 or nineteen and five tenths percent (19.5%) of the actual total Project costs; and provided, however, that payments under the City Notes and the Initial TIF Payment are subject to the amount of Available Incremental Taxes deposited into the 119th Street/I-57 TIF Fund being sufficient for such payments.

Initial TIF Payment: At such time as there are sufficient Available Incremental Taxes produced by the Tax Parcel Index Numbers ("PINs") that make up the Project, and prior to any payment being made under City Note #1, the City shall make the Initial TIF Payment to Developer as reimbursement for certain TIF-Funded Improvements relating to the construction of streets in connection with the Project. The Initial TIF Payment shall be contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such cost and its eligibility as a Redevelopment Project Cost.

City Note #1: City Note #1 will be used to reimburse the Developer for TIF-Funded Improvements incurred in Phase I of the Project. From the date of issuance of the Phase I Certificate through but not including the date of issuance of the Project Certificate, City Note #1

will be funded solely from ninety-five percent (95%) of the Available Incremental Taxes produced by the PINs that make up the Project. From the date of issuance of the Project Certificate through and including the date that City Note #1 is paid in full, City Note #1 will be funded solely from ninety-five percent (95%) of the Available Incremental Taxes produced by the PINs that make up Phase I of the Project. City Note #1 will bear interest at a rate equal to the lesser of the Developer's Lender Financing or 8%, and will only begin to accrue interest upon the issuance of the Phase I Certificate. If, upon issuance of the Phase I Certificate, the principal amount of City Note #1 exceeds the costs of TIF-Funded Improvements incurred in Phase I, the principal amount of City Note #1, and any accrued interest, will be reduced accordingly. Payment on City Note #1 will not begin until issuance of the Phase I Certificate.

City Note #2: City Note #2 will be used to reimburse the Developer for TIF-Funded Improvements incurred in Phase II of the Project. From the date of issuance of City Note #2 through but not including the date that City Note #1 is paid in full, City Note #2 will be funded solely from ninety-five (95%) of the Available Incremental Taxes produced by the PINs that make up Phase II. From the date that City Note #1 is paid in full until City Note #2 is paid in full, City Note #2 will be funded solely from ninety-five percent (95%) of the Available Incremental Taxes produced by the PINs that make up the Project. City Note #2 will bear interest at a rate equal to the lesser of the Developer's Lender Financing or 8.5%, and will only begin to accrue interest upon the issuance of the Project Certificate. If, upon issuance of the Project Certificate, the principal amount of the City Notes together with the Initial TIF Payment collectively exceeds 19.5% of the total cost of the Project, the principal amount of City Note #2, and any accrued interest, will be reduced accordingly. If Developer fails to complete at least sixty-six (66) residential units, the principal amount of City Note #2 will be reduced by \$40,000 for each residential unit less than sixty-six (66) that is not completed. Payment on City Note #2 will not begin until issuance of the Project Certificate.

(c) TIF Bonds. The Commissioner of DPD and the Comptroller agree, upon the request of the Developer, to recommend that the City Council approve an ordinance or ordinances authorizing the issuance of TIF Bonds in an amount which, in the opinion of the Comptroller, is marketable under the then current market conditions; provided, however, that if, in the opinion of the Comptroller, there is an insufficient market for such TIF Bonds or if the issuance of such TIF Bonds would adversely affect the City's bond rating or in any other way adversely affect City finances, such officials will not be required to recommend approval of such ordinance(s). The Developer will cooperate with the City in the issuance of TIF Bonds, as provided in Section 8.05 hereof. Prior to the submission of any such ordinance for approval by the City Council, the Developer shall agree to pay the costs of issuing such TIF Bonds including but not limited to bond counsel fees, underwriters' fees and consultants' fees, and shall identify its source of funding with respect thereto.

(d) Retainage. Each disbursement of City Funds whether as Initial TIF Payment or a payment under the City Notes or a payment of Available Incremental Taxes made to pay for interest expense shall be reduced by fifteen percent (15%), without further interest to be payable on said withheld amounts, which is to be held by the City for release upon the issuance of the Phase I Certificate or the Project Certificate, as appropriate.

4.04 Construction Escrow. The City and the Developer hereby agree that the City shall enter into any Escrow Agreement required by any lender ("Lender") providing Lender Financing in order that the City shall receive copies of the Escrow Agreement and any draw or disbursement requests to enter into the Escrow Agreement. All disbursements of Project funds (except for the Prior Expenditures) shall be made through the funding of draw requests with respect thereto pursuant to the Escrow Agreement and this Agreement. In case of any conflict between the terms of this Agreement and the Escrow Agreement, the terms of this Agreement shall control. The City must receive copies of any draw requests and related documents submitted to the Title Company for disbursements under the Escrow Agreement.

4.05 Treatment of Prior Expenditures and Subsequent Disbursements.

(a) Prior Expenditures. Only those expenditures made by the Developer with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "Prior Expenditures"). DPD shall have the right, in its sole discretion, to disallow any such expenditure as a Prior Expenditure. Exhibit H hereto sets forth the prior expenditures approved by DPD as of the date hereof as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements shall not be reimbursed to the Developer, but shall reduce the amount of Equity and/or Lender Financing required to be contributed by the Developer pursuant to Section 4.01 hereof.

(b) Purchase of Property. The City intends to sell the City Parcels to the Developer for one dollar (\$1) per parcel, for a total sale price of eight dollars (\$8). The sale of the City Parcels by the City to the Developer shall be governed by a separately negotiated sale contract. The contract for the sale of the City Parcels shall include the standard right of reverter and shall be governed by all of the terms and conditions included in this Agreement. The City Parcels include the following permanent index numbers:

25-29-112-001,
25-29-112-002,
25-29-112-003,
25-29-112-004,
25-29-112-005,
25-29-112-006,
25-29-112-007, and
25-29-112-011.

(c) City Fee. INTENTIONALLY LEFT BLANK

(d) Allocation Among Line Items. Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DPD, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed \$25,000 or \$100,000 in the aggregate, may be made without the prior written consent of DPD.

(e) Allocation of Costs With Respect To Sources of Funds.

(i) Disbursement of Equity. Each amount paid pursuant to this Agreement, whether for TIF-Funded Improvements or otherwise, shall be charged first to Equity.

(ii) Disbursement of Lender Financing. After there is no Equity remaining, each amount paid pursuant to this Agreement, whether for TIF-Funded Improvements or otherwise, shall be charged to Lender Financing.

(iii) Disbursement of City Funds. After there is no Equity or Lender Financing remaining, each amount paid pursuant to this Agreement shall be charged to City Funds, to be used to directly pay for, or reimburse the Developer for its previous payment for (out of Equity or Lender Financing) TIF-Funded Improvements; provided that costs of TIF-Funded Improvements that are to be paid from City Funds derived from (1) 95% of the Available Incremental Taxes on deposit from time to time in the 119th Street/I-57 TIF Fund, and/or (2) proceeds of TIF Bonds, if any, shall be payable by the City only to the extent that such funds are available.

4.06 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to Section 4.03 hereof, or if the cost of completing the Project exceeds the Project Budget, the Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.

4.07 Preconditions of Disbursement; Execution of Certificate of Expenditure. Starting from the first day of the fourth full month after closing, and no more than once every three (3) months thereafter, upon request of the Developer and upon compliance with the requirements of this Section 4.07, the City shall execute and deliver a Certificate of Expenditure in the form attached to the City Notes. Such Certificates of Expenditure shall (i) evidence Redevelopment Project Costs, (ii) initially be issued first with respect to City Note #1 and may continue until Certificates of Expenditure equal to the maximum principal amount of City Note #1 have been issued, and (iii) thereafter be issued with respect to City Note #2 and may continue until Certificates of Expenditure equal to the maximum principal amount of City Note #2 have been issued. The most recent Certificate of Expenditure issued with respect to a City Note shall be conclusive evidence of the outstanding principal balance under such City Note, less any principal payments thereafter made with respect to such City Note. Prior to each disbursement of City Funds hereunder and execution of a Certificate of Expenditure by the City, the Developer shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Delivery by the Developer to DPD of any request for execution by the City of a Certificate of Expenditure hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that:

(a) the total amount of the request for Certificate of Expenditure represents the actual cost of the Acquisition or the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

(b) all amounts shown as previous payments on the current request for Certificate of Expenditure have been paid to the parties entitled to such payment;

(c) the Developer has approved all work and materials for the current request for Certificate of Expenditure, and such work and materials conform to the Plans and Specifications;

(d) the representations and warranties contained in this Redevelopment Agreement are true and correct and the Developer is in compliance with all covenants contained herein;

(e) the Developer has received no notice and has no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Project is In Balance. The Project shall be deemed to be in balance ("In Balance") only if the total of the available Project funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. "Available Project Funds" as used herein shall mean: (i) the undisbursed City Funds; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by the Developer pursuant to this Agreement. The Developer hereby agrees that, if the Project is not In Balance, the Developer shall, within 10 days after a written request by the City, deposit with the escrow agent or will make available (in a manner acceptable to the City), cash in an amount that will place the Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require the Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any execution of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Developer. In addition, the Developer shall have satisfied all other preconditions of execution of a Certificate of Expenditure, including but not limited to requirements set forth in the Bond Ordinance, if any, TIF Bond Ordinance, if any, the Bonds, if any, the TIF Bonds, if any, the TIF Ordinances, this Agreement and/or the Escrow Agreement, if any.

4.08 Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer Parties' compliance with the provisions of this Agreement. The City Funds are subject to being reimbursed if the Developer Parties fail to complete the Project in accordance with the terms of this Agreement.

SECTION 6. AGREEMENTS WITH CONTRACTORS

6.01 Bid Requirement for General Contractor and Subcontractors. (a) Except as set forth in Section 6.01(b) below, prior to entering into an agreement with a General Contractor or any subcontractor for construction of the Project, the Developer shall solicit, or shall cause the General Contractor to solicit, bids from qualified contractors eligible to do business with, and having an office located in, the City of Chicago, and shall submit all bids received to DPD for its inspection and written approval. For the TIF-Funded Improvements, the Developer shall select the General Contractor (or shall cause the General Contractor to select the subcontractor) submitting the lowest responsible bid who can complete the Project in a timely manner. If the Developer selects a General Contractor (or the General Contractor selects any subcontractor) submitting other than the lowest responsible bid for the TIF-Funded Improvements, the

difference between the lowest responsible bid and the bid selected may not be paid out of City Funds. Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD the later of (i) ten (10) business days after the execution thereof and (ii) ten (10) business days after the execution of this Agreement. The Developer shall ensure that the General Contractor shall not (and shall cause the General Contractor to ensure that the subcontractors shall not) begin work on the Project until the Plans and Specifications have been approved by DPD and all requisite permits have been obtained.

(b) If, prior to entering into an agreement with a General Contractor for construction of the Project, the Developer does not solicit bids pursuant to Section 6.01(a) hereof, then the fee of the General Contractor proposed to be paid out of City Funds shall not exceed 10% of the total amount of the Construction Contract. Except as explicitly stated in this paragraph, all other provisions of Section 6.01(a) shall apply, including but not limited to the requirement that the General Contractor shall solicit competitive bids from all subcontractors.

6.02 Construction Contract. Prior to the execution thereof, the Developer shall deliver to DPD a copy of the proposed Construction Contract with the General Contractor selected to handle the Project in accordance with Section 6.01 above, for DPD's prior written approval, which shall be granted or denied within ten (10) business days after delivery thereof. Within ten (10) business days after execution of such contract by the Developer, the General Contractor and any other parties thereto, the Developer shall deliver to DPD and Corporation Counsel a certified copy of such contract together with any modifications, amendments or supplements thereto.

6.03 Performance and Payment Bonds. Prior to the commencement of any portion of the Project which includes work on the public way, the Developer shall require that the General Contractor and/or the subcontractor performing the relevant work be bonded for its payment by sureties having an AA rating or better using a bond in the form attached as Exhibit P hereto. The City shall be named as obligee or co-obligee on any such bonds.

6.04 Employment Opportunity. The Developer shall contractually obligate and cause the General Contractor and each subcontractor to agree to the provisions of Section 10 hereof.

Photocopies of all contracts or subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD the later of (i) ten (10) business days after the execution thereof, and (ii) ten (10) business days after the execution of this Agreement.

SECTION 7. COMPLETION OF CONSTRUCTION OR REHABILITATION

7.01 Certificate of Completion of Construction or Rehabilitation. Upon completion of Phase I of the Project in accordance with the terms of this Agreement, and upon the Developer's written request, DPD shall issue to the Developer Parties a Phase I Certificate in recordable form certifying that the Developer Parties have fulfilled their obligation to complete Phase I of the Project in accordance with the terms of this Agreement. Upon completion of Phase II of the Project in accordance with the terms of this Agreement, and upon the Developer's written request, DPD shall issue to the Developer Parties a Project Certificate in recordable form certifying that the Developer Parties have fulfilled their obligation to complete the Project in accordance with the terms of this Agreement. DPD shall respond to the Developer's written request for a Phase I Certificate or Project Certificate within forty-five (45) days by issuing either the appropriate Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by the Developer Parties in order to obtain such Certificate. The Developer may resubmit a written request for such Certificate upon completion of such measures.

7.02 Effect of Issuance of Certificate; Continuing Obligations. The Phase I Certificate relates only to the construction of Phase I of the Project, and the Project Certificate relates only to the construction of Phase II of the Project, and upon issuance, the City will certify that the terms of the Agreement specifically related to the Developer Parties' obligation to complete such activities have been satisfied. After the issuance of a Phase I Certificate or Project Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of such Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.02, 8.19, and 8.20 as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Phase I Certificate or a Project Certificate; provided, that upon the issuance of a Project Certificate, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of a Project Certificate shall be binding only upon the Developer Parties or a permitted assignee of the Developer Parties who, pursuant to Section 18.16 of this Agreement, has contracted to take an assignment of the Developer Parties' rights under this Agreement and assume the Developer Parties' liabilities hereunder.

7.03 Failure to Complete. If the Developer Parties fail to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed pursuant hereto;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest

costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to Section 4.01, the Developer Parties shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from the Developer Parties, provided that the City is entitled to rely on an opinion of counsel that such reimbursement will not jeopardize the tax-exempt status (if applicable) of either of the City Notes.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, DPD shall provide the Developer Parties, at the Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

SECTION 8. COVENANTS/REPRESENTATIONS/WARRANTIES OF THE DEVELOPER PARTIES.

(g) unless otherwise permitted or not prohibited pursuant to or under the terms of this Agreement, the Developer Parties shall acquire and shall maintain good, indefeasible and merchantable fee simple title to the Property (and all improvements thereon) free and clear of all liens (except for the Permitted Liens, Lender Financing as disclosed in the Project Budget and non-governmental charges that the Developer Parties are contesting in good faith pursuant to Section 8.15 hereof);

Regarding the sale or disposition of any portion of the Property prohibited under clause (2) of this Section 8.01(m), written consent of DPD shall be given in its sole discretion; however, after the issuance of the Project Certificate, such consent to any such sale or transfer shall be given or withheld in DPD's reasonable discretion. In any event, DPD approval of such sales and

transfers shall only be given if the purchaser, assignee or other successor agrees to assume all surviving responsibilities and covenants applicable to the Developer Parties;

(n) none of the Developer Parties, prior to the issuance of a Project Certificate, shall, without the prior written consent of the Commissioner of DPD, allow the existence of any liens against the Property (or improvements thereon) other than the Permitted Liens; or incur any indebtedness, secured or to be secured by the Property (or improvements thereon) or any fixtures now or hereafter attached thereto, except Lender Financing disclosed in the Project Budget;

(o) none of the Developer Parties has made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with the Developer in violation of Chapter 2-156-120 of the Municipal Code of the City; and

(p) none of the Developer Parties, or any affiliate thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subsection only, "affiliate" means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

8.02 Covenant to Redevelop. Upon DPD's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in Sections 3.02 and 3.03 hereof, and the Developer's receipt of all required building permits and governmental approvals, the Developer shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinances, the Scope Drawings, Plans and Specifications, Project Budget and all amendments thereto, and all federal, state and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project, the Property and/or the Developer. 8.04 Use of City Funds. City Funds disbursed to the Developer Parties shall be used by the Developer Parties solely to pay for (or to reimburse the Developer Parties for their payment for) the TIF-Funded Improvements as provided in this Agreement.

8.05 Bonds. The Developer Parties shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements; provided, however, that any such amendments shall not have a material adverse effect on the Developer Parties or the Project. The Developer Parties shall, at the Developer Parties' expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

Such reports shall be delivered to the City when the Project is 25%, 50%, 70% and 100% completed (based on the amount of expenditures incurred in relation to the Project Budget). If any such reports indicate a shortfall in compliance, the Developer shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which the Developer shall correct any shortfall.

8.09 Prevailing Wage. The Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, the Developer shall provide the City with copies of all such contracts entered into by the Developer or the General Contractor to evidence compliance with this Section 8.09.

8.10 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of the Developer that is not a Developer Party may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. The Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by the Developer and reimbursement to the Developer

for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.11 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, each of the Developer Parties represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or the Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in the Developer's business, the Property or any other property in the Redevelopment Area.

8.12 Disclosure of Interest. The Developer Parties' counsel has no direct or indirect financial ownership interest in the Developer Parties, the Property or any other aspect of the Project.

The Developer shall obtain and provide to DPD Financial Statements for the Developer's fiscal year ended in December 31, 2003, and each fiscal year thereafter for the Term of the Agreement. In addition, the Developer shall submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

8.14 Insurance. The Developer Parties, at their own expense, shall comply with all provisions of Section 12 hereof.

8.15 Non-Governmental Charges. (a) Payment of Non-Governmental Charges. Except for the Permitted Liens, the Developer Parties agree to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, the Developer Parties may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. The Developer shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. The Developer Parties have the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be

deemed or construed to relieve, modify or extend the Developer Parties' covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16 Developer Parties' Liabilities. The Developer Parties shall not enter into any transaction that would materially and adversely affect their ability to perform their obligations hereunder or to repay any material liabilities or perform any material obligations of the Developer Parties to any other person or entity. The Developer shall immediately notify DPD of any and all events or actions which may materially affect the Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 Compliance with Laws. To the best of the Developer Parties' knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property, including but not limited to the Municipal Code of Chicago, Sections 7-28-390, 7-28-440, 11-4-1410, 11-4-1420, 11-4-1450, 11-4-1500, 11-4-1530, 11-4-1550, or 11-4-1560, whether or not in the performance of this Agreement. Upon the City's request, the Developer shall provide evidence satisfactory to the City of such compliance.

8.18 Recording and Filing. The Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. The Developer shall pay all fees and charges incurred in connection with any such recording. Upon recording, the Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.19 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. The Developer Parties agree to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon the Developer Parties, the Property or the Project, or become due and payable, and which create, may create, or appear to create, a lien upon the Developer Parties or all or any portion of the Property or the Project. "Governmental

Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances relating to the Developer Parties, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. The Developer Parties have the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. The Developer Parties' right to challenge real estate taxes applicable to the Property is limited as provided for in Section 8.19(c) below; provided, that such real estate taxes must be paid in full when due and may be disputed only after such payment is made. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending the Developer Parties' covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless the Developer has given prior written notice to DPD of the Developer Parties' intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

(A) the Developer Parties shall demonstrate to DPD's satisfaction that legal proceedings instituted by the Developer Parties contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(B) the Developer Parties shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer Parties' Failure To Pay Or Discharge Lien. If the Developer Parties fail to pay any Governmental Charge or to obtain discharge of the same, the Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of the Developer Parties under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by the Developer Parties. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if the Developer Parties fail to pay any Governmental Charge, the City, in its sole discretion, may require the Developer Parties to submit to the City audited Financial Statements at the Developer Parties' own expense.

(c) Real Estate Taxes.

(i) Acknowledgment of Real Estate Taxes. The Developer Parties agree that (A) for the purpose of this Agreement, the total projected minimum assessed value of the Property that is necessary to support the debt service indicated ("Minimum Assessed Value") is shown on Exhibit J attached hereto and incorporated herein by reference for the years noted on Exhibit J; (B) Exhibit J sets forth the specific improvements which will generate the fair market values, assessments, equalized assessed values and taxes shown thereon; and (C) the real estate taxes anticipated to be generated and derived from the respective portions of the Property and the Project for the years shown are fairly and accurately indicated in Exhibit J.

(ii) Real Estate Tax Exemption. With respect to the Property or the Project, none of the Developer Parties nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer (but excluding third party purchasers of condominium units) shall, during the Term of this Agreement, seek, or authorize any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect.

(iii) No Reduction in Real Estate Taxes. None of the Developer Parties nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer (but excluding third party purchasers of condominium units) shall, during the Term of this Agreement, directly or indirectly, initiate, seek or apply for proceedings in order to lower the assessed value of all or any portion of the Property or the Project below the amount of the Minimum Assessed Value as shown in Exhibit J for the applicable year.

(iv) No Objections. None of the Developer Parties nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer, shall object to or in any way seek to interfere with, on procedural or any other grounds, the filing of any Underassessment Complaint or subsequent proceedings related thereto with the Cook County Assessor or with the Cook County Board of Appeals, by either the City or any taxpayer. The term "Underassessment Complaint" as used in this Agreement shall mean any complaint seeking to increase the assessed value of the Property up to (but not above) the Minimum Assessed Value as shown in Exhibit J.

(v) Covenants Running with the Land. The parties agree that the restrictions contained in this Section 8.19(c) are covenants running with the land and this Agreement shall be recorded by the Developer Parties as a memorandum thereof, at the Developer Parties' expense, with the Cook County Recorder of Deeds on the Closing Date. These restrictions shall be binding upon the Developer Parties and their respective agents, representatives, lessees, successors, assigns and transferees from and after the date hereof, provided however, that the covenants shall be released when the Redevelopment Area is no longer in effect. The Developer Parties agree that any sale, lease, conveyance, or transfer of title to all or any portion of the Property or Redevelopment Area from and after the date hereof shall be made explicitly subject to such covenants and restrictions.

Notwithstanding anything contained in this Section 8.19(c) to the contrary, the City, in its sole discretion and by its sole action, without the joinder or concurrence of the Developer Parties, their respective successors or assigns, may waive and terminate the Developer Parties' covenants and agreements set forth in this Section 8.19(c).

8.20 Affordable Housing Covenant. The Developer Parties agree and covenant to the City that the following provisions shall govern the terms of the Developer Parties' obligation to provide affordable housing under this Agreement:

(a) The Facility shall be operated and maintained solely as residential development.

(b) At least twenty percent (20%) of the units in the Facility shall be Affordable Units, i.e., sold to Qualified Households (as defined below) for the applicable affordable price set forth on Exhibit D. In connection with the marketing of each Affordable Unit, the Developer Parties shall attach as an exhibit to each purchase contract a copy of the City Recapture Mortgage and shall state in such purchase contract that the purchaser will be obligated to execute such junior mortgage at the time of closing and comply with its terms thereafter. At each closing of the sale of an Affordable Unit, the Developer Parties shall cause such fully executed and acknowledged junior mortgage to be recorded as a junior mortgage lien against the purchaser's Affordable Unit.

(c) As used in this Section 8.20, the following terms has the following meanings:

(i) "Family" shall mean one or more individuals, whether or not related by blood or marriage; and

(ii) "Qualified Households" shall mean Families whose annual income does not exceed one hundred percent (100%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

(d) The covenants set forth in this Section 8.20 shall run with the land and be binding upon any transferee.

(e) The City and the Developer Parties may enter into a separate agreement to implement the provisions of this Section 8.20.

8.21 Public Benefits Program. The Developer shall undertake a public benefits program as described on Exhibit M. On a semi-annual basis, the Developer shall provide the City with a status report describing in sufficient detail the Developer's compliance with the public benefits program.

8.22 Survival of Covenants. All warranties, representations, covenants and agreements of the Developer Parties contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of the Developer Parties' execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except

as provided in Section 7 hereof upon the issuance of a Project Certificate) shall be in effect throughout the Term of the Agreement.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. The Developer, on behalf of itself, the Developer Parties and their respective successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of the Developer operating on the Property (collectively, with the Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02 City Resident Construction Worker Employment Requirement. The Developer agrees for itself, the Developer Parties and their respective successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of the Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Developer Parties to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer Parties, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to the Developer Parties pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether the Developer Parties must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03 The Developer's MBE/WBE Commitment. The Developer agrees for itself, the Developer Parties and their respective successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that, during the Project:

a. Consistent with the findings which support the Minority-Owned and Women-Owned Business Enterprise Procurement Program (the "MBE/WBE" Program"), Section 2-92-420 et seq., Municipal Code of Chicago, and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as these budgeted amounts may be reduced to reflect decreased actual costs) shall be expended for contract participation by MBEs or WBEs:

- i. At least 25 percent by MBEs.
- ii. At least 5 percent by WBEs.

b. For purposes of this Section 10.03 only, the Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" as such terms are defined in Section 2-92-420, Municipal Code of Chicago.

c. Consistent with Section 2-92-440, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer), or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by the Developer utilizing a MBE or a WBE as a General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 10.03.

d. The Developer shall deliver quarterly reports to DPD during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include inter alia the name and business address of each MBE and WBE solicited by the Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist DPD in determining the Developer's compliance with this MBE/WBE commitment. DPD has access to the Developer's books and records, including, without limitation, payroll records, books of account and tax returns, and records and books of account in accordance with Section 14 of this Agreement, on five (5) business days' notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

e. Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this Subsection (e), the disqualification procedures are further described in Section 2-92-540, Municipal Code of Chicago.

f. Prior to the commencement of the Project, the Developer, the General Contractor and all major subcontractors shall be required to meet with the monitoring staff of DPD with regard to the Developer's compliance with its obligations under this Section 10.03. During this meeting, the Developer shall demonstrate to DPD its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by DPD. During the Project, the Developer shall submit the documentation required by this Section 10.03 to the monitoring staff of DPD, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by DPD, upon analysis of the documentation, that the Developer is not complying with its obligations hereunder shall, upon the delivery of written notice to the Developer, be deemed an Event of Default hereunder. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to the Developer to halt the Project, (2) withhold any further payment of any City Funds to the Developer Parties or the General Contractor, or (3) seek any other remedies against the Developer available at law or in equity.

SECTION 11. ENVIRONMENTAL MATTERS

The Developer Parties hereby represent and warrant to the City that the Developer has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, and the Redevelopment Plan.

Without limiting any other provisions hereof, the Developer Parties agree to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of the Developer Parties: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the Property or (B) any other real property in which the Developer, the Developer Parties, or any other person directly or indirectly controlling, controlled by or under common control with the Developer, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by the Developer Parties), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or the Developer Parties or any of their respective Affiliates under any Environmental Laws relating to the Property.

(viii) Contractor's Pollution Liability

When any remediation work is performed which may cause a pollution exposure, contractor's Pollution Liability shall be provided with limits of not less than \$1,000,000 insuring bodily injury, property damage and environmental remediation, cleanup costs and disposal. When policies are renewed, the policy retroactive date must coincide with or precede, start of work on the Agreement. The City of Chicago is to be named as an additional insured on a primary, non-contributory basis.

(c) Term of the Agreement

(d) Other Requirements

The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from the Developer shall not be deemed to be a waiver by the City. The Developer shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance shall not relieve the Developer of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to terminate this Agreement until proper evidence of insurance is provided.

The insurance shall provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self insured retentions on referenced insurance coverages shall be borne by the Developer Parties.

The Developer Parties agree that insurers shall waive rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The Developer Parties expressly understand and agree that any coverages and limits furnished by the Developer shall in no way limit the Developer Parties' liabilities and responsibilities specified within the Agreement documents or by law.

The Developer Parties expressly understand and agree that the Developer's insurance is primary and any insurance or self insurance programs maintained by the City of Chicago shall not contribute with insurance provided by the Developer under the Agreement.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

The Developer shall require the General Contractor, and all subcontractors to provide the insurance required herein or Developer may provide the coverages for the General Contractor, or subcontractors. All General Contractors and subcontractors shall be subject to the same requirements (Section 12(d)) of Developer unless otherwise specified herein.

If the Developer Parties, General Contractor or any subcontractor desires additional coverages, the Developer Parties, General Contractor and any subcontractor shall be responsible for the acquisition and cost of such additional protection.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements, so long as any such change does not increase these requirements.

SECTION 13. INDEMNIFICATION

13.01 General Indemnity. Each of the Developer Parties agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees, agents and affiliates (individually an "Indemnitee," and collectively the "Indemnites") harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (and including without limitation, the reasonable fees and disbursements of counsel for such Indemnites in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnities shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnites in any manner relating or arising out of:

(i) the Developer Parties' failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(ii) the Developer Parties' or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

(iii) the existence of any material misrepresentation or omission in this Agreement, any offering memorandum or information statement or the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by the Developer Parties or any Affiliate Developer or any agents, employees, contractors or persons acting under the control or at the request of the Developer Parties or any Affiliate of Developer; or

(iv) the Developer Parties' failure to cure any misrepresentation in this Agreement or any other agreement relating hereto;

provided, however, that Developer Parties shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Developer Parties shall contribute the maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 Books and Records. The Developer shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to the Developer's loan statements, if any, General Contractors' and contractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at the Developer's offices for inspection, copying, audit and examination by an authorized representative of the City, at the Developer's expense. (a) the failure of the Developer Parties to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer Parties under this Agreement or any related agreement;

(b) the failure of the Developer Parties to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer Parties under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by the Developer Parties to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against any of the Developer Parties or for the liquidation or reorganization of any of the Developer Parties, or alleging that the any of the Developer Parties is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Developer Parties' debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer Parties; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for any of the Developer Parties, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against any of the Developer Parties which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of the Developer; or

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against any of the Developer Parties or any natural person who owns a material interest in the Developer Parties, which is not dismissed within thirty (30) days, or the indictment of any of the Developer Parties or any natural person who owns a material interest in any Developer Party, for any crime (other than a misdemeanor); or

(k) prior to the issuance of the Project Certificate, the sale or transfer of a majority of the ownership interests of any of the Developer Parties without the prior written consent of the City.

For purposes of Sections 15.01(i) and 15.01(j) hereof, a person with a material interest in a Developer Party shall be one owning in excess of ten (10%) of the Developer's issued and outstanding shares of stock or partnership interests, as the case may be.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements, and suspend or terminate disbursement of City Funds. Also, the City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

15.03 Curative Period. In the event the Developer Parties shall fail to perform a monetary covenant which the Developer Parties are required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer Parties have failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event the Developer Parties shall fail to perform a non-monetary covenant which the Developer Parties are required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer Parties have failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, the Developer Parties shall not be deemed to have committed an Event of Default under this Agreement if they have commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit E hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "Existing Mortgages." Any mortgage or deed of trust that the Developer Parties may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage." Any New Mortgage that the Developer Parties may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and the Developer Parties as follows:

(a) In the event that a mortgagee or any other party shall succeed to the Developer Parties' interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer Parties' interest hereunder in accordance with Section 18.15 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to the Developer Parties for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) In the event that any mortgagee shall succeed to the Developer Parties' interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer Parties' interest hereunder in accordance with Section 18.15 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to the Developer Parties for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "the Developer" hereunder; provided, however, that no such party may receive payments under any City Note until after issuance of the Project Certificate; and provided, further, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of the Developer Parties' interest under this Agreement, such party has no liability under this Agreement for any Event of Default of the Developer Parties which accrued prior to the time such party succeeded to the interest of the Developer Parties under this Agreement, in which case the Developer Parties shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of the Developer Parties' interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) Prior to the issuance by the City to the Developer Parties of the Project Certificate pursuant to Section 7 hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DPD.

This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement the Redevelopment Plan without the consent of any party hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 18.01 shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer (including those set forth in Sections 10.02 and 10.03 hereof) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer affecting the Project site, the Project, or both, or increases any time agreed for performance by the Developer by more than ninety (90) days.

18.02 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

18.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to the Developer Parties or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer Parties from the City or any successor in interest or on any obligation under the terms of this Agreement.

18.04 Further Assurances. The Developer Parties agree to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05 Waiver. Waiver by the City or the Developer Parties with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or the Developer Parties in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

18.09 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

18.10 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

18.11 Conflict. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances and/or the Bond Ordinance, if any, such ordinance(s) shall prevail and control.

18.12 Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.

18.13 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

18.14 Approval. Wherever this Agreement provides for the approval or consent of the City, DPD or the Commissioner, or any matter is to be to the City's, DPD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DPD or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or DPD in making all approvals, consents and determinations of satisfaction, granting the Project Certificate or otherwise administering this Agreement for the City.

Any successor in interest to the Developer Parties under this Agreement shall certify in writing to the City its agreement to abide by all remaining executory terms of this Agreement, including but not limited to Sections 8.19 Real Estate Provisions and 8.22 (Survival of Covenants) hereof, for the Term of the Agreement. Except as otherwise provided herein, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

18.17 Force Majeure. Neither the City nor the Developer Parties nor any successor in interest to any of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

Failure by the Developer to provide such notice as described above may result in the termination of all or a part of the payment or reimbursement obligations of the City set forth herein.

18.20 Venue and Consent to Jurisdiction. If there is a lawsuit under this Agreement, each party may hereto agree to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

This includes, subject to any limits under applicable law, attorney's fees and legal expenses, whether or not there is a lawsuit, including attorney's fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgment collection services. Developer Parties also will pay any court costs, in addition to all other sums provided by law.

WHEREAS, the Affordability Requirements require that, among other things, with respect to the initial sale of the Home, with respect to which this Mortgage is being granted, and (unless Mortgagor is permitted and elects to repay to the City the City Subsidy Recapture Amount) with respect to each subsequent resale of the Home thereafter during the Recapture Period, such Home may be sold only to a Qualified Household at an Affordable Price; and

WHEREAS, but for the City's TIF Contribution, and the City's imposition of the Affordability Requirements, Mortgagor would have been unable to purchase the Home for an Affordable Price; and

WHEREAS, the City has required Mortgagor to execute this Mortgage in order to both (a) impose the Affordability Requirements upon the Mortgaged Property and give notice of the Affordability Requirements to Mortgagor, to any subsequent purchaser of the Home, and to any lender having a mortgage secured by the Home, and (b) to secure the recapture payment described in Article III and Mortgagor's other obligations under this Mortgage; and

WHEREAS, in consideration of the City's TIF Contribution, the benefits accruing to Mortgagor as a result of its purchase of the Home for an Affordable Price, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Mortgagor has executed and delivered to the City this Mortgage;

NOW, THEREFORE, to secure the performance and observance by Mortgagor of all the terms, covenants and conditions described in this Mortgage, and in order to charge the properties, interests and rights hereinafter described with such consideration, Mortgagor has executed and delivered this Mortgage and does hereby grant, convey, assign, mortgage, grant a security interest in, and confirm unto Mortgagee and its successors and assigns forever, all of the following described property (which is hereinafter sometimes referred to as "Mortgaged Property"):

ARTICLE I

INCORPORATION OF RECITALS

The recitals set forth above constitute an integral part of the Mortgage and are hereby incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

ARTICLE II

COVENANTS, REPRESENTATIONS AND WARRANTIES

Mortgagor covenants and agrees with Mortgagee that at all times during the Recapture Period:

2.01 Taxes and Assessments. (a) Mortgagor will pay when due all general taxes and assessments (including, without limitation, any condominium or homeowner's association

assessments, if applicable), special assessments, water charges and all of the charges against the Mortgaged Property and shall, upon written request, furnish to Mortgagee receipts evidencing payment thereof, provided that Mortgagor, in good faith and with reasonable diligence, may contest the validity or amount of any such taxes, assessments or charges, provided that during any such contest the enforcement of the lien of such taxes, assessments or charges is stayed.

(b) Mortgagor will not suffer (unless bonded or insured over) any mechanic's, laborer's, materialmen's, or statutory lien to remain outstanding upon any of the Mortgaged Property. Mortgagor may contest such lien, provided that Mortgagor shall first post a bond in the amount of the contested lien, or provide title insurance over such contested lien, and further provided that Mortgagor shall diligently prosecute the contested lien and cause the removal of the same.

2.02 Insurance. Mortgagor shall keep the Mortgaged Property continuously insured (or shall use reasonable efforts to cause the condominium or homeowner's association, as applicable, to keep insured such parts of the Mortgaged Property as may be required to be insured by such association under the applicable declaration) in such amounts and against such risks as required of Mortgagor by the Senior Lender, paying the premiums for said insurance as they become due. Policies of insurance shall name Mortgagee as an additional insured. All policies of insurance shall provide that the same shall not be canceled, except upon thirty (30) days prior written notice to Mortgagee.

2.03 Maintenance of the Property. (a) Mortgagor shall preserve and maintain the Mortgaged Property in good condition and repair, will not commit or suffer any waste thereof, and will keep the same in a clean, orderly and attractive condition. Mortgagor shall not do or suffer to be done anything which will increase the risk of fire or other hazard to the Mortgaged Property or any part thereof.

(b) If the Mortgaged Property or any part thereof is damaged by fire or any other cause, Mortgagor will immediately give written notice of the same to Mortgagee.

(c) Mortgagee or its representatives shall have the right to inspect the Mortgaged Property to assure compliance with the terms of this Mortgage.

(d) Mortgagor shall promptly comply, and cause the Mortgaged Property to comply, with all present and future laws, ordinances, orders, rules and regulations and other requirements of any governmental authority affecting the Mortgaged Property or any part thereof and with all instruments and documents of record or otherwise affecting the Mortgaged Property or any part thereof.

(e) If all or any part of the Mortgaged Property shall be damaged by fire or other casualty, Mortgagor (subject to the rights of the Board of Managers of the condominium or homeowner's association, if applicable, with respect to any proceeds applicable to common elements or limited common elements), will promptly restore the Mortgaged Property to the equivalent of its condition prior to the casualty, to the extent of any insurance proceeds made available to Mortgagor for that purpose.

2.04 Subordination. This Mortgage shall be subject and subordinate in all respects to the Senior Mortgage, if any, provided, however, that the maximum amount of indebtedness (including indebtedness attributable to protective advances made by the Senior Lender or other amounts secured under the terms of the Senior Mortgage) that shall be superior to the lien of this Mortgage shall in no instance and at no time exceed 100% of the Purchase Price plus the City Subsidy Amount. Any refinancing of the Senior Mortgage permitted under this Section 2.04, however, will also be deemed a Senior Mortgage for purposes of the subordination set forth in this Section 2.04.

2.05 Income Eligibility. Mortgagor represents and warrants to Mortgagee that Mortgagor's household income, as of the time of Mortgagor's execution of its purchase contract for the Mortgaged Property, met the income eligibility requirements established by the City applicable to a purchaser of the Home, as set forth in the definition of Qualified Household on Exhibit B hereto.

ARTICLE III

RECAPTURE OF CITY SUBSIDY PROVISIONS

3.01 Acknowledgment of City Subsidy. Mortgagor acknowledges and agrees that the City has subsidized a portion of the costs of construction of the Home in the amount of the City Subsidy Amount, resulting in Mortgagor's purchase of the Home at an Affordable Price.

3.02 Primary Residence; No Leasing. Mortgagor covenants to the City that during the Recapture Period, it shall own and use the Mortgaged Property as its primary residence (and the primary residence of Mortgagor's Qualified Household) as long as Mortgagor owns the Mortgaged Property. Mortgagor covenants that during the Recapture Period, it will not lease the Mortgaged Property to any person or let any other person to occupy or use the property without the prior written consent of the City, which shall be in the City's reasonable discretion, and which, if granted, will require that the total amount payable by any tenant household not exceed the amount set forth to qualify such housing as "affordable housing" as defined in the Illinois Affordable Housing Act, 310 ILCS 65/1 et seq.

3.03 Permitted Transfers. Mortgagor covenants that during the Recapture Period, it shall not sell or otherwise directly or indirectly transfer ownership of the Mortgaged Property, except (a) to a Qualified Household, (b) for an Affordable Price, and provided that (c) the Qualified Household executes a mortgage, security and recapture agreement in similar form to this Mortgage, if such resale Affordable Price is below the market price, as reasonably determined by the City's Department of Housing. Any transfer of ownership (x) resulting from Mortgagor's death and occurring pursuant to (i) the terms of a written land trust, personal trust or will, or (ii) state intestacy law, (y) to a spouse or member of Mortgagor's Qualified Household, or (z) that simply consists of Mortgagor's transfer of the Home into a land trust or personal trust of which Mortgagor is the sole beneficiary and holder of power of direction, as applicable, shall be subject to the foregoing transfer restriction, provided, however, that the transferee in any such

transfer shall be bound by all of the affordable housing covenants contained in this Mortgage. **If Mortgagor attempts or purports to transfer the Mortgaged Property to a transferee in violation of any one or more of the conditions in clauses (a), (b) and (c), such attempted or purported transfer shall be a violation of the Affordability Requirements, and shall constitute an immediate Event of Default under Section 4.01(a).**

3.04 Right to Request Waiver or Modification. The Affordability Requirements in this Article III may be waived or modified in writing by the City, upon a showing of undue hardship or changed circumstances that would make the enforcement of such covenants inequitable or impractical, as determined by the City in its sole discretion.

3.05 Approval of Transfer and Release of Mortgage. Upon either (a) a permitted transfer described in Section 3.03, or (b) a transfer accompanied by a repayment of the City Subsidy Recapture Amount in accordance with the terms of this Mortgage, the City will, upon ten (10) business days prior written notice, execute and deliver a "Certificate of Transfer" confirming that such transfer is a permitted transfer hereunder and effective to deliver legal title to the transferee. In addition, within thirty (30) days of receipt of a written request from Mortgagor, Mortgagee shall execute a release of the Mortgage in recordable form.

3.06 REASONABLE RESTRAINT ON ALIENATION. MORTGAGOR ACKNOWLEDGES AND AGREES THAT TO THE EXTENT THE AFFORDABILITY REQUIREMENTS, ANYTHING IN THIS ARTICLE III, OR ANY OTHER PROVISION IN THIS MORTGAGE COULD BE DEEMED A RESTRAINT ON ALIENATION, THAT ANY SUCH RESTRAINT (A) IS REASONABLE, (B) IS, AS EXPLAINED IN THE RECITALS, SUPPORTED BY ADEQUATE CONSIDERATION, (C) IS NECESSARY TO IMPLEMENT THE CITY'S PUBLIC POLICY OBJECTIVE OF DEVELOPING AND MAINTAINING LOW-INCOME AND VERY LOW-INCOME HOUSING, (D) SHOULD BE ENFORCED AS WRITTEN, AND (E) WAS A MATERIAL INDUCEMENT TO THE CITY'S INITIAL DECISION TO PROVIDE THE TIF CONTRIBUTION, WHICH HAS ENABLED MORTGAGOR TO BUY THE HOME FOR THE PURCHASE PRICE, WHICH IS MATERIALLY BELOW THE FAIR MARKET VALUE PRICE. MORTGAGOR, THEREFORE, KNOWINGLY AND VOLUNTARILY, TO THE FULLEST EXTENT PERMITTED BY LAW, WAIVES THE RIGHT TO RAISE ANY DEFENSE TO THE ENFORCEMENT OF THE AFFORDABILITY REQUIREMENTS, WHETHER AT LAW OR IN EQUITY.

ARTICLE IV DEFAULT

4.01 Events of Default. The terms "Event of Default" or "Events of Default", wherever used in the Mortgage, shall mean any one or more of the following events:

(a) A failure by Mortgagor to comply with any of the Affordability Requirements set forth in under Section 3.02 or 3.03;

(b) Failure by Mortgagor to duly observe or perform any other material term, covenant, condition, or agreement in the Mortgage after the expiration of the applicable cure periods provided in Section 4.02; or

(c) A default continuing beyond all applicable cure periods under the Senior Mortgage and permitting foreclosure thereunder.

4.02 City Remedies. The City shall have the following remedies depending on the nature and timing of the Event of Default.

(a) Recapture Payment Event. If an Event of Default occurs under Section 4.01(a) prior to the Recapture Period expiration, any purported lease, direct or indirect sale or transfer of ownership, or mortgaging of the Mortgaged Property shall make the City entitled to the specific enforcement of the Affordability Requirements and any other remedies available under this Mortgage. The City, in its sole discretion, and in lieu of its specific enforcement of the Affordability Requirements, may elect to require payment of the City Subsidy Recapture Amount (as defined below) in the event that the City determines that specific enforcement of the Affordability Requirements is impractical or inappropriate. If Mortgagor pays to the City the City Subsidy Recapture Amount, then the City shall have no other remedy with respect to such Event of Default and shall be obligated to execute and deliver a release of this Mortgage in recordable form and the transferee shall not be bound by any Affordability Requirements or otherwise required to execute and deliver any mortgage in favor of the City.

The "City Subsidy Recapture Amount" shall be an amount equal to the City Subsidy Amount plus simple, non-compounding interest on such amount at the rate of one percent (1.0%) per annum (assuming twelve 30 day months) calculated from the date of this Mortgage to the date of the Recapture Payment Event.

For example, if (a) this Mortgage was dated January 1, 2005, (b) the date of the Recapture Payment Event was July 1, 2011, and (c) the City Subsidy Amount was \$20,000, then (i) the interest on the City Subsidy Amount would be \$1,300 (\$200/year for 6 years, plus \$100 for one half-year), and (ii) the City Subsidy Recapture Amount would be \$21,300 (\$20,000 plus \$1,300).

(b) If an Event of Default occurs under Section 4.02 or Section 4.03 and such default involves a failure to make timely payment of any amount due and secured by this Mortgage or the Senior Mortgage and such failure is not cured within ten (10) days of the Mortgagee's delivery of written notice of such failure to Mortgagor (a "Monetary Event of Default"), then Mortgagee shall be entitled to immediately: (i) declare the City Subsidy Recapture Amount immediately due and payable (with such Monetary Event of Default date being also being deemed a Recapture Payment Event for purposes of computing such amount); and (ii) exercise any other remedies available under this Mortgage (including, without limitation, specific enforcement of the Affordability Requirements any time prior to the end of the Recapture Period of this Mortgage), in either instance without further notice or demand.

(c) If Mortgagor fails to perform any other obligation required under this Mortgage not described in Section 4.02 and such failure is not cured within sixty (60) days of the Mortgagee's delivery of written notice of such failure to Mortgagor, Mortgagee shall be entitled to immediately: (i) declare the City Subsidy Recapture Amount immediately due and payable (with such non-monetary Event of Default date being also being deemed a Recapture Payment Event for purposes of computing such amount); and (ii) exercise any other remedies available under this Mortgage (including, without limitation, specific enforcement of the Affordability Requirements any time prior to the end of the Recapture Period of this Mortgage), in either instance without further notice or demand. In the event such default cannot reasonably be cured within such sixty (60) day period, however, and if Mortgagor has commenced efforts to cure such default, then the time to cure shall be extended so long as said party diligently continues to cure such default.

(d) If an event of default occurs under the Senior Lender's security documents (after the giving of any applicable notice and lapse of any applicable cure period, if any) and the Senior Lender commences efforts to foreclose its mortgage (or obtain a deed-in-lieu-of-foreclosure), obtain appointment of a receiver for the Mortgaged Property, or obtain possession of the Mortgaged Property, such event of default shall (notwithstanding anything in this Section 4.02 to the contrary) constitute an immediate Event of Default under this Mortgage and the Mortgagee shall be entitled to immediately: (i) declare the City Subsidy Recapture Amount immediately due and payable (with such commencement date being also deemed a Recapture Payment Event for purposes of computing the City Subsidy Recapture Amount); and (ii) exercise any other remedies available under this Mortgage, in either instance without further notice or demand.

4.03 Other Remedies. (a) If any amounts due under and secured by this Mortgage shall become due, whether by acceleration or otherwise, Mortgagee shall have the right to foreclose the lien hereof for such indebtedness or part thereof. This Mortgage and the right of foreclosure hereunder shall not be impaired or exhausted by any foreclosure of the Senior Mortgage, and may be foreclosed successively and in parts, until all of the Mortgaged Property has been foreclosed against. In any such foreclosure, or upon the enforcement of any other remedy of Mortgagee, there shall be allowed and included as additional indebtedness all expenditures and expenses which may be paid or incurred by or on behalf of Mortgagee for reasonable attorneys' fees, appraisers' fees, outlays for documentary and expert evidence, stenographers' charges, publication costs, and costs involved in title insurance and title examinations. All expenditures and expenses of the nature in this Section 4.03 mentioned, and such expenses and fees as may be incurred in the protection of the Mortgaged Property and the maintenance of the lien of this Mortgage, including the reasonable fees of any attorney employed by Mortgagee in any litigation or proceeding affecting this Mortgage, or the Mortgaged Property, including probate and bankruptcy proceedings, or in preparation for the commencement or defense of any proceeding or threatened suit or proceeding, shall be immediately due and payable by Mortgagor, with interest thereon at the lesser of the highest rate permitted by law or fifteen percent (15%) per annum, and shall be secured by this Mortgage. The proceeds of any foreclosure sale of the Mortgaged Property shall be distributed and applied in the following order of priority: (i) on account of all costs and expenses incidental to the foreclosure proceedings, including all such items as are mentioned in this section; (ii) repayment of the indebtedness owed to the Senior Lender, subject to the limitation in Section 2.04; (iii) repayment of any other amounts due under

this Mortgage; and (iv) payment of any remaining amounts due to Mortgagor, its successors or assigns, as their rights may appear.

(b) Mortgagor shall not and will not apply for or avail itself of any appraisal, valuation, stay, extension or exemption laws, or any so-called "Moratorium Laws", now existing or hereafter enacted, in order to prevent or hinder the enforcement or foreclosure of this Mortgage, but hereby waives the benefit of such laws. Mortgagor, for itself and all who may claim through or under it, waives any and all right to have the property and estates comprising the Mortgaged Property marshaled upon any foreclosure of the lien hereof, and agrees that any court having jurisdiction to foreclose such lien may order the Mortgaged Property sold as an entirety. To the extent permitted by law, Mortgagor hereby waives any and all rights of redemption from sale under any order or decree of foreclosure of this Mortgage on such Mortgagor's behalf and on behalf of each and every person, except decree or judgment creditors of Mortgagor, acquiring any interest in or title to the Mortgaged Property subsequent to the date of this Mortgage.

(c) Upon any other entering upon or taking of possession of the Mortgaged Property after the occurrence of an Event of Default and the expiration of the applicable cure period and other than by means of a foreclosure, Mortgagee, subject to the rights of the Senior Lender, may hold, use, manage and control the Mortgaged Property and, from time to time (i) make all necessary and proper maintenance, repairs, renewals, replacements, additions, betterments and improvements thereto and thereon and purchase or otherwise acquire additional fixtures, personalty and other property required in connection therewith; (ii) insure or keep the Mortgaged Property insured; (iii) manage the Mortgaged Property and exercise all the rights and powers of Mortgagor to the same extent as Mortgagor could in its own name or otherwise with respect to the same; and (iv) enter into any and all agreements with respect to the exercise by others of any of the powers herein granted to Mortgagee, all as Mortgagee from time to time may reasonably determine to be to its best advantage. Mortgagee may collect and receive all the rents, issues, profits and revenues of the same, including those past due as well as those accruing thereafter, and, after deducting to the extent reasonable: (aa) expenses of taking, holding and managing the Mortgaged Property (including compensation for the services of all persons employed for such purposes); (bb) the cost of all such maintenance, repairs, renewals, replacements, additions, betterments, improvements and purchases and acquisitions; (cc) the cost of such insurance; (dd) such taxes, assessments and other similar charges as Mortgagee may determine to pay; (ee) other proper charges upon the Mortgaged Property or any part thereof; and (ff) the reasonable compensation, expenses and disbursements of the attorneys and agents of Mortgagee, shall apply the remainder to the payment of amounts due under this Mortgage. The balance of such funds, if any, after payment in full, of all of the aforesaid amounts shall be paid to Mortgagor.

(d) Mortgagee may also seek specific performance or injunctive relief in order to enforce the provisions of this Mortgage.

4.04 Receiver. Subject to the rights of the Senior Lender, if an Event of Default shall have occurred and be continuing after an applicable cure period has expired, Mortgagee, upon application to a court of competent jurisdiction, shall be entitled to the appointment of a receiver to take possession of and to operate the Mortgaged Property and to collect and apply the rents,

issues, profits and revenues thereof. The receiver shall otherwise have all of the rights and powers to the fullest extent permitted by law.

4.05 Purchase by Mortgagee. Upon any foreclosure sale, Mortgagee may bid for and purchase the Mortgaged Property and shall be entitled to apply all or any part the City Subsidy Recapture Amount and other amounts due under and secured by this Mortgage as a credit to the purchase price.

4.06 Remedies Cumulative. No right, power or remedy conferred upon or reserved to Mortgagee by this Mortgage is intended to be exclusive of any other right, power or remedy, but each and every right, power and remedy shall be cumulative and concurrent and shall be in addition to any other right, power and remedy given hereunder or now or hereafter existing at law, in equity or by statute.

4.07 Waiver. No delay or omission of Mortgagee to exercise any right, power or remedy accruing upon any Event of Default shall exhaust or impair any such right, power or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein; and every right, power and remedy given by this Mortgage to Mortgagee may be exercised from time to time as often as may be deemed expedient by Mortgagee. No consent or waiver, expressed or implied, by Mortgagee to or of any breach or Event of Default by Mortgagor in the performance of its obligations hereunder shall be deemed or construed to be a consent or waiver to or of any other breach or Event of Default in the performance of the same or any other obligations of Mortgagor hereunder. Failure on the part of Mortgagee to complain of any act or failure to act or to declare an Event of Default, irrespective of how long such failure continues, shall not constitute a waiver by Mortgagee of its rights hereunder or impair any rights, powers or remedies on account of any breach or default by Mortgagor.

OPINION OF DEVELOPER'S COUNSEL

[To be retyped on the Developer's Counsel's letterhead]

—, —
City of Chicago
121 North LaSalle Street
Chicago, IL 60602

ATTENTION: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to JTA Development, Inc., an Illinois corporation ("JTA") and Renaissance Estates Phase One, L.P. ("Phase One LP") (collectively, JTA and Phase One LP shall be referred to as the "Developer"), in connection with the purchase of certain land and the construction of certain facilities thereon located in the 119th Street/I-57 Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

- (a) _____ Redevelopment Agreement (the "Agreement") of even date herewith, executed by the Developer and the City of Chicago (the "City");
- (b) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and
- (c) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined

- (a) the original or certified, conformed or photostatic copies of the Developer's (i) Articles of Incorporation or Articles of Formation, as the case may be, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which the Developer is qualified to do business, (iii) By-Laws, as amended to date, and (iv) records of all corporate or partnership proceedings relating to the Project; and
- (b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of the Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. JTA is a corporation duly organized, validly existing and in good standing under the laws of its state of incorporation, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign corporation under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Phase One LP is a limited partnership duly organized, validly existing and in good standing under the laws of its state of formation, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign partnership under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

3. The Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, the Developer's Articles of Incorporation or Articles of Formation (as the case may be) or By-Laws or limited partnership agreement (as the case may be) or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which the Developer is a party or by which the Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which the Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

4. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of the Developer.

5. Each of the Documents to which the Developer is a party has been duly executed and delivered by a duly authorized officer of the Developer, and each such Document constitutes the legal, valid and binding obligation of the Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

6. Exhibit A attached hereto (a) identifies each class of capital stock of JTA, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of the JTA and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of JTA. Each outstanding share of the capital stock of JTA is duly authorized, validly issued, fully paid and nonassessable.

7. Exhibit B attached hereto (a) identifies the general partner and all limited partners of Phase One LP, and (b) sets forth the percentage ownership of each partner. To the best of our knowledge after diligent inquiry, except as set forth on Exhibit B, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the ownership interests of Phase One LP. Each outstanding ownership interest of Phase One LP is duly authorized.

8. To the best of our knowledge after diligent inquiry, no judgments are outstanding against the Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against the Developer or affecting the Developer or its property, or seeking to restrain or enjoin the performance by the Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, the Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on the Developer or its business.

9. To the best of our knowledge after diligent inquiry, there is no default by the Developer or any other party under any material contract, lease, agreement, instrument or commitment to which the Developer is a party or by which the company or its properties is bound.

10. To the best of our knowledge after diligent inquiry, all of the assets of the Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

11. The execution, delivery and performance of the Documents by the Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in

respect of, any person, including without limitation any court, government or regulatory authority.

12. To the best of our knowledge after diligent inquiry, the Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

13. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

This opinion is issued at the Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

By: _____
