Re: Request for Emergency Authorization

The Department of Buildings requires the services of a wrecking contractor to demolish a garage at 5133 W. Accordingly, the Department of Buildings is requesting authorization for this purchase in the amount of \$4,000.00.

I certify that this emergency poses a clear and imminent danger, requiring immediate procurement of services, supplies or equipment to prevent or mitigate the loss or impairment of life, health, property, or essential public services and would not have been avoided by due care and diligence.

Thank you for your assistance.
