As an Active member assigned to Hazmat 5-1-1. This course provided me with not only a working, but hands on knowledge of many Tank Cars that flow through Chicago, and new methods and techniques for dealing with some.

How did this even benefit the Urban Area?

See above Hazmat 5-1-1 being part of not only USAR Task force and MABAS Div 9. IS accountable for the 5 step process in Hazmat. that flows through the Urban Area of Chicago,

\* Please Note this WAS A 40hr, M-F Course AND Travel Restriction Requirement Beyond my/our Control. Would like to see it continued to be covered Travel Dates As per Course is Sunday + Saturday.
