Dear [Redacted]

You have requested guidance about whether you may accept an invitation to apply to School X [Redacted] at University Y [Redacted] for a Corporation Fellowship. The fellowship involves a three-week Program for Senior Executives in State and Local Government conducted by University Y. [Redacted] You are one of three nominated from the Chicago area by the Chicago Partnership Office of the [Redacted] Corporation. If selected by the school as a [Redacted] Fellow, your fellowship will be paid for by the Corporation Foundation.

the After reviewing your letter of invitation, staff has discussed the fellowship program with [Redacted] Director of the Chicago Partnership Office of the [Redacted] Corporation. Additionally, we reviewed School X's [Redacted] brochure about the program. Based on the information we received regarding the fellowship, staff concludes that there is nothing in the City's Governmental Ethics Ordinance that would prohibit you from applying for and accepting a fellowship, if chosen by the school.

Very truly yours,
Eileen M. W. Sewell
