On January 13, 1992, both you and Ms. X [REDACTED], a former City employee, telephoned the Board of Ethics office to ask whether the post-employment provisions of the Governmental Ethics Ordinance would prohibit Ms. X [REDACTED] from accepting the position of [REDACTED] with your organization, Co. Room 303
320 North Clark Street
Chicago, Illinois 60610
(312) 744-9660

Her training was sponsored by Co. Z [REDACTED] and conducted by another organization.

Ms. X [REDACTED] stated that in her former City position she served as [REDACTED] in the Department of C [REDACTED]. In that position, she supervised employees who conducted training classes in areas of [REDACTED], [REDACTED], and [REDACTED].

After reviewing the facts presented and previous decisions of the Board, the staff concludes that the post-employment provisions of the Ordinance (section 2-156-100) do not prohibit Ms. X [REDACTED] from accepting the proposed position of [REDACTED] for the Department of [REDACTED] B's project. If during her employment with Co. Z [REDACTED] it is proposed that Ms. X [REDACTED] work with another City agency, please consult us regarding the application of the post-employment restrictions to that situation.

Please notify us immediately if the facts presented are incorrect or incomplete, as any change in the facts may alter our conclusion. We enclose a copy of the Ordinance for your convenience. We appreciate your and Ms. X [REDACTED] willingness to comply with the ethical standards embodied in the Governmental Ethics Ordinance. If you have any further questions, please do not hesitate to contact us.

Very truly yours,

Dorothy J. Eng
